The Shire of Strathbogie has prepared Amendment L27 to the Local Section of the Euroa Planning Scheme.

The amendment proposes to rezone land known as Crown Allotment 1, Section 5, Township of Euroa, Parish of Euroa from a Highway Commercial Zone to a Business 1 Zone.

The site has a frontage to Tarcombe Street, an abuttal to Templeton Street and an area of approximately 2,000 m². A hairdressing salon currently occupies slightly less than 1,000 m² of the total site area.

The proponents wish to subdivide the land contained in the site into two lots of 1,000 m² each. The amendment will allow the proponents greater flexibility to develop the site and will result in a more efficient use of the land.

The amendment can be inspected at Shire of Strathbogie, (Euroa Office), Cnr of Binney and Bury Streets, Euroa; Department of Infrastructure, Office of Planning and Heritage, The Oldfleet Building, Ground Floor, 477 Collins Street, Melbourne and the Department of Infrastructure, Office of Planning and Heritage, North Eastern Office, 1 McKoy Street, West Wodonga.

Submissions about the amendment must be sent to The Shire Planner, Shire of Strathbogie, P.O. Box 177, Euroa, Victoria 3666 by Monday, 8 July 1996.

Amendment L122

The Shire of Cardinia has prepared Amendment L122 to the Pakenham Planning Scheme.

The amendment affects part of Crown Allotment 26, Section D, Parish of Gembrook, Alber Road, Upper Beaconsfield and an adjacent Government Road.

The amendment proposes to change the Planning Scheme by altering the planning

control on part of the land and part of the unused government road from Landscape Zone to Country Residential 2 Zone and introduces a site specific control (Clause 6.14.7) which will allow subdivision of the land into three lots subject to certain conditions and the submission of a satisfactory Concept Plan.

Clause 6.14.7 will allow the subdivision of the land into three lots in accordance with the Concept Plan and be subject to the granting of a permit which will be exempt from notification procedures. The intention of the Concept Plan will be to maintain the environmental qualities of the land by addressing specific issues. The Concept Plan will identify the location of building and effluent treatment envelopes, delineate the northern section of the land which is to remain in the Landscape Zone, existing vegetation and the areas of the proposed allotments including public open space.

IN THE HIGH COURT OF AUSTRALIA
SITTING AS THE COURT OF
DISPUTED RETURNS
MELBOURNE OFFICE OF THE REGISTRY
BETWEEN:

No. M37 of 1996

JOHN MURRAY ABBOTTO

PETITIONER

AND

COMMONWEALTH ELECTORAL OFFICER

RESPONDENT

In the matter of the **Commonwealth Electoral Act 1918** and in the matter of the Election for the half Federal Senate pertaining to Victoria and with the leave of the "Court", to include all the States and Territories of Australia.

To the High Court of Australia sitting as the Court of Disputed Returns.

PETITION

1. That this Court grant what ever leave and assistance necessary to ensure the Petitioner the lawful and democratic conclusion of this matter under S. 364 of the **Commonwealth Electoral Act 1918**.
2. That the matter be referred to the Supreme Court in the State of Victoria to act as the Court of disputed returns under S. 354 (1) of the **Commonwealth Electoral Act 1918**.
3. That this matter be exercised by a single judge and a panel of 6 Jurors selected from the Australian Public as pooled by the relevant authorities and selected by the parties in these proceedings on the trial date as pertaining to S. 354 (3) of the **Commonwealth Electoral Act 1918**.
- 3A. That the Court grant the Petitioner that these proceedings be trialed by written submissions in consideration that the petitioner is a layman at law.
4. That leave is granted that this Petition forms a "Class—Action" to include all independent Candidates for the Federal Senate for the 1996 Election and all future Elections for the Federal Senate in every State and Territories of Australia as in any event, the majority of said "Independents" are desirous that this "stated" matter is addressed and hereby as Exhibit "JMA 1" include signed authority and expressed wish of said "Independents".
5. That the Petitioner is granted leave under S. 364 of the **Commonwealth Electoral Act 1918** to be assisted by a McKenzie friend at the choosing of the Petitioner at all times of these proceedings whether in the High Court of Australia or the State Supreme Court of Victoria or in any other delegated Court.
6. That leave be granted to include the State of Tasmania to be recognised and be bound by the findings of these proceedings/orders or findings by the "Court".
7. This Petition relates to the writs which were issued on 29 January 1996 for the Election of half the Senate for each State of Australia.
8. Amongst the writs issued was a writ for the Victorian half Senate Election of which the Petitioner made application; paid the required fee and was duly accepted by the Electoral Officer, Victoria in these proceedings, attached herein and marked Exhibit "JMA 2" is a copy of the receipt issued by the Electoral Officer of Victoria.
9. That the "Elections" were held on 2 March 1996 of which said "Elections" form part and indeed are the basis of these proceedings.

