SANDRINGHAM PLANNING SCHEME
Notice of Amendment
Amendment L17

Amendment L17 was prepared by the Bayside City Council. It proposes to change the southern portion of land known as Merindah Avenue, between Spring Street and Holloway Road, Sandringham—more particularly described as part lot 12, part of Crown Portion 35, Parish of Moorabbin, which has a frontage of approximately 68.7 metres to Spring Street and a depth of 148.93 metres from Residential 'C' zone to Public Open Space Reservation.

The amendment is required to permanently reserve the southern part of the land for public open space. The reservation would join with the green belt land already reserved as public open space to the east of the subject site. The reservation more appropriately defines the future and long-term aspirations of the Council for this land.

An environmental audit statement has been obtained for the subject site advising the land is unsuitable for residential development but is suitable conditionally for use as open space. The auditor's report specifies (it) is not detrimental or potentially detrimental as public open space suitable for passive recreation, as a grassed reserve (subject to) limited further landscaping, including pathway construction and the development of garden beds and children's playgrounds under conditions set out in the auditor's report.

The amendment may be inspected at the Town Planning Department, Sandringham Office, Royal Avenue, Sandringham; the Town Planning Department, Brighton Office, Boxshall Street, Brighton or at the Department of Planning, Olderfleet Building, 477 Collins Street, Melbourne.

Submissions should be sent to the Chief Executive Officer, Bayside City Council, PO Box 27, Sandringham 3191 to be received no later than 27 November 1995.

EXEMPTION

Application No. 18 of 1995

The Equal Opportunity Board has considered an application pursuant to section 40 (1) of the **Equal Opportunity Act 1984** ("the Act") by Mr D. Field of Waite Consulting Management Group on behalf of the Trustees of the Royal Freemason's Homes of Victoria. The exemption is sought to apply to the position of Chief Executive Officer of the Royal Freemason's Homes of Victoria.

In accordance with the Reasons for Decision of the Board of the 19 October 1995 the Board grants an exemption from section 21 (1) of the **Equal Opportunity Act 1984** to the Trustees of the Royal Freemason's Homes of Victoria for a period of three years. This exemption is to remain in force until 26 October 1998.

CATE MCKENZIE, President
CARMEL MORFUNI, Member

N.B. Copy of the Reasons for the Decision may be obtained upon application to the Registrar of the Equal Opportunity Board.

EXEMPTION

Application No. 23 of 1995

The Equal Opportunity Board has considered an application pursuant to section 40 (1) of the **Equal Opportunity Act 1984** ("the Act") by Melbourne Girls Grammar School in respect of the Merton Hall Campus to enable the employment of women only cleaners in certain areas of the school.

Upon reading the material tendered in support of this application and upon hearing Ms C. Briggs, Principal of the School, the Board is satisfied it is appropriate to grant an exemption from sections 21 and 59 for the purposes only of enabling the principal to require the cleaning contractor engaged by the school to ensure that only women cleaners work in areas of the school designated by the Principal and to enable the cleaning contractor engaged by the school to employ only women cleaners for that purpose.

In granting this exemption the Board noted:

- * The school does not employ its own cleaning staff but works through a cleaning contractor.
- * The cleaning contractor is engaged from month to month under an informal verbal arrangement.
- * That all cleaners currently employed in respect of the school by that cleaning contractor are males.
- * That this is an all girls school with a Boarding House and that the boarders have expressed general concern at the presence of male cleaners in their private bedrooms.
- * That it is impractical to arrange for bedrooms in the Boarding House to be cleaned at times when the girls are absent because year 11 and year 12 students are permitted to return to the Boarding House to study whenever they have free time.
- * That to meet the concerns of the girls it is proposed to require that only female cleaners be employed in the Boarding House area but that this restriction will not apply to other parts of the school premises.
- * To enable the cleaning contractor to make the necessary arrangements it is proposed that the contractor will be given three months notice to make the necessary arrangements.

The Board hereby grants an exemption from the operation of sections 21 and 59 of the **Equal Opportunity Act 1984**, this exemption to remain in force until 26 October 1998.
