EXEMPTION FROM NOTIFICATION OF
VACANCY UNDER SECTION 29 (2) OF
THE PUBLIC SECTOR MANAGEMENT
ACT 1992

The Secretary to the Department of Justice

Victoria Government Gazette

Position No. 18/05/0252/8, VPS-2,

recognise a demonstrated and significant shift
in work value in a specialised area of work, the
incumbent is an officer who is recognised as
satisfactorily discharging all the requirements

considers that it is unlikely that advertising the
vacancy would attract a more suitable
candidate.

Parliamentary Committees Act 1968
TERMS OF REFERENCE FOR REVIEW OF
THE PRACTICE OF IMMOBILISING AND
REMOVING TRESPASSING VEHICLES ON
PRIVATE PROPERTY

Under the powers found in section 4F (1) (a) (ii) and section 4F (3) of the **Parliamentary Committees Act 1968** the Governor in Council refers the following matters to the Community Development Committee—

- (a) The Committee is requested to inquire into, consider and report to the Parliament on issues concerning the removal or immobilisation (wheel-clamping) of vehicles trespassing on private property ("trespassing vehicles") to the extent that such issues affect the general community. In particular, the Committee is requested to consider—

- * whether the practice of immobilising or removing trespassing vehicles affects the general community welfare by presenting a source of conflict or potential conflict within the community with the potential for confrontation and/or violence;

- * whether the current law in Victoria satisfactorily balances the rights of a trespassing vehicle owner against the rights of a land owner/occupier;

- * whether the immobilisation or removal of a trespassing vehicle should constitute an offence or cause of action against the property owner and/or company responsible for immobilising or removing the trespassing vehicle;

- * whether any legislation should be introduced to address community concern regarding current practices of removing or immobilising trespassing vehicles; and

- * whether any other option or options exist to address community concern about practices of removing or immobilising trespassing vehicles having regard to a land owner/occupier's right to quiet possession of his or her land.
