Subordinate Legislation Act 1962 VICTORIA STATE EMERGENCY SERVICE REGULATIONS 1994

Regulatory Impact Statement

Notice is given that a Regulatory Impact Statement (RIS) has been prepared in relation to the Victoria State Emergency Service Regulations 1994. The Regulations are required to replace the Victoria State Emergency Service Regulations 1984 which sunsetted on 6 March 1994.

2262 G 33 18 August 1994

Victoria Government Gazette

The objective of the Regulations is to provide an improved, effective and efficient emergency service to the Victorian public by providing for the identification of members, ensuring high standards of training and discipline and ensuring the prudential management of monies and assets.

The RIS examined, as an alternative to the proposed Regulations, the use of standing orders issued by the Director to achieve its objectives.

The RIS rejected the alternative due to the lack of penalties for improper use of the insignia, the lack of power to penalise members for disciplinary offences, the limited applicability to non-members, the possible lack of stability caused by frequent change without consultation and the lesser respect given to standing orders.

The RIS concluded that the proposed Regulations were the most effective means of achieving the stated objectives.

Public comments are invited on the RIS and the accompanying Regulations. Copies may be obtained by contacting Joan Walter, Fire and Emergency Services Division, Police, Emergency Services and Corrections Directorate, Department of Justice, 7/167 Queen Street, Melbourne 3000 or on (03) 603 2600.

Written submissions will be received at the above address up to and including 9 September 1994.

All submissions will be treated as public documents.
