Subordinate Legislation Act 1994
MARINE (SAFETY OF NAVIGATION)
REGULATIONS 1996

Regulatory Impact Statement

Notice is given in accordance with section 11 of the **Subordinate Legislation Act 1994** that a Regulatory Impact Statement (RIS) has been prepared in relation to proposed Marine (Safety of Navigation) Regulations 1996.

The reason for the proposed Regulations is to implement the objectives of the **Marine Act 1988** (as amended by the **Ports Services Act 1995**). They consolidate into one Regulation existing statutory provisions of all the major ports of Victoria in a simplified format, dispensing with anachronistic provisions. The objective of the Regulations is to make provision for the safe and efficient navigation and operation of vessels in State waters and ports.

The RIS examined whether alternatives to the Regulations were available. A feasible alternative to the proposed Regulations is to have no regulations at all and to rely on the provisions of the **Marine Act 1988** to regulate the operation of vessels. The RIS examined this option but concluded, on balance, that this alternative would not yield the benefits to be derived by the proposed Regulations.

Public comments are invited on the RIS and the proposed Regulations. Copies may be obtained from Mr Lawrie Tooher, Department of Infrastructure, 17/589 Collins Street, Melbourne (PO Box 4910, Melbourne 3001), (Facsimile No. 9619 6824, Telephone No. 9619 6735).

Written submissions can be delivered or posted to be received at the above address up to the close of business on 22 May 1996.
