**MELBOURNE PLANNING SCHEME**  
Notice of Amendments  
Amendments L110 and L112

The City of Melbourne has prepared Amendments L110 and L112 to the Melbourne Planning Scheme.

Amendment L110 affects areas outside the Central Activities District and revises the current exempt development provisions contained in Clause 102A of the Melbourne Planning Scheme.

The exempt development provisions contained in Clause 102A generally relate to minor developments such as normal repairs and maintenance which do not change the appearance of a building or works, traffic control works etc.

Amendment L112 revises Parts 1 (Non Central City) and 2 (Central City) of the Local Section of the Melbourne Planning Scheme to simplify statutory controls and to make some minor changes to existing controls and permit requirements. For example, the Amendment duplicates in the Local Section Part 1 (Non Central City) the exemption provisions relating to advertising signs that exist in Local Section Part 2 (Central City). The amendment also consolidates and clarifies controls relating to "demolition" and "construction" in various zones and ensures that where possible controls relating to a piece of land are all contained in the relevant zone.

A copy of the Amendment can be inspected free of charge, during office hours at the following locations:

WARANGA

Notice of Making of Local Law

The Council of the Shire of Waranga at its meeting held on Tuesday, 20 April 1993 did make a Local Law entitled, "Environment, Streets and Roads and Public Places—Local Law No. 2" to replace all existing by-laws (other than that relating to Meeting Procedures which is the subject of proposed Local Law No. 1) and to provide for the regulation of activities within the municipal district of the Shire.

The purposes (objectives) of the proposed Local Law are specifically to—

- (a) to provide a safe and healthy environment and to prevent and remedy all nuisances liable to be dangerous to health or offensive; and
- (b) to protect the amenity and maintain the environmental standard of the municipal district; and
- (c) to enable people to enjoy the use of council land without nuisance or disturbance from other people; and
- (d) to regulate the use of highways and Council land by persons, vehicles and animals in respect to the safety and convenience of people travelling on or using the road, either by foot or vehicles; and
- (e) to maintain the municipal district at all times in a clean and sanitary condition, and to promote recycling and waste minimisation; and
- (f) to control and regulate the activities on roads including trading, the placing of goods and equipment, repairs to vehicles; and
- (g) to recognise and respond to community expectations relating to the quality of life they expect and require and are capable of influencing; and
- (h) to control and prevent behaviour which is a nuisance, or which may be detrimental to health and safety or which affects the enjoyment of recreational or other facilities; and
- (i) to enable the community and visitors and their families who use municipal places that are available to the public to be confident in their choice of the use of those facilities or places; and

- (j) to protect Council and community assets and facilities on or in municipal places; and
- (k) in a way which is consistent with, and in furtherance of, the objectives specified in paragraphs (a) to (j) of this clause to prohibit, regulate and control—
  - (i) behaviour in municipal places which is boisterous or harmful or intimidating;
  - (ii) behaviour in municipal places which is offensive, dangerous or threatening or which, for other reasons, is inappropriate in a municipal place;
  - (iii) the places and times at which alcohol may be consumed;
  - (iv) smoking in specific circumstances and places;
- (l) to provide for peace, order and good government of the municipal district of the Council; and
- (m) to provide for the administration of the Council's powers and functions, and
- (n) to repeal the by-laws listed in clause 1.6 (i.e. all outstanding by-laws of the Council) as these by-laws become redundant upon the making of this Local Law or are no longer required.

The general purport of the proposed Local Law includes specification of what form of regulation exists with a view to achieving the stated objectives. It requires that certain activities may not be undertaken at all or without a permit, allows for conditions to apply to permits, stipulates what amounts to offences, allows for notices to comply to be issued by authorised officers and for offences to be prosecuted either by Court procedure or the issue of infringement notices. The aim of the Local Law is for better regulation of activities within the municipal district.

A copy of the proposed Local Law may be inspected at or obtained from the Shire's Office in High Street, Rushworth.

All interested residents and ratepayers are encouraged to acquaint themselves with the Local Law.
