SUNSHINE PLANNING SCHEME
Explanatory Statement
Amendment No. L51

Part 1—This amendment has been prepared by the City of Sunshine and proposes to amend the Local Section of the Sunshine Planning Scheme.

The amendment proposes to rezone the land bounded Hampstead Road and Crefden Street from Public Purpose (Office of Defence Production) Reservation to Manufacturing 3 Zone.

The site is occupied by the Footscray West Mail Centre.

The aim of the amendment is to reflect the Mail Centre's new corporate structure and operation. In addition, the proposed rezoning is considered to be in accordance with State Government policy to accommodate any industrial rezonings within the new manufacturing zones.

Part 2—This amendment has been prepared by the City of Sunshine at the request of the Ministry of Finance and proposes to amend the Local Section of the Sunshine Planning Scheme.

This amendment proposes to create a Road Closure Reservation over a disused right-of-way between Barb Street and Chicago Street, Maribyrnong. No access to adjacent properties is gained from the reserve.

This amendment will enable the vesting of the land in the Minister administering the *Land Act* 1958. The land will then be able to be transferred to adjacent properties as detailed in section 43 of the *Planning and Environment Act* 1987.

Part 3—The controls for the Sunshine District Centre No. 2 Zone (Clause 106) are proposed to be modified to provide some variation to the type of commercial activities which may establish within the zone. Subject to a permit, a shop could be established which has a floor area exceeding 1000 sq. m. and which would normally not appropriately locate within the Sunshine District Centre No. 1 Zone. This could cover a retail activity which does not fall within the peripheral sales definition, but is similar in nature and is preferably located on the periphery of the core retail area. The provisions regarding the preparation of a Development Plan (Clause 106-5) are also proposed to be modified to provide for a development plan to be prepared in stages having regard to land holdings and likely staging of development. A correction is also proposed to be made to the Development

Victoria Government Gazette

Plan provisions (Clause 106-5) where provision for a child minding centre and baby change facilities were inserted. Those provisions are included in the Sunshine District Centre No. 1 Zone and were not intended to be specifically required in the Sunshine District Centre No. 2 Zone.

In Clause 106-1.2 under the heading "Condition" opposite to "Shop" alter to read:

"The floor area within land described in Certificate of Title Vol. 5336 Folio 069 must not exceed 280 sq. m."

"Where a shop requires a floor area exceeding 1000 sq. m. and the nature of the retail activity is such that it would not be appropriate to locate it in the Sunshine District Centre No. 1 Zone."

In Clause 106-1.3 under the heading "Use", after the words "Shop other than Convenience Shop or Take-away Food Premises", add "or where the condition in Section 2 is not met."

In Clause 106-5 after the first paragraph add a new paragraph:

"The development plan may be prepared in stages having regard to land holding and likely staging of development in the zone."

In Clause 106-5 delete the following:

"Provision of a child minding centre to cater for up to 35 children."

"Provision of baby changing facilities and public toilets."

GOVERNMENT NOTICES

NOTICE OF INDEXED BENEFIT LEVELS AND OTHER AMOUNTS IN ACCORDANCE WITH SECTION 100 OF THE ACCIDENT COMPENSATION ACT 1985

Section 100(1) of the Accident Compensation Act 1985 stipulates that amounts in Part IV and in section 5A of the Act are varied on 1 July in each year in line with the movement in the average weekly earnings for all employees in Victoria between the two previous December quarters, using the latest figures published by the Australian Statistician as at 15 June following the previous December quarter. Weekly payments are indexed on the anniversary of the entitlement to weekly payments as detailed in Section 100(2) of the Act.

Section 100(3A) was recently introduced into the legislation to ensure that an amount is not reduced through the indexation process. This section provides that where there is a reduction in average weekly earnings over the relevant period, the amount being indexed is not reduced, but there will be an offset against future indexation increases.

The average weekly earnings for all employees during the December quarters of 1991 and 1992 reduced from \$512.00 to \$504.80. In accordance with section 100(3A), amounts are not reduced at 1 July 1993.
