The SAAP Programme is a Federal/State Programme, administered by the State, where community groups and organisations are funded to provide housing and support to homeless people. There are approximately two-hundred and eighty services funded by the Programme in Victoria. This includes women's refuges and domestic violence services, services for young people, night shelters and other accommodation options for single men and women as well as some support and accommodation for families. Their key goal is to assist homeless people and women escaping domestic violence to gain the resources and skills necessary to obtain and maintain secure accommodation.

The Board hereby grants an exemption from the operation of sections 21 and 59 of the *Equal Opportunity Act 1984*, this exemption to remain in force until 16 November 1996.

WILLIAMSTOWN PLANNING SCHEME
Notice of Amendment
Amendment L25

The City of Williamstown has prepared Amendment L25 to the Williamstown Planning Scheme.

The amendment affects 9-229 hectares of land fronting the western most side of Melbourne Road and northern most side of Power Street, Newport. The land comprises Crown Allotment 203A, Parish of Cut Paw Paw.

The amendment proposes to change the Planning Scheme by—

1. Rezoning part of the land from Railway Reserve to Restricted Business zone (87 675 square metres) and including the balance of the land within a Public Open Space Reserve (4615 square metres).

2. Introducing site specific controls which will apply to the use and development of the land and provide:

Limits on the total amount of shop floorspace, peripheral sales floorspace and number of highway orientated retail uses as follows:

(a) Shop—the gross leasable floor area must not exceed 15 500 square metres;

(b) Peripheral Sales—the gross leasable floor area must not exceed 4000 square metres; and

(c) No more than four highway orientated uses may front Melbourne Road.

The land may only be developed in accordance with a town planning permit issued by the responsible authority.

The land may only be developed in accordance with the Concept Plan forming part of the amendment and guidelines which provide:

Landscaped setback areas;

No vehicle access is to be provided to or from the land and Power Street;

On site parking, vehicle access and traffic management measures must be provided to satisfy the needs generated by the proposed use of the land;

The design, height and appearance of any buildings on the land must have regard to the visual streetscape character and amenity of Melbourne Road and surrounding historic areas.

3. Including a Concept Plan as an incorporated document in the Planning Scheme to:

Define the minimum dimensions of the perimeter landscaped setback areas;

Define the area within which the primary point of vehicle access to Melbourne Road is to be located; and

Prohibit vehicle access to and from Power Street.

A copy of the amendment can be inspected free of charge during office hours at the City of Williamstown Municipal Offices, Town Planning Department, 208 Hall Street, Spotswood and at the offices of the Department of Planning and Development, Ground Floor, 477 Collins Street, Melbourne.
