In many instances, it provides for the issue of a Notice to Comply with the local law setting out what needs to be done and within what time. It allows for certain goods and animals to be impounded, provides procedures for recovery of those goods or animals, provides standards guiding the use of some discretions of Shire officers and authorises officers to pursue penalties for non compliance either by infringement notices or by Court prosecution.

ARARAT PLANNING SCHEME
CHAPTER 2 LOCAL SECTION

Notice of Amendment to Planning Scheme
Amendment L2

The Rural City of Ararat has prepared Amendment L2 to the Ararat Planning Scheme—Chapter 2 Local Section.

The amendment affects land which forms part of and adjoins Marian College.

1. The College ground is currently divided by an existing road which restricts development and causes safety problems. In order to provide efficient and safe development and use of the land it is proposed to close part of the road which traverses the school. The section of road proposed to be closed has frontage to Princes Street and Crown Allotments 5, 6, 7, 8, 9, 10 and 12 (to the north) and 13, 15, 16, 17, 18, 19 and 20 (to the south), Section 10, Township of Ararat.

The balance of the road to remain open will be that piece of land fronting King Street including property numbers 294–298 Barkly Street being Crown Allotments 2 and 3, Section 10, Township of Ararat. To provide efficient and easy vehicle

manoeuvrability for the properties which front the road it is proposed to construct a cul de sac or court bowl at the end of the road. A carriageway easement will be created over that section of land currently not incorporated within the road. This will ensure unrestricted use of the land for access. The creation of the right of carriageway, and construction of the cul de sac on land is the ownership of Marian College in separate to the Planning Scheme amendment process.

2. It is also proposed to rezone part No's 300-302 Barkly Street, and 40 King Street, Ararat, being Crown Allotments 2, 5, 6 and 7, Section 10, Township of Ararat from Residential A to Special Use Zone 6—Catholic Church, College and School.

The main portion of the school is currently zoned Special Use 6. No's 300-302 Barkly Street form part of Marian College and comprise school buildings. No. 40 King Street is in the ownership of Marian College and also comprises school grounds. As a result of these circumstances it is considered appropriate and consistent with the adjoining zoning and land use to rezone it accordingly.

The outcome of this Planning Scheme amendment will be that the existing school grounds, the road proposed to be closed, No's 300-302 Barkly Street and 40 King Street will all be zoned Special Use Zone 6—Catholic Church, College and School.

The amendment can be inspected at the Rural City of Ararat, Municipal Offices, Vincent Street, Ararat; Department of Planning and Development, corner Mair and Doveton Streets, Ballarat or at the Department of Planning and Development, 477 Collins Street, Melbourne.

Submissions about the amendment must be sent to the Rural City of Ararat, PO Box 246, Ararat 3377 by 5 November 1995.
