GREATER BENDIGO PLANNING SCHEME
Notice of Amendment to a Planning Scheme
Amendment L19

(Item 1: Bendigo and Item 2: Eaglehawk)

The City of Greater Bendigo has prepared Amendment L19 to the Greater Bendigo Planning Scheme which introduces new heritage controls to the Bendigo and Eaglehawk areas.

The amendment is based on the findings and recommendations of the Bendigo and Eaglehawk Heritage Study released in July 1993. It proposes two types of heritage controls which will protect and enhance both individually significant properties and identified urban and landscape heritage precincts. The provisions will act as overlay controls and will work in conjunction with the existing zoning of properties. They will generally require permission for new buildings and any demolition, alterations or extensions of existing buildings. In many cases, development which complies with conditions will be exempt. Places listed on the Register of Historic Buildings may be used for a purpose which would otherwise be prohibited, with a permit.

The provisions aim to protect the historic integrity of identified areas and individual places using performance based controls which encourage informed heritage management through effective consultation and minimising the requirement for permits.

The amendment can be inspected at City of Greater Bendigo, Planning Department, 34 Mundy Street, Bendigo; Department of Planning and Development, Ground Floor, 477 Collins Street, Melbourne or at Department of Planning and Development, 426 Hargreaves Street, Bendigo.

You may make a submission for or against the amendment by writing to Mr Peter Seamer, Chief Executive Officer, City of Greater Bendigo, PO Box 733, Bendigo, Victoria 3550. Submissions must be received by 17 August 1995.

MARIBYRNONG PLANNING SCHEME
Notice of Amendments
Amendments L1 and L2

The City of Maribyrnong has prepared amendments L1 and L2 to the Local Section of the Maribyrnong Planning Scheme.

The amendments are being run separately but concurrently with:

Amendment L1—relating to Stages 1 & 2 and

Amendment L2—relating to Stage 3 of the Braybrook-Maidstone Redevelopment Masterplan.

Amendment L1 affects both privately and publicly owned properties bounded by South Road, Duke Street, Myalla Street, Darnley Street, Lily Street, Hargreaves Crescent, Vine Street, Churchill Avenue, Joy Street, Melrose Street, Oak Court (part), and Kingsford Street.

Amendment L2 affects both private and publicly owned properties bounded by South Road, Joy Street, Oak Court (part), Adamson Street, Churchill Avenue, Ashley Street, Hampden Street, Crothers Street, and Melon Street.

Amendments L1 and L2 are identical. However, Amendment L2 (affecting Stage 3 of the overall master plan) has been designated a separate amendment to allow the 300 metre buffer recommended by the Environment Protection Authority around the industrial area abutting South Road and Ashley Street to be tested.

Amendment L2 seeks to increase the residential density (within the recommended 300m buffer zone), as there is no evidence of danger to health in the proposed buffer area.

The amendments propose to change the Planning Scheme by introducing overlay controls which will:

- guide the future use and development of Office of Housing properties within the areas bounded by the new scheme maps;
- require scheduled development contributions to be levied on the owner of any land within the Braybrook Precinct Plans at the time of development or subdivision;
- enable housing developments to be adopted by Council without requiring a town planning permit if the specified densities and development guidelines established by the amendments are satisfied. Development Plans will still require Council approval and will require consultation with adjoining owners but will not lead to the right to appeal against a Council (or delegate) decision.

Amendments L1 and L2 can be inspected at the offices of the City of Maribyrnong, corner Napier Street and Hyde Street, Footscray; Department of Planning and Development, Olderfleet Building, 477 Collins Street, Melbourne; Maribyrnong Library Service, 56 Paisley Street, Footscray; West Footscray Library, 539 Barkly Street, West Footscray; Highpoint Library, Rosamond Road, Maribyrnong; Braybrook Youth Centre—Skinner Reserve, Churchill Avenue, Braybrook; Braybrook/Maidstone Community Health Centre, Churchill Avenue, Braybrook or at Sunshine YCW Sports Centre, Lily Street, Braybrook.

SPRINGVALE PLANNING SCHEME

Notice of Amendment to a Planning Scheme Amendment L91

The City of Kingston has prepared Amendment L91 to the Local Section of the Springvale Planning Scheme. The amendment affects land on the north east corner of Narelle Drive and Kearney Drive, Aspendale.

A shopping centre development approved by the City of Springvale is to be erected on site. The purpose of the amendment is to reduce the car parking requirement from 253 car parking spaces to 223. The planning scheme provides a range of between 4 to 8 car parking spaces per 100 square metres of gross leaseable floor space. The reduction to 223 spaces is providing car parking at a ratio of 6 spaces per 100 square metres. This is considered appropriate for this site.

The City of Springvale agreed to this request so as to improve the landscaping between the site and the community centre to the south and improve outdoor public space to the north.

1712 G 26 6 July 1995

The amendment proposes changes to the planning scheme by modifying clause 104-5 of the Springvale Planning Scheme by reducing the car parking provision for this site from 253 to 223 car parking spaces.

The amendment can be inspected at the following offices at the City of Kingston, Moorabbin Office, 997 Nepean Highway, Moorabbin; Department of Planning and Development, 477 Collins Street, Melbourne; Chelsea Office, Station Street, Chelsea or at the Mordialloc Office, Brindisi Street, Mentone.

Submissions about the amendment must be sent to the City of Kingston, PO Box 21, Moorabbin 3189 by 9 August 1995.
