PROPOSED WATER (ELECTION)
REGULATIONS 1994

Regulatory Impact Statement

A Regulatory Impact Statement has been prepared in relation to the proposed Water (Election) Regulations 1994.

The reason for making the proposed Regulations is to implement the provisions of the *Water Act 1989* as they relate to the conduct of any election for members that some Authorities constituted under the Act may be required to hold. These Regulations do not apply to the Melbourne Water Corporation, the Rural Water Corporation, municipal councils and some other water and river management authorities.

The objective of these proposed Regulations is to provide standard provisions for the conduct of elections which are to be applied in a consistent and uniform manner by those water, irrigation and river management authorities required to hold elections for members. A regulatory impact statement has been prepared in accordance with the *Subordinate Legislation Act 1962*.

The Statement shows that there are no alternatives to making the proposed Regulations, there is no significant financial or social impacts on the community or individuals and that the benefits of making the proposed Regulations outweighs any disadvantages.

Copies of the regulatory impact statement and the proposed Regulations are available from Greg McConnell, Department of Conservation and Natural Resources, Second Floor, 35 Spring Street, Melbourne 3000. Telephone (03) 651 3977.

Written comments and submissions on the proposed Regulations and the regulatory impact statement are invited. Written submissions will be received up to Friday, 30 July 1993 and should be sent to the above address.
