GENERAL INFORMATION : - continued

Century-Yuasa Batteries Pty Ltd - continued

Warranty Period

Twelve (12) month warranty applies to all but Deep Cycle batteries. The guarantee period for Deep Cycle batteries is six (6) months. The warranty applies Australia wide. The warranty does not apply if a battery fails because of damage caused by : incorrect connection of the battery to a vehicle, abuse, neglect or overcharging.

Guarantee/Warranty

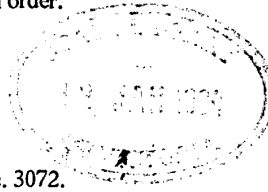

Century will repair or replace the battery free of charge within the specified period from date of purchase, if Century's standard tests prove the battery failed due to faulty workmanship and/or materials. This warranty is in addition to any condition or warranty imposed or implied by any laws in force in Australia. The original purchase docket should be presented when making a claim otherwise the sale code stamped on the battery will be used to determine the length of service.

Delivery

FIS metropolitan area. Country areas FIS when delivered by a Century representative or FOB Spencer Street. All deliveries will be within 2 - 7 days of receipt of official order.

Battery Selection —

There are generally several different batteries which can suit a particular application. Accordingly, individual battery codes are not stated. The rates shown in this publication refer to the most common battery in each category. Purchasers (except Police for Police Pursuit Vehicles) should contact Century-Yuasa Batteries Pty Ltd to determine the most suitable battery type and code for the proposed application. Rates quoted by the contractor can be verified by contacting the State Tender Board (03) 616 8666.
