Planning and Environment Act 1987
BROADMEADOWS PLANNING SCHEME
Amendment L40
Explanatory Report

The City of Broadmeadows has prepared this amendment to the Local Section of the Broadmeadows Planning Scheme.

The amendment affects 2 hectares of land bounded by Hillcrest Drive, Hyton Close, Sandham Road, Hornsby Road and existing residential development. (See proposed amended Planning Scheme Maps.)

The amendment will redefine the existing open space reserve by rezoning part of the Reserved Living zone to Public Open Space and part to Hillcrest Drive Residential zone and rezoning part of the Public Open Space reserve to Hillcrest Park Residential zone.

The amendment has been prepared in consultation with the Urban Land Authority and Jennings Group Ltd who propose to develop the land as a high quality residential estate.

The proposal complies with Government policies on urban consolidation and the provisions of Vic Code. It includes a range of house types to meet different household needs and has been designed to harmonise with the character of the existing neighbourhood which was developed by Jennings.

The amendment will permit subdivision in accordance with Plans of Subdivision that are exhibited with this amendment. It will also provide for a modification to the shape of the Reserve and to a drainage easement.

A Precinct Design Plan has been prepared. This defines the set-backs, building heights and other controls and will be registered on the title for each lot. Each house will need to comply with this plan. A planning permit from Council will be required for any part of a house or carport proposed outside the building envelope defined on the Precinct Design Plan.

Plans for the row of terrace houses facing the Reserve are exhibited with the amendment which will permit their development. Illustrative plans have also been prepared to show how the estate will look upon completion.

The two internal streets will establish a high standard of amenity within the estate. They

incorporate narrow safe pavements and extensive landscaping. Traffic from the development will be distributed on to existing streets so that increases in flows will be minimised.

Under an agreement which forms part of the amendment, the Urban Land Authority will landscape the Reserve and the existing streets at no cost to Council. The planting to the park and existing roads and Reserve will be maintained by the ULA for twelve months. Planting in the new street reserves will be maintained for three months. As each house is completed, Jennings will landscape the front garden. The development of the landscape and Reserve will be a significant contribution to the neighbourhood.

An explanatory statement, a plan and supporting documentation are attached.

The amendment can be inspected at City of Broadmeadows, Municipal Offices, Pascoe Vale Road, Broadmeadows; and Department of Planning and Housing, 477 Collins Street, Melbourne.

Any submissions about this amendment must be sent to City Planner, City of Broadmeadows, Municipal Offices, Pascoe Vale Road, Broadmeadows 3047 by 28 February 1993.
