RICHMOND PLANNING SCHEME  
Notice of Approval of Amendment  
Amendment L27

The Minister for Planning has approved Amendment L27 to the Richmond Planning Scheme.

The amendment comes into operation on the date this notice is published in the *Government Gazette*.

It creates a site specific control for 5 Rotherwood Street, Richmond to allow land to be used as a commercial vehicle park.

A clause has been inserted into the scheme to allow use and development as a commercial vehicle park without a permit. The commercial vehicle park will only be used in conjunction with and during the working hours of the business premises at 80-82 Bridge Road, Richmond. All drainage, paving and layout of carspaces and accessways will be to the satisfaction of the Richmond City Council.

The amendment aims to alleviate some of the pressure for parking during business hours in the Bridge Road shopping centre and act as a buffer between the commercial development in Bridge Road and the residential areas to the south.

A copy of the amendment can be inspected free of charge during office hours at the offices of the City of Richmond, Town Hall, 333 Bridge Road, Richmond and at the Department of Planning and Development, 477 Collins Street, Melbourne.

land at 72 Queens Road, St Kilda. The new control allows a fence with a maximum height of 2.5 metres to be constructed on the site. The fence must be set back at least 5 metres from Queens Road.

The site is proposed to be used as offices by the Indonesian Consulate. The current provisions of the Planning Scheme would not allow a fence higher than 0.3 metres along the Queens Road frontage which is inadequate for security reasons.

Amendment L20 may be inspected at the Department of Planning and Development, Ground Floor, The Olderfleet Buildings, 477 Collins Street, Melbourne or at the City of St Kilda, Municipal Offices, Town Hall, corner Brighton Road and Carlisle Street, St Kilda.

Notice is given of a proposed regulation under section 140 of the *Evidence Act 1958*, in accordance with the provisions of the *Subordinate Legislation Act 1962*.

The objective of the proposed regulation is to ensure, through examinations, appropriate standards for modern day reporting are maintained. The regulation seeks to upgrade the examination standard for a shorthand writers' licence, and to revise the fee payable to sit the qualifying examination for such licence. A Regulatory Impact Statement has been prepared as required by the *Subordinate Legislation Act 1962* and concludes the proposed regulation provides the most equitable, efficient and cost effective method of meeting the objective.

Comments and submissions are invited from interested parties and copies of the Regulatory Impact Statement can be obtained from Ms Catriona Wood, Courts and Tribunals Services
