The Equal Opportunity Board has considered an application pursuant to section 40 (1) of the **Equal Opportunity Act 1984** ("the Act") by the Arthur Murray Franchised Dance Studio (300 Bay Street, Brighton) for the purposes of advertising positions as dance instructors for males only in order to achieve and maintain a gender balance of instructors.

Victoria Government Gazette

Upon reading the material tendered in support of this application and upon hearing Mr S. Strong Sub-Franchisee, the Board is satisfied that it is appropriate to grant an exemption from sections 21 and 59 of the Act to retain a gender balance in dance instructor positions with the studio.

In granting this exemption the Board noted:

- * The Arthur Murray Dance Studio teaches social dancing to males and females. The studio has more female than male clients.
- * Clients have expressed a preference for dancing instructors of the opposite sex particularly where close contact dancing is concerned.
- * There are currently 5 female and 2 male instructors employed at the Studio.
- * Previous advertisements for dance instructors which have not applied to males only have attracted a large number of female applicants and a small number of male applicants. To attempt to achieve gender balance in dance instructor positions it is desirable positions be advertised as male only where appropriate.

The Board hereby grants an exemption from the operation of sections 21 and 59 of the **Equal Opportunity Act 1984**, this exemption to remain in force until 19 October 1998.

Local Government Act 1989
ORDER TO PROVIDE TRANSITIONAL
RATING ARRANGEMENTS FOR THE BASS
COAST SHIRE COUNCIL

The Governor in Council acting under section 220R of the **Local Government Act 1989** orders that—

Definitions

1. In this Order—

"charge" means any charge under Part 8 of the **Local Government Act 1989**, but does not include a special charge.

"Council" means the Bass Coast Shire Council.

"rate" means any rate under Part 8 of the **Local Government Act 1989**, but does not include a special rate.

"rateable property" means any land or portion of any land which is rateable within the meaning of the **Local Government Act 1989** and for which there is a separate valuation.

"specified percentage" means the percentage difference between the sum of the rates and charges levied in respect of a rateable property in the 1994–1995 financial year and the sum of the rates and charges which but for this Order would be payable in the 1995–1996 financial year, which percentage difference is specified in the declaration of rates and charges for the 1995–1996 financial year.

"supplementary valuation" means a supplementary valuation under section 13DF of the **Valuation of Land Act 1960**.

Rates and Charges Payable in the 1995–1996
Financial Year

2. If the sum of the rates and charges which would but for this Order be levied in respect of a rateable property in the 1995–1996 financial year exceeds the sum of the rates and charges levied on that property in the 1994–1995 financial year, the Council may grant a rebate in relation to those rates and charges of an amount which is calculated in the manner specified in the Council's declaration of rates and charges for that particular year.

3. If the sum of the rates and charges levied in respect of a rateable property in the 1995–1996 financial year would, by reason of the declaration of rates and charges for that financial year, be less than the sum of the rates and charges levied on that property in the 1994–1995 financial year, and that lesser sum would but for this Order exceed the specified percentage, the Council may, in relation to any such property and notwithstanding anything contained in its declaration of rates and charges for the particular year, levy such rates and charges as ensure that the specified percentage is not exceeded.

Supplementary Valuations

4. This Order shall not apply to a rateable property—

- (a) which was not a rateable property or the same rateable property as at 1 October 1994; or
- (b) in respect of which a supplementary valuation was made or could have been made during the 1994–1995 financial year.
