Code**

I, Marie Tehan, Minister for Health, give notice that the Poisons Code, prepared under section 12 of the **Drugs, Poisons and Controlled Substances Act 1981**, will be amended by the incorporation by reference of a new Commonwealth standard as prescribed by the **Drugs, Poisons and Controlled Substances (Commonwealth Standard) Regulations 1995**.

The Poisons Code is a document that enables certain parts of the Commonwealth standard, particularly those parts relating to the uniform scheduling of drugs and poisons, to be incorporated by reference and then applied as uniform law in Victoria.

The 3 chapters of the Poisons Code will be amended to the extent that earlier incorporated by reference material, being the Standard for the Uniform Scheduling of Drugs and Poisons No. 8 as amended by the Standard for the Uniform Scheduling of Drugs and Poisons No. 8 Amendment Nos 1, 2 and 3, will be superseded by incorporating by reference the new Commonwealth standard. For the time being, this new Commonwealth standard consists of the Standard for the Uniform Scheduling of Drugs and Poisons No. 9 as amended by the Standard for the Uniform Scheduling of Drugs and Poisons No. 9 Amendment No. 1 and Amendment No. 2.

The dates fixed for the superseding material to take effect are—

- (a) 28 February 1995, in respect to the Standard for the Uniform Scheduling of Drugs and Poisons No. 9 as amended by the Standard for the Uniform Scheduling of Drugs and Poisons No. 9 Amendment No. 1; and

SECTIONS 12G AND 12K

**Notice Regarding the Amendment,
Commencement and Availability of the Poisons
Code**

I, Marie Tehan, Minister for Health, give notice that the Poisons Code, prepared under section 12 of the **Drugs, Poisons and Controlled Substances Act 1981**, will be amended by substituting the whole of Part 3 of Chapter 2 of the Poisons Code with a new Part 3.

The Poisons Code is a document that enables certain parts of the Commonwealth standard, particularly the labelling of drugs and poisons, to be incorporated by reference and applied as uniform law in Victoria.

Part 3 of Chapter 2 of the Poisons Code requires products which contain one or more of the drugs and poisons listed in Appendix K of the Commonwealth standard to be labelled with either warning statement 39 or warning statement 40 as stated in Part 1 of Appendix F of the Commonwealth standard. The two statements are designed to warn persons who consume the product that it may cause drowsiness, particularly if consumed with alcohol, and to avoid driving a motor vehicle or operating machinery if affected.

Part 3 of Chapter 2 of the Poisons Code will be amended by—

- (a) adding products containing levocabastine to the list of products that need to be labelled with one of the warning statements; and
- (b) excluding products prepared specifically for use by children from the labelling requirements.

The date fixed for the amendment to Part 3 of Chapter 2 of the Poisons Code to take effect is 28 February 1995.

**EXEMPTION FROM NOTIFICATION OF
VACANCY UNDER SECTION 29 (2) OF
THE PUBLIC SECTOR MANAGEMENT
ACT 1992**

Position Nos 22/05/0122/9, 22/05/0118/2, Energy Advisor, Victorian Public Service Officer, Band 3, Class VPS-3, Energy Victoria.

Reason for Exemption

Energy Victoria proposed to exempt these positions from notification of vacancy on the grounds that the vacancies have duties and qualifications identical to another vacancy that was advertised on 29 November 1994, and the person/s were applicants for the other vacancy and were assessed clearly meeting all of the requirements of the position.

Position Nos 22/05/01/01/4, Manager Building Performance, 22/05/0102/5, Manager Technology Development, 22/05/0104/7 Manager Communications and Marketing, 22/05/01005/8 Manager Customer Services, Band 5, Class VPS-5 Energy Victoria.

Reason for Exemption

The positions have been reclassified to recognise a demonstrated and significant shift in work-value in a specialised area of work, the incumbents are officers who are recognised as

satisfactorily discharging all the requirements of the positions and the Agency considers that it is unlikely that advertising the vacancy would attract more suitable candidates.

The vacancies have duties and requirements that are of specialised nature peculiar to the Agency and the proposed appointees are officers considered to be the only officers possessing the specialised qualifications.
