A Regulatory Impact Statement has been prepared in relation to the proposed Administration and Probate (Deposit of Wills) (Fees) Regulations 1995.

Written submissions on the Regulatory Impact Statement and the accompanying draft regulations will be received up to 28 days from the date of publication of this notice. All submissions will be treated as public documents.

EXEMPTION

Application No. 11 of 1995

The Equal Opportunity Board has considered an application pursuant to section 40 (1) of the **Equal Opportunity Act 1984** ("the Act") by Dr A. Glover for and on behalf of the Brunswick

Medical Group to enable the appointment of a female general practitioner to the medical practice.

Upon reading the material tendered in support of this application, the Board is satisfied that it is appropriate to grant an exemption from sections 21 and 59 of the Act.

In granting this exemption the Board noted:

- * The medical practice consists of five male doctors and one female. The practice receives at least 5 to 6 requests for consultations with the female doctor from patients on a daily basis which it is unable to provide as the female doctor is fully booked. This has resulted in situations of medical risk to female patients.
- * The Brunswick Medical Group is situated in an area with a large and growing Muslim population. Many of these women will not see male doctors.

The Board hereby grants an exemption to the Brunswick Medical Group in respect of the appointment of a female Medical Practitioner from the operation of sections 21 and 59 of the **Equal Opportunity Act 1984**, this exemption to remain in force until 1 June 1995.