10. That upon registering (nominating) for the federal Elections scheduled for 2 March 1996 as an Independent at the Melbourne Office of the Electoral Commissioner on 9 February 1996, said Office of the Electoral Commissioner did not make available to me the option of registering my list of preferences as is made available to other candidates outside those who list for individual Independents in the Federal Senate.

11. That as an individual (ungrouped) Senate Candidate, I can only receive a valid vote if the prospective voter marks all of the listed squares on the lower portion of the "ballot paper" whereas others outside the ungrouped can obtain a vote without the voter/s needing to fill all the preference squares on the "lower" portion of the "ballot paper" for the Senate.

12. That as an individual "ungrouped" Senate Candidate, I am not given the equal opportunity to receive a valid vote with the single "1" marking on the upper portion of the "ballot paper".

13. That as an individual "ungrouped" Senate Candidate, I am unable to offer my prospective voter a choice between the single marking "1" and the "preference" marking of 44 squares as listed in the ballot paper that all other candidates outside the "ungrouped" are by Legislation (**Commonwealth Electoral Act 1918**) able to do so including "incumbent Senators".

14. That it can be misconceived that the term "ungrouped" be taken to mean a group of Independents and not independent of each other. As such, this issue alone can be costly to a Candidate in a closely contested Election and indeed may become a deciding factor.

15. That less than 10% of all votes for the Senate are given to "Independents" or ungrouped Senate Candidates given that in 1987, 13.3% were "ungrouped" votes. In 1990, 8.6% were recorded ungrouped votes and in 1993, 2.6% were the recorded ungrouped votes. Herein a true copy of "Electoral Newsfile and marked "JMA 3".

16. In 1996, it is purported that less than 4% of the voters actually voted "below" the line and thus the "Independents" were not even given the opportunity to recover costs under S. 297 (1) of the **Commonwealth Electoral Act 1918**. Herein a true copy of "Election Funding" marked as "JMA 4".

17. That the spirit of the "Act" to avoid the high number of informal votes by giving the Electorate the "choice" of the upper line with a single marking "1" was not afforded me or the "independents" (other than incumbent Senators) or the voting public who preferred to vote Independent and instead the said public were forced to number all of the 44 squares due to their decision to vote for me.

18. That as a result of the above, I as an (ungrouped) individual Candidate for the said Elections did obtain less votes; invalid votes (donkey votes) due to the confusion, misunderstanding, frustration, incorrect numbering, or general inconsideration of the voter. Further, some voters were induced to vote for others due to the inducement of voting in one square instead of 44 as is the case with the Ungrouped.

19. That the "voter" was/were further induced to vote for Group/Parties due to the fact that to place a single marking "1" takes infinitely less time than to try and decipher and mark 44 different names/Candidates especially if the voter is not well conversant with the English language which by the sheer embarrassment of taking so long in the "Booth" would be alienated/embarrassed to the point that the voter would ultimately be induced to just place a single marking above the line and get back to their lives.

20. It is also submitted that many voters were induced to vote informal by the fact that the instructions on the "Senate" ballot paper are misleading in that the said instructions are as follows;

"ABOVE THE LINE"

"You may vote in one of two ways either by placing a single figure 1 in one and only one of these squares to indicate the voting ticket you wish to adopt as your vote

"BELOW THE LINE"

or by placing the numbers 1 to 44 in the order of your preference".

In the absence of further instructions on the said ballot paper, the voter can assume that placing a "1" above the line for the "ungrouped" will return a formal vote for the "Independents". I refer to a true copy of the "ballot paper" and marked as exhibit "JMA 5" and further ask the Court to grant me leave to file/Exhibit informal votes which were returned to the Electoral Officer in 2 March 1996 of which I have requested but have not yet received.

21. It must be further noted that since the introduction of the "Act" in 1984, not one single "Independent" Candidate has been duly Elected to the post of Senate without any likelihood of change if this present system is not corrected.

ISSUES OF CONCERN AND POINTS OF ISSUE

22. The Peoples Say page 10: (as supplied by the A.E.C. office Melbourne) "Senate voting was simplified by allowing electors to make a single mark to adopt the ticket registered for that purpose by their preferred party or group of candidates instead of having to rank each and every candidate when there might be 50 or more to choose among. An unsatisfactory situation in which almost one Senate ballot in ten was excluded from the count, predominantly because of inadvertent errors, has become one in which only one in forty fails to get in ...". Refer Exhibit "JMA 6" as a true copy.

