Local Government Act 1958
**RESOLUTION OF THE SHIRE OF CORIO
TO DISCONTINUE A ROAD**

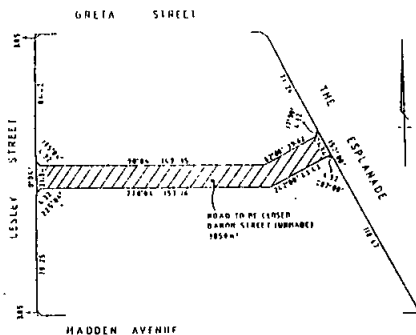

Whereas it is provided in section 528 (2) of the *Local Government (Miscellaneous) Act 1958* that the Council of a Municipality may, if it is of the opinion that a road whether or not a public highway (but not being a road set out on Crown land) or any part of that road is not reasonably required as a road for public use by resolution direct that the road or part of the road specified in the resolution be discontinued after consulting with public statutory authorities as required by the Act and after publishing under a public

notice in a newspaper generally circulating in the Municipal district and giving written notice to the registered proprietor (if any) of the land and the owners and occupiers (if any) of any land abutting or immediately adjacent to the road of the proposal to discontinue and sell the road not less than one month before the date of the meeting at which the resolution to discontinue the road or part of the road is to be considered.

And whereas the Council of the Shire of Corio is of the opinion that Baron Street not being a road set out on Crown land is not reasonably required as a road for public use after having consulted with all required public statutory authorities and not less than one month previously published a public notice in a newspaper generally circulating in the Municipal district and given written notice to the registered proprietors of the land in the said road and the owners and occupiers of any land abutting or immediately adjacent to the said road of the proposal to discontinue the said road and to sell the same (and having considered objections to the proposal in accordance with section 223 of the Local Government Act 1989).

Now therefore the Council of the Shire of Corio does hereby direct:

- (a) That the road shown hatched on the plan produced herewith being Baron Street be discontinued.
- (b) That the land in the said road be sold.

SHIRE OF HASTINGS
Notice of Amendment to a Planning Scheme
Amendment L90

The Shire of Hastings has prepared Amendment L90 to the Hastings Planning Scheme.

The amendment proposes to change the planning scheme by including the colour of external building materials as a consideration when deciding an application in certain zones.

It is important to note that the amendment will not mean that a planning permit is required on the basis of building colour alone.

If considered appropriate, a condition relating to external building colour will be included on a town planning permit, but only if a permit is required due to existing town planning controls. In deciding whether an external building colour condition is necessary, Council will consider the guidelines contained within the Shire of Hastings Building Policy for External Building Colour which was adopted by Council in March 1993.

The amendment can be inspected at the Shire Offices, Marine Parade, Hastings; the Department of Planning and Development, 33-39 High Street, Cranbourne; and the Department of Planning and Development, The Olderfleet Buildings, 477 Collins Street, Melbourne.

Submissions about the amendment must be sent to The Manager, Planning and Development, Shire of Hastings, PO Box 55, Hastings 3915 by 26 April 1993.

EXEMPTION

Application No. 3 of 1993

On 11 March 1993, the Equal Opportunity Board considered an application for exemption pursuant to section 40 (1) of the *Equal Opportunity Act 1984* (the Act) by Ms C. Bradford, Community Services Officer, Shire of Kyneton, concerning the Youth Development Network, Cobaw Area, and issues surrounding the prevention of youth suicide in the Kyneton district.

Upon reading the material tendered in support of the application, the Board is satisfied that it is appropriate to grant an exemption from sections 21 and 59 of the Act to enable this program to retain a balance between male and female youth workers.

In granting this exemption, the Board noted—

The Youth Development Network, Cobaw Area, has been funded for two years under the Commonwealth Rural Support and Education Training Program to deal with the issues surrounding the prevention of youth suicide in the Kyneton area—

The objectives of the youth workers are—

1. To establish contact with young people in the Kyneton district, particularly those at Kyneton Colleges and the young unemployed who—

Victoria Government Gazette

- (a) are engaged in alcohol and drug abuse;
 - (b) have previously attempted forms of self-harm, including suicide;
 - (c) are engaged in appropriate risk-taking behaviour;
 - (d) are survivors of physical and sexual abuse.
2. To provide, to youth and the community, information and access to existing services within the district and outside, if they are the only services available.
 3. To provide local support and training for Kyneton district workers, including police and volunteer counsellors, on issues of youth suicide prevention and for dealing with the aftermath of such crisis situations.

The Board hereby grants an exemption from sections 21 and 59 of the *Equal Opportunity Act 1984*, such exemption to remain in force until 11 March 1995.
