Meeting Procedures (Amendment) Local Law

Notice is given that at a meeting of the Council of the City of Melbourne held on 14 December 1992, the Council resolved to propose to make a Local Law titled Meeting Procedures (Amendment) Local Law pursuant to the provisions of the *Local Government Act* 1989.

The objective of the proposed Local Law is to amend the Meeting Procedures (Standing Orders) Local Law 1990 (No. 10 of 1990).

Standing Order No. 21 (Reports of Committee) is amended by the addition of parts 21.2 and 21.3 which reflect the intent of the following Council resolution—

- (a) a report of a Committee to the Council must set out fully and accurately any proposal or recommendation made by the Committee; and
- (b) if an event between the meeting of a Committee and the Council gives rise to a proposed change to a Committee's recommendation or proposal, the proposed change must, in writing, be brought to the attention of all Councillors and/or all Councillors present at the meeting of the Council.

Standing Orders No. 9 (Quarterly meetings)

The amendment breaks this Standing Order in 3 parts.

9.1—provides for the Council to hold up to 4 meetings a year at which no notice of business is required to be given.

9.2—specifies that only motions which refer a matter to a Committee shall be in order.

9.3—specifies that the meetings must be held at noon on the 9th day of the months of November, February, May and August or any other day during each of those months as determined by the Council or Chairperson. The words in italics have been added to provide greater flexibility. Previously, if the 9th was not suitable the meeting could only be held on any of the 3 days preceding or following the 9th so appointed by the Council at any preceding meeting. The amendment will make it possible to schedule a Quarter day meeting around the availability of Councillors and the proposed guest speaker for the luncheon afterwards.

Standing Order No. 37.1 (Suspension of Standing Orders)

G 49 16 December 1992 3757

A consequential amendment as a result of the amendment of Standing Order No. 9. It allows the Council to be able to suspend Standing Orders 9.1 and 9.3 but not 9.2.

Standing Order No. 39.2 (Motions to rescind resolutions)

The amendment clarifies the wording and intent of the Standing Order.

Standing Order 39.2 provides that when a rescission motion has been "disposed of" by the Council, a similar motion may not be proposed within 6 months. The intent is to prevent an unsuccessful rescission motion being followed by successive motions, worded the same or similar, with the intention of overcoming opposition by attrition or a change of voting numbers by non-attendance. However, the words "disposed of" include a procedural motion to send the motion away or lie on the table, without its merits being voted on by the Council. The rescission motion could be left in limbo, engendering uncertainty. It would be better to have it voted on substantively. Hence, it is proposed to substitute for the words "disposed" the words "voted on".

Standing Order No. 64 (Appointment of Committees)

This amendment rectifies an anomaly. It adds a part 64.3 which allows the Council by resolution from time to time, in regard to an existing or proposed Committee, to amend or determine any of the matters detailed in Standing Order 64.1 (membership and duties of Committees). Under the existing Standing Order this can only be done at the first meeting of the Council after the appointment of the Lord Mayor.

A copy of the Local Law can be obtained (free of charge) from the Town Clerk's office, 3rd Floor, Town Hall, Swanston Street, Melbourne, during office hours (i.e. 8.00 a.m. to 5.00 p.m. daily from Monday to Friday).

Written submissions relating to the proposed Local Law by any person affected by it may be made under section 223 of the *Local Government Act* 1989 and must be received by the Council within 14 days after the publication of this public notice.

The Council has determined that the Economic and Corporate Services Committee will consider any written submissions received within this time, and hear any persons who may wish to be heard in support of their written submission, either in person or by a person

3758 G 49 16 December 1992

acting on their behalf. Persons making written submissions should clearly state whether they wish to be heard in support of their submission. Persons being heard may address the Committee only in respect of matters which support their written submissions.

Submissions should be addressed to the Town Clerk, Town Hall, Swanston Street, Melbourne 3000.

Persons making written submissions will be notified in writing of the Council's decision and reasons for the decision following consideration of the submissions.

ALBERTON PLANNING SCHEME
Notice of Amendment to a Planning Scheme
Amendment L25

The Shire of Alberton has prepared Amendment L25 to the Alberton Planning Scheme (Chapter 1 Coastal Section).

This amendment is in three parts and proposes to change the Planning Scheme by the following methods:

Part 1 of the amendment is a Planning Scheme Map (E) Amendment and a Planning Scheme Ordinance Amendment which proposes the creation of a Comprehensive Development Zone 1 for the area shown on Planning Scheme Map E, being:

Land bounded by Commercial Road, Grant Street, Lawler Street, incorporating the swimming pool site, car park site, DCNR offices, library, op-shop, old bank building, curry factory site and memorial park environs.

The Ordinance is to have a new Clause 8A (Local Section—Chapter 1—Coastal) which introduces controls for the Comprehensive Development Zone 1.

These controls will define the purposes of the Comprehensive Development Zone 1, and will allow Council to issue a town planning permit for a use or development in the zone.

Any uses and developments will be subject to the provision of a minimum of 100 car parking spaces in the zone, and additional spaces to be determined after the undertaking of a 12 month review of car-parking demand for all uses in the zone, based on an approximate 90% peak demand for the combined uses and developments.

These uses currently include the Municipal Swimming Pool, Library, Op-shop,

G 50 23 December 1992 3843

Neighbourhood House, Memorial Park, associated car-parking and vacant land.

The proposed amendment does not allow any new uses or developments in the zone, however it does enable Council to consider an application for a Town Planning permit to use or develop land in the zone.

Council has placed on public exhibition Town Planning Application No. TP92086, which proposes new Shire Offices on the Municipal Swimming Pool Car Park, and which also proposes to regularise, by way of permit, all uses and developments in the zone. This Application (TP92086) cannot be determined until this Amendment (L25) is approved by the Governor in Council.

Part 2 of the amendment is a Planning Scheme Map (E) amendment which proposes to rezone the existing Infant Welfare Centre in King Street, Yarram from Public Purposes Reserve 19 (Infant Welfare Centre) to Residential A zone.

Part 3 of the amendment is a Planning Scheme Map (E) amendment which proposes to rezone the existing Shire Office on the south-eastern corner of King Street and Commercial Road, Yarram from Public Purposes Reserve 20 (Municipal Offices) to Commercial A zone. The land is on the northern edge of the existing Commercial A zone and the existing Municipal Offices are suitable for a range of commercial uses, subject to the grant of a town planning permit.

The amendment can be inspected at Shire of Alberton, 161 Commercial Road, Yarram; Department of Planning and Housing, 477 Collins Street, Melbourne; Department of Planning and Housing, 11 Hazelwood Road, Morwell; Latrobe Regional Commission, 43 Grey Street, Traralgon.
