Subordinate Legislation Act 1994
PROPOSED AGRICULTURAL AND
VETERINARY CHEMICALS (CONTROL
OF USE) REGULATIONS 1996

In accordance with the provisions of the **Subordinate Legislation Act 1994** notice is given of the proposal to make regulations to be known as the Agricultural and Veterinary Chemicals (Control of Use) Regulations 1996.

A Regulatory Impact Statement has been prepared as required by the **Subordinate Legislation Act 1994**.

The objectives of these Regulations which are to be made under the Agricultural and Veterinary Chemicals (Control of Use) Regulations 1996 are—

- to promote the safe and responsible use of agricultural and veterinary chemical products;
- to ensure that disruptions in domestic and export trade do not result from contaminated agricultural produce due to misuse of agricultural and veterinary chemicals.

The Regulatory Impact Statement concludes that the proposed regulations are the best means of achieving the stated objectives.

Copies of the Regulatory Impact Statement and the proposed regulations may be obtained from Dr Christopher May, Telephone (03) 9651 7347 or fax 9651 7010.

Comments and submissions are invited from interested parties and should be forwarded to: The Manager, Chemical Standards, Chemical Standards Branch, Department of Natural Resources and Environment, PO Box 500, East Melbourne, Victoria 3002. Fax (03) 9651 7010.

The closing date for submissions is 28 days from the publication of this notice.

COUNTY COURT (BAILIFF'S FEES)
ORDER

Notice of Intention to Proceed to make an Order

A Regulatory Impact Statement was published in relation to the proposed County Court (Bailiff's Fees) Order 1996.

The major objective of the proposed Order is to ensure that litigants using the services of the County Court Bailiff to enforce civil judgements make an equitable contribution to the costs of provision of the service.

The regulations establish fees that are identical with those for executing similar types of warrants from other Court jurisdictions, thus providing a level of consistency that reduces costs of administration and compliance.

No submissions were received in respect of this proposed Order and I now give notice of my intention to proceed with the making of the proposed regulations.

EXEMPTION

Application No. 14 of 1996

The Anti-Discrimination Tribunal constituted
by the President pursuant to Section 83 (5) (a)
(ii) of the **Equal Opportunity Act 1995** ("the
Act") has considered an application pursuant to
Section 83 of the Act by Frank Camiller,
Director, on behalf of Camelot Driving School
to permit the applicant to advertise for, and
employ, a female person.

Upon Reading the material tendered in
support of this application the Tribunal is
satisfied that it is appropriate to grant an
exemption from Sections 13, 42, 100 and 195 of
the Act to permit the applicant to advertise for,
and employ, a female.

In granting this exemption the Tribunal noted:

Victoria Government Gazette

- * the applicant is a driving school
business consisting of nine males and
three females;
- * there is a need from time to time to
employ further female driving
instructors;
- * there is an imbalance of male and
female instructors;
- * the business often has requests for
female instructors based on religious
and other reasons.

The Tribunal grants an exemption from the
operation of Sections 13, 42, 100 and 195 of the
Equal Opportunity Act 1995, this exemption
to remain in force until 18 April 1999.

EXEMPTION

Application No. 11 of 1996

The Anti-Discrimination Tribunal constituted
by the President pursuant to Section 83 (5) (a)
(ii) of the **Equal Opportunity Act 1995** ("the
Act") has considered an application pursuant to
Section 83 of the Act by Allan Harris, Secretary,
on behalf of Rainbow Male Survivors Network
to permit the applicant to advertise for, and
employ, a male person.

Upon Reading the material tendered in
support of this application the Tribunal is
satisfied that it is appropriate to grant an
exemption from Sections 13, 42, 100 and 195 of
the Act to permit the applicant to advertise for,
and employ, a male person.

In granting this exemption the Tribunal noted:

- * the Rainbow Male Survivors Network
was established in late 1995 and is an
unincorporated non profit organisation
dedicated to healing gay and bi-sexual
male survivors of sexual abuse;
- * the organisation primarily provides self
help support groups, telephone support
and advocacy services for male
survivors of sexual abuse;
- * many such male survivors feel
uncomfortable in discussing their past
experiences in the presence of females.

The Tribunal grants an exemption from the
operation of Sections 13, 42, 100 and 195 of the
Equal Opportunity Act 1995, this exemption
to remain in force until 18 April 1999.
