CRANBOURNE PLANNING SCHEME
Notice of Approval of Amendment
Amendment L33

The Minister for Planning has approved Amendment L33 to the Local Section of the Cranbourne Planning Scheme.

The amendment comes into operation on the date this notice is published in the Government Gazette.

The amendment rezones a portion (1.2 ha) of Lot 2, R-124, fronting Homestead Road, Langwarrin from Conservation (Landscape) to Residential (Urban).

The Residential (Urban) zoning combined with the existing Reserved Living overlying control will enable subdivision of the rezoned portion for housing. This rationalises the north-eastern boundary of the Langwarrin urban area by inclusion of the affected site, which is just within the urban drainage catchment, and ensures more efficient use of existing infrastructure.

A copy of the amendment can be inspected free of charge during office hours at the Department of Planning and Development, Ground Floor, 477 Collins Street, Melbourne and at the offices of the City of Cranbourne, 140-160 Sladen Street, Cranbourne.

The first is to the Rural C Zone to increase the maximum permitted density of dwellings from one house per 10 hectares to one dwelling per 9 hectares. The other changes are to the Rural A, B, C and D Zones to allow the subdivision of land to create two lots by the excision of one lot of not greater than 2.0 hectares which contains an existing occupied dwelling and the applicant enters into a section 173 agreement that no further dwellings shall be erected on the residue lot.

A copy of the amendment can be inspected free of charge during office hours at the Department of Planning and Development, Ground Floor, 477 Collins Street, Melbourne and at the offices of the Shire of Shepparton, 21 Nixon Street, Shepparton.