23. Under the heading: NOTIFICATION OF INDEPENDENT CANDIDACY of the **Commonwealth Electoral Act 1918** and as amended in 1980 by the Australian Electoral Commission via the Commonwealth Electoral Act (formed at the same time).

S. 169A. (3) "A candidate may not make requests under both this section and 168. "is discriminatory in retrospect to the following sections of the Commonwealth Electoral Act: S. 211A. (1), S. 211A. (1) (b), S. 211A. (2), S. 211A. (3) (a) (b), S. 211A. (4), S. 211A. (5), S. 211A. (6), S. 211A. (7) (b), S. 211A. (8) (b), S. 211A. (9), S. 211A. (10), in that a single candidate is given the same rights and privileges as that of a Group member merely because a single (Independent) candidate held a position of Senate prior to the "writs" being issued and that said single candidate is allotted a single square on the upper portion of the Ballot paper and is able to maintain the term "Independent". Herein a true copy of a letter of the "Officer" marked JMA 7".

24. PRINTING OF SENATE BALLOT-PAPERS IN THE "ACT"

S. 210. (1) (a) discriminates against the independents who have not and cannot make requests under S. 168 of the "Act" in that said independents are placed in a single column after such groups who have made requests under S. 168.

S. 210. (3) (a) discriminates against individual "independent" candidates in retrospect to "groups" who are given individual places or boxes on "upper section" of the ballot paper.

25. DETERMINATION OF ORDER OF NAMES IN THE "ACT"

S. 213. (1) discriminates the "Independent Senate candidates" as it excludes said "Independents" from being part of the "Determination of order of names" for the "Ballot paper" for the election of Senators, and in fact a separate ballot is undertaken to determine the "independents" in a column at the lower end of the "ballot paper".

26. S. 210 (1) (a) Requirement of printing the ballot paper did cause at least one voter (to my knowledge) to vote contrary to the voters wishes contrary to S. 329 (1) of the **Commonwealth Electoral Act 1918**. Herein a true copy of the sworn declaration and marked "JMA 8/A. B. C." Exhibit.

That the "determination of order of names in the Act" caused the "independent nominations" to be voted for strictly on the conditions that;

1. The "voter" did not mark the upper section of the ballot paper as was available to the same voter if said voter chose any other candidate (group member).
2. The "voter" strictly numbered a minimum of 90% of all squares on the lower portion of the Senate ballot paper.

Said conditions (1 and 2) hence were a detriment to the "independent candidate" contrary to S. 327. (2) (d) of the "Act" which states in part;

S. 327. (1) "A person shall not hinder or interfere with the free exercise or performance, by any other person, of any political right or duty that is relevant to an election under this Act."

27. THE AUSTRALIAN CONSTITUTION S. 10

"Until the Parliament otherwise provides, but subject to this Constitution, the laws in force in each State, for the time being, relating to elections for the more numerous House of the Parliament of the State shall, as nearly as practicable, apply to elections of Senators for the State."

28. It is appropriate at this time to point out that in an Election for the House of Representatives in the Federal Election on 2 March 1996 each candidate, Independent or otherwise, were each issued with an equal square to be marked by the Electorate and neither candidate (Independents or Groups) were discriminated against in that all electoral processes were equal for the House of "Reps".

Therefore, it is further appropriate to point out that there is no "Constitutional" reason to alter the Senate ballot paper to a single marking other than to avoid the high number of "informal" votes and as such, there is no reason to treat (discriminate) against "Independents" especially taking that "Incumbent" Senators who are independents such as Senator Harradine of Tasmania who is/are treated as if he/they were "Groups" or parties.

29. THE EQUAL OPPORTUNITY ACT 1984 (Vic)

S.17. (1) "A person discriminates against another person in any circumstances relevant for the purposes of a provision of this act if on the ground of the status or by reason of the private life of the other person the first-mentioned person treats the other person less favourably than the first-mentioned person treats or would treat a person of a different status or with a different private life."

30. S.17. (5) "For the purposes of sub-section (1) a person discriminates against another person on the ground of the status or by reason of the private life of the other person if—

- (a) the first-mentioned person imposes on that other person a requirement or condition with which a substantially higher proportion of persons of a different status or with a different private life do or can comply;
- (b) the other person does not or cannot comply with the requirement or condition; and
- (c) the requirement or condition is not reasonable."

