NOTICE OF AMENDMENT TO A
PLANNING SCHEME
Amendment L34

The City of Dandenong has prepared Amendment L34 to the Dandenong Planning Scheme.

The amendment changes the Local Section of the Dandenong Planning Scheme.

The amendment effects land known as the Dandenong East Primary School No. 1403, Foster Street, Dandenong and will add the primary school administration building and attached classrooms to the table to Clause 120A as an acknowledgment of the buildings significant value to the City of Dandenong. Council last year through Amendment L23 introduced heritage controls into its planning scheme and this addition is consistent with its objectives of the controls that acknowledge significant heritage buildings within the Municipality. A statement of the history and significance of the building accompanies the amendment.

The proposed controls do not prohibit new buildings, works, subdivision, demolition and/or alterations to the buildings but requires a planning permit to be obtained first. This will provide Council with the opportunity to effectively consider the heritage value of the school buildings and to consider any proposed alteration on its merits.

The amendment can be inspected at the City of Dandenong, Town Planning Section, Municipal Offices, 39 Clow Street, Dandenong and the Department of Planning and Development, Ground Floor, Oldfleet Building, 477 Collins Street, Melbourne.

**EXEMPTION FROM NOTIFICATION OF
VACANCY UNDER SECTION 29 (2) OF
THE PUBLIC SECTOR MANAGEMENT
ACT 1992**

Position No. 60/15/0746/4, (F)
Administrative Officer, Class AM-7,
Coordinator, Graduate Recruitment Scheme,
Office of the Public Service Commissioner.

Reasons for Exemption

Exemption from advertisement in the
Victorian Public Service Notices is granted for
the 18 month fixed term vacancy because of
previous recruitment difficulties within the
public service. The position was advertised in
the Age on 18 June 1994 and will be filled on the
basis of merit.

P. R. SALWAY
Acting Public Service Commissioner

EXEMPTION

Application No. 11 of 1994

On 28 June 1994 The Equal Opportunity
Board considered an application pursuant to
section 40 (1) of the *Equal Opportunity Act
1984* ("The Act") by the Chief Executive
Officer, Westadd Inc., 49 Nicholson Street,
Footscray for the purposes of employing a
Vietnamese project officer.

Upon reading the material in support of the
application, the Board is satisfied it is
appropriate to grant an exemption from sections
21 and 59 of the Act.

In granting this exemption the Board noted—

*The Needle/Syringe Exchange Program is
an HIV/AIDS Prevention/Education program
and provides injecting equipment for injecting
drug users (IDU). The program has been

operating in Footscray for over 4 years. During that time contact has been built up with the Vietnamese IDU to where 40% of clients are Vietnamese males who inject drugs.

*The Needle/Syringe Exchange Program has just received a funding grant from Department of Health and Community Services (H&CS) specifically to employ a Vietnamese Project Officer.

*The relevant position is a community development position and requires someone who understands the Vietnamese culture, speaks both Vietnamese and English. The person would need to relate to male Vietnamese injecting drug users and be aware of the range of issues confronting these clients. Many issues are of a sensitive nature and would require background knowledge of the impact of injecting drug use on Vietnamese males and also the broader Vietnamese community (ie: those Vietnamese people who do not use injecting drugs).

The Board hereby grants an exemption from the operation of sections 21 and 59 of the **Equal Opportunity Act 1984**. This exemption to remain in force until 27 June 1997.
