DONCASTER AND TEMPLESTOWE PLANNING SCHEME Notice of Amendment Amendment L89

Manningham City Council has prepared Amendment L89 to the Doncaster and Templestowe Planning Scheme.

The amendment inserts a site specific provision into the Residential D Zone which specifies that the use of the land at 21-31 McDonald Avenue, Templestowe (Lot 3, PS 314610W) for a detached house is as-of-right. Because the area of the land is below 4000 m², if the existing dwelling on the land was destroyed or badly damaged, the continued use of the land for a dwelling would be subject to a degree of uncertainty. The amendment would confer on the subject land the same rights for redevelopment as are applicable to surrounding properties in the Residential D Zone.

A copy of this Local Law is available for inspection at the Kerang Office, 71 Wellington Street, Kerang or the Cohuna Office 23-35 King Edward Street, Cohuna during business hours.

The Mornington Peninsula Shire Council, has prepared Amendment L68 to the Hastings Planning Scheme.

The amendment is administrative in nature and makes the following changes to the Local Section of the Hastings Planning Scheme:

1. The Port Related Uses and Reserved Port Related Uses zones will be changed to remove a list of uses from the Section 1 table and include them in Section 2. COLAC OTWAY PLANNING SCHEME
Notice of Amendment
Amendment L2
Application for Works Approval Application
No. 26167

The Colac Region Water Authority proposes to construct a wastewater treatment plant to serve the Apollo Bay, Marengo and (in future) Skenes Creek communities.

An Environment Effects Statement (EES) has been prepared which identifies and assesses the potential environmental impacts associated with siting a proposed wastewater treatment plant at each of three (3) alternative sites, and concludes by recommending one (1) specific site as the preferred location for the plant. The EES was placed on exhibition on 21 April 1995 and a public notice of its exhibition was advertised in the Colac Herald on 21 April 1995 and in The Age on 22 April 1995.

The Environment Protection Authority has received the following application to issue a Works Approval which permits work to be

undertaken which will result in a discharge of waste to the environment or an increase or alteration in an existing discharge.

Applicant: Colac Region Water Authority.

Address of Site: Within Lot 2, PS 316370E (south of Piggery Lane), Parish of Krambruk, Shire of Colac Otway.

Application No.: WA26167.

Reason for Application: Establishment of a Wastewater Treatment Plant.

The Shire of Colac Otway, as planning authority, has prepared a planning scheme amendment. The effect of this amendment will be that, subject to the Shire of Colac Otway giving its approval for all the required buildings and works, the wastewater treatment plant can be constructed on the recommended site and all the associated pipelines, pumping stations, buildings and works can be constructed as and where necessary. The Shire of Colac Otway will be able to impose conditions on its approval.

A copy of the EES and Summary Brochure, the Planning Scheme Amendment, the application for Works Approval and the accompanying plans, specifications and other information will be on display at the following locations: Department of Planning and Development, Information Centre, Ground Floor, 477 Collins Street, Melbourne; corner Fenwick and Little Malop Streets, Geelong; Colac Otway Shire, 2 Rae Street, Colac; Nelson Street, Apollo Bay; Colac Region Water Authority, 42-48 Hesse Street, Colac; 5 Pascoe Street, Apollo Bay; 90-94 Polwarth Street, Lorne; The State Library, Reference and Information Section, Ground Floor, 328 Swanston Street, Melbourne; Municipal libraries in the Colac Otway Shire; Greens Bookshop, 247 Flinders Lane, Melbourne or Environment Victoria, Level 2, 19 O'Connell Street, North Melbourne.

A copy of the above documents relating to the EPA Works Approval application will also be on display at the EPA offices at the Olderfleet Building, 477 Collins Street, Melbourne, (telephone (03) 628 5111) or at the Geelong Regional Office, corner Fenwick and Little Malop Streets, Geelong, (telephone (05) 26 4825).

Copies of the EES (cost \$15), Appendix of Technical Reports (cost \$15) and Summary Brochure (free) can be obtained from the Colac Region Water Authority offices. A copy of the Works Approval Application may be obtained (cost \$8) from the EPA offices.

1184 G 19 18 May 1995

Submissions in writing relating to the EES, Planning Scheme Amendment and the EPA Works approval application are invited from members of the public and interested parties until 23 June 1995. Comments on the Planning Scheme amendment or the EPA Works Approval application should be made as, or included in, a submission on the EES. Furthermore, comments on the EPA Works Approval application should be clearly identified as such. Submissions should be forwarded to the Manager, Planning and Special Projects, Colac Otway Shire, PO Box 283, Colac, Victoria 3250.

Submissions lodged will be treated as public documents. Copies of the submissions will be forwarded by the Shire to the Colac Region Water Authority and the Chief Assessment Officer at the Department of Planning and Development. Submissions which explicitly include comments on the EPA Works Approval application will be forwarded to the EPA.

Following the public exhibition period and receipt of submissions, a panel inquiry is expected to be convened, if required, at which persons may be heard in respect of their submissions.

Persons lodging submissions should state whether or not they wish to be heard at the panel hearing. After the inquiry, a report will be made to the Minister for Planning who will in turn provide an assessment of the EES for consideration by the Colac Otway Shire in deciding whether to adopt the Planning Scheme Amendment and for consideration by the EPA in making a decision on the issue of a Works Approval.

Those making submissions which include comments on the EPA Works Approval application should note that, because the Works Approval application has been jointly advertised with the notice of the Planning Scheme amendment for the same proposal, there will be no provision for a separate appeal to the Administrative Appeals Tribunal in relation to the Works Approval. These submissions will be considered at the same panel inquiry which will consider the submissions relating to the EES and the Planning Scheme amendment.