30 A 1. **RACIAL DISCRIMINATION ACT 1975** Section 6. "Act binds the Crown; "This Act binds the Crown in right of the Commonwealth of each of the States, of the Northern Territory and of Norfolk Island, but nothing in this Act renders the Crown liable to be prosecuted for an offence."

30 A 2. RACIAL DISCRIMINATION TO BE UNLAWFUL (R. D. ACT 1975)

9. (1) "It is unlawful for a person to do any act involving a distinction, exclusion, restriction or preference based on race, colour, descent or national or ethnic origin which has the purpose or effect of nullifying or impairing the recognition, enjoyment or exercise, on an equal footing, of any human right or fundamental freedom in the political, economic, social, cultural or any other field of public life.

(1A)Where:

- (a) a person requires another person to comply with a term, condition or requirement which is not reasonable having regard to the circumstances of the case; and
- (b) the other person does not or cannot comply with the term, condition or requirement; and

- (c) the requirement to comply has the purpose or effect of nullifying or impairing the recognition, enjoyment or exercise, on an equal footing, by persons of the same race, colour, descent or national or ethnic origin as the other person, of any human right or fundamental freedom in the political, economic, social, cultural or any other field of public life;

the act of requiring such compliance is to be treated, for the purposes of this Part, as an act involving a distinction based on, or an act done by reason of, the other persons race, colour, descent or national or ethnic origin.

(2) A reference in this section to a human right or fundamental freedom in the political, economic, social, cultural or any other field of public life includes any right of a kind referred to in Article 5 of the Convention.

(3) This section does not apply in respect of the employment, or an application for employment, of a person on a ship or aircraft (not being an Australian ship or aircraft) or applied, for that employment outside Australia.

(4) The succeeding provisions of this Part do not limit the generality of this section.

30A3. RIGHTS TO EQUALITY BEFORE THE LAW (**Racial Discrimination Act 1975**).

10.(1) "If, by reason of, a law of the Commonwealth or of a State or Territory, persons of a particular race, colour or national or ethnic origin do not enjoy a right that is enjoyed by persons of another race, colour or national or ethnic origin, or enjoy a right to a more limited extent than persons of another race, colour or national or ethnic origin, then, notwithstanding anything in that law, persons of the firstmentioned race, colour or national or ethnic origin shall, by force of this section, enjoy that right to the same extent as persons of that other race, colour or national or ethnic origin.

10.(2) A reference in subsection (1) to a right includes a reference to a right of a kind referred to in Article 5 of the Convention".

31. That the spirit of Question 2 of the 1988 Referendum "A proposed Law to alter the Constitution to provide for fair and Democratic Parliamentary Elections throughout Australia was not followed in the 1996 Elections pertaining to the Senate.

32. Taking that S.10 of the Australian Constitution instructs that Parliament heed that Elections be treated closely to the operations of the Elections for the more numerous house until otherwise as Parliament provides.

33. As Parliament has not provided that the Elections for the Senate are in any way to be treated any different to the more numerous house, then the S.10 of the Australian Constitution must be applicable in these proceedings.

34. In any event, should Parliament make such a ruling, then it would be Null and Void as such a ruling would offend the **Discrimination Act 1975** and so too, the **Equal Opportunity Act 1984** herein referred.

35. That "New Section 106, 106 (1), 106 (3), 106 (4) and 106 (5) are equally challenged as they discriminate against the single Independent Candidate who was not an incumbent Senator as said sections do not include the incumbent Senator in an "Election" for the Federal Senate. Refer Exhibit "JMA" as a true copy/ies of said sections. Herein true copies of the Act (5 pages) and marked "JMA 9 A. B. C. D. E."

Pertaining to all of the above and further documents presented to this Court of disputed returns, and under S355. (b) of the **Commonwealth Electoral Act 1918**, I pray this Court for the following relief/s that I the petitioner claim that I (and other Independents for the Senate) are entitled to:

1. As per Section 360 (1) (vii) of the "Act" declare the 1996 Election for the Federal Senate absolutely void.
2. As per section 360 (1) (v) of the "Act" declare any person or persons who was returned as elected was not duly elected.

3. Under the powers vested to the Court of disputed returns under S.360. (1) the Court order a Re-Election for the Federal Senate for Australia as a whole and order that the Electoral Officer make the necessary amendments to the "ballot paper" to give the "Independents" equal status to all other Candidates in the same Federal Elections for the Senate.
4. That under S.360(4) of the "Act" award costs to the petitioner.
5. Such further order that this Court sees fit in favour of the petitioner.
