The City of Greater Dandenong has prepared Amendment L89 to the Local Section of the Springvale Planning Scheme.

The amendment affects land at the north-east corner of Cheltenham Road and Springvale Road, Keysborough.

The amendment proposes to change the planning scheme by amending Clause 106-10.3 as follows:

- (ii) deleting reference to an Amendment required for a Leisure Centre, as such Centre (Springers) has been erected on the south side of Cheltenham Road;

types of peripheral sales uses must not be on sites with a Springvale Road or Cheltenham Road frontage:

WERRIBEE PLANNING SCHEME

Notice of Amendment Amendment L76

Wyndham City Council has prepared Amendment L76 to the Local Section of the Werribee Planning Scheme.

The amendment relates to the Derrimut Road Rail Underpass project and its preparation follows an extensive community consultation process regarding the final concept of the functional layout and proposed alignment for the underpass. The proposed alignment is, for the most part, contained within a Proposed Secondary Road Reservation that has been shown on planning scheme maps since 1982. However, some relatively minor changes to the

Werribee Planning Scheme are now required so that the proposed alignment is located wholly within the planning scheme reservation.

The amendment also proposes to rezone (to residential) those sections of the Proposed Road Widening and Proposed Secondary Road Reservations which have become surplus to the requirements for the proposed underpass and roadway and which have the potential to be developed for some other purpose.

The amendment proposes to change the Local Section of the Werribee Planning Scheme by:

1. rezoning land to slightly modify the existing Proposed Secondary Road Reservation located generally between Railway Avenue in the north and Princes Highway in the south. The main modification proposed is to relocate the road reservation slightly to the east of the present alignment so that all land required for the underpass project is included in the reservation.
2. rezoning, to Residential C zone, four parcels of land located outside the proposed road alignment. All four parcels are currently included in the Proposed Road Widening and Proposed Secondary Road Reservations. Two parcels of land are located at the eastern end of Tyrone Street, immediately west of the alignment, whilst the remaining two parcels of land are located at the bend in Derrimut Road, north of Railway Avenue.

The amendment can be inspected free of charge during office hours at Wyndham City Council Civic Centre, 45 Princes Highway, Werribee and at the Department of Planning and Development, Olderfleet Building, 477 Collins Street, Melbourne.

Submissions about the amendment must be sent to Wyndham City Council, P.O. Box 197, Werribee 3030. The closing date for submissions is 17 September 1995.

**Notice of Modification of a Water Management
Scheme for Cobram**

Pursuant to section 215 (4) of the **Water Act 1989** and on behalf of the Minister for Natural Resources, the Cobram Community Consultative Committee, a committee established by the Minister under section 214 of the Water Act, hereby gives notice of modifications to a water management scheme for Cobram.

The following modifications have been made in relation to the Scheme.

1. The standard of protection for levees adjacent to the Murray River shall be 600 mm above the flood levels which would be reached if the design flow was fully confined to within the existing levee system.

2. The town's north east drainage dam and two pump stations shall be protected by a realignment of the proposed levees.

3. Three levees in the vicinity of Cavagna's levee shall be constructed as brick or masonry walls or as earth levees at the discretion of the constructing authority.

4. The standard of protection for a levee wall proposed along River Road shall be as per item 1 above, and the secondary levee system behind the Burke Court area shall be deleted.

5. A proposed intercepting levee downstream and inland from Dick's levee shall be deleted from the Scheme.

6. Intercepting levees proposed to protect Cobram from flooding from the west shall be deleted from the Scheme.

7. Dick's levee is to be strengthened but not raised.

Plans of the modified scheme may be inspected at the Shire of Moira's Offices in Station Street, Cobram and Melville Street, Numurkah and at the Melbourne Office of the Department of Conservation and Natural Resources, 4th Floor, 232 Victoria Parade, East Melbourne.

People who may wish to seek a review of this decision have a right of appeal, pursuant to section 215 (5) of the **Water Act 1989**, to the Administrative Appeals Tribunal, 55 King Street, Melbourne 3000 for a review of the modifications.

Notice of Decision

I, Charles Geoffrey Coleman, Minister for
Natural Resources and Minister responsible for
administering the **Fisheries Act 1968**, give
notice under section 12 of the **Subordinate
Legislation Act 1994** that I have decided that
the proposed Fisheries (Commercial)

A regulatory impact statement (RIS) was
prepared in relation to the proposed
Regulations and advertised inviting public
comment and submissions. One submission
was received commenting on various issues

relating to the proposed Regulations and in
particular, regulations 12 (1) (1A) (b) and (e)
and 12 (1B) (a). After considering these
comments, the following amendments have
been made to the proposed Regulations—

- (a) the licence conditions will require
licence holders to notify the Secretary
if they intend to dive for mussels at any
time during the licence period, rather
than before the end of October as had
been proposed in the RIS; and
- (b) the conditions will require that the red
colouration must be clearly visible in
the liquid in which the mussels are
held, rather than on the mussel itself as
was proposed in the RIS; and
- (c) several other minor amendments have
been made to the Regulations to clarify
certain matters.
