ROAD SAFETY (TRAFFIC) REGULATIONS
50 km/h LOCAL TRAFFIC PRECINCT
SPEED LIMITS

In accordance with the provisions of the Subordinate Legislation Act 1962 notice is given of the proposal to amend the Road Safety (Traffic) Regulations 1988 to permit 50 km/h Local Traffic Precinct speed limits.

A Regulatory Impact Statement has been prepared as required by the Subordinate Legislation Act.

The objectives of the proposed amended regulation are to improve road safety in local precincts and to minimise the cost to the community of implementing 50 km/h local traffic precinct speed limits.

It is proposed that when entering these precincts drivers will face a 50 km/h speed limit sign which will require them to comply with this speed limit until they observe an end local traffic precinct sign. The streets in the local precinct will be required to have road environments that meet the existing criteria for 50 km/h speed zones described in VicRoads' speed zoning guidelines (Traffic Engineering Manual Vol 1 Section 7, Ed 1 Rev 2, March 1994).

The Regulatory Impact Statement concludes that the proposed regulation provides the most cost effective means of achieving the objectives.

Comments and submissions are invited from interested parties and should be forwarded to the General Manager Road Safety, VicRoads, 4th Floor, 60 Denmark Street, Kew, Victoria 3101.

Copies of the Regulatory Impact Statement may be obtained either by writing to the above address or by telephoning 9854 2632.

Any inquiries regarding the content of the statement should be directed to Mr Michael Tziotis on 9854 2711.

The closing date for submissions is 28 days from the publication of this notice.

CRIMINAL INJURIES COMPENSATION
REGULATIONS 1995**

Regulatory Impact Statement
Department of Justice Victoria

A Regulatory Impact Statement has been prepared in relation to proposed Criminal Injuries Compensation Regulations.

The major objectives of the proposed regulations are to establish procedural standards for documentation in matters before the Crimes Compensation Tribunal and to ensure provision of appropriate levels of compensation by setting ceilings to awards.

The statement examines the need for prescribing forms of documentation and concludes that use of such forms is in the public interest. The statement also examines the amounts of compensation being typically awarded and concludes that the existing ceilings of \$20,000 for pain and suffering and \$50,000 as an overall limit remain appropriate.

Public comments and submissions on the Regulatory Impact Statement are invited. Copies of the Regulatory Impact Statement may be obtained by telephoning Mr John Isaacs on (03) 603 2519.

Written submissions on the Regulatory Impact Statement and the accompanying draft regulations will be received up to 28 days from the date of publication of this notice. All submissions will be treated as public documents.

Submissions should be addressed to: Mr John Isaacs, Courts and Tribunals Services Division, Department of Justice, Level 11/167 Queen Street, Melbourne 3000.

Electricity Industry Act 1993 ORDER UNDER SECTION 163A

Order determining fees payable in respect of the licence to sell electricity to franchise customers issued under Part 12 of the Electricity Industry Act 1993 to United Energy Limited (ACN 064 651 029).

Whereas:

A. United Energy Limited (the licensee) is the holder of a licence under Part 12 of the Electricity Industry Act 1993 (the Act) authorising it to sell electricity to franchise customers (a retail licence).

B. The licensee is also the holder of a licence under Part 12 of the Act authorising it to distribute electricity for supply, and to supply electricity, within the distribution area specified in the licence (a distribution licence) and is a distribution company for the purposes of the Act.

C. Insofar as the retail licence authorises the licensee to sell electricity to franchise customers (as defined in the Act) in relation to facilities in the distribution area where the licensee is authorised to distribute electricity for supply, and to supply electricity, under its distribution licence, the licence so conferred is an exclusive licence.

D. Under section 163A of the Act the licensee is required to pay to the Treasurer, in respect of each financial year during which it holds, or held, an exclusive licence under Part 12 of the Act to sell electricity to franchise customers, the impost determined in respect of that year by Order of the Governor in Council, on the recommendation of the Treasurer, published in the Government Gazette before 30 June 1996 in the case of the impost in respect of each year ending on 30 June in the period beginning on 30 June 1996 and ending on 30 June 2001.

E. Having had regard to:

- (a) the terms of the Orders made on 20 June 1995 and 8 August 1995 under section 158A of the Act;
- (b) the value of the property and rights vested in the licensee under Parts 10 and 11 of the Act, as specified in the allocation statements made under Parts 10 and 11;
- (c) the amount of liabilities that became liabilities of the licensee under Parts 10 and 11 of the Act, as specified in the allocation statements made under Parts 10 and 11;
- (d) the likely number of franchise customers of the licensee in each of the years referred to in paragraph D above; and
- (e) such other matters as the Treasurer has determined after consultation with the licensee,

the Treasurer is satisfied that the amounts set out in this Order in respect of each of the financial years ending on 30 June 1996, 30 June 1997, 30 June 1998, 30 June 1999, 30 June

2000 and 30 June 2001 reasonably represent the amounts by the which the income of the licensee derived from the sale of electricity to franchise customers in each such year is likely to exceed the sum of—

- (i) the costs of deriving the income; and
- (ii) taxes payable in deriving that income; and
- (iii) the amount determined by the Treasurer to be a reasonable return on the capital of the licensee used in deriving that income,

and the Treasurer has accordingly recommended to the Governor in Council that the amounts set out in this Order be determined in respect of the licensee and each such year under section 163A of the Act.

Now therefore, the Governor in Council acting under section 163A of the Act orders that:

1. Amounts payable

The amount payable by the licensee under section 163A of the Act:

- (a) in respect of the year ending 30 June 1996 is \$59,900,000 (escalated in accordance with clause 2), payable in four equal instalments on 15 October 1995, 15 January 1996, 15 April 1996 and 15 July 1996;

- (d) in respect of the year ending 30 June 1999 is \$62,300,000 (escalated in accordance with clause 2), payable in four equal instalments on 15 October 1998, 15 January 1999, 15 April 1999 and 15 July 1999;
- (e) in respect of the year ending 30 June 2000 is \$64,100,000 (escalated in accordance with clause 2), payable in four equal instalments on 15 October 1999, 15 January 2000, 15 April 2000 and 15 July 2000; and

- (f) in respect of the year ending 30 June 2001 is \$19,400,000 (escalated in accordance with clause 2), payable in two equal instalments on 15 October 2000 and 15 January 2001.

2. Escalation

Where an amount is expressed in this Order to be escalated in accordance with clause 2, the escalated amount is the amount derived by applying the following formula:

$$EA = A \times \frac{B}{C}$$

where

EA is the escalated amount;

A is the amount expressed in the Order as being escalated in accordance with this clause;

B is the consumer price index number in respect of the relevant quarter; and
