APPOINTMENT

**Port of Melbourne Authority Act 1958
Marine Act 1988
APPOINTMENT OF THE GIPPSLAND
PORTS COMMITTEE OF MANAGEMENT
INC. AS A LOCAL AUTHORITY—
SPECIFICATION OF FUNCTIONS AND
POWERS**

I, Geoff Craige, Minister for Roads and Ports make the following Order:

1. Acting under S.3 (3) (b) of the **Marine Act 1988** and all other enabling powers, I declare the Gippsland Ports Committee of Management Inc. to be a local authority in respect of the following States waters:

Designated Port of Anderson Inlet
Designated Port of Corner Inlet and Port Albert
Designated Port of Gippsland Lakes
Designated Port of Snowy River
Designated Port of Mallacoota.

2. Acting under S.112 (2) of the **Marine Act 1988**, I specify that the Gippsland Ports Committee of Management Inc. (appointed as Committee of Management of Crown land within the designated ports) has the following functions in relation to each of the designated ports specified above:

- (a) Management of the operations of the port, particularly with regard to shipping and boating.
- (b) Planning and implementing development of facilities in the port.
- (c) Provision and maintenance of navigational aids in the port and waters adjacent to the port and provision and maintenance of navigation channels in the port.
- (d) Management of the port in a safe, efficient and effective manner.
- (e) Participation in the control of marine and land pollution in the port and on waters adjacent to the port as a relevant authority under the Victorian component of the National Plan to Combat Pollution of the Sea by Oil.
- (f) Allocation and management of moorings and berths.
- (g) Planning, design, construction and maintenance of harbour works including wharves, jetties, slipways, breakwaters, moorings, buildings, dredging and navigational aids.

(h) Assessing, invoicing and collection of all tolls, rates, charges or fees payable and penalties and fines which may be levied made or imposed.

(i) Employment of all personnel from time to time necessary for the performance of the local authority's functions.

(j) The engagement of any contractor or consultant from time to time necessary for the performance of the local authority's functions.

(k) The leasing or licensing of land within the designated port for the purpose of performing the local authority's functions.

3. In addition, I specify that the Gippsland Ports Committee of Management Inc. has and may exercise, in relation to the designated ports for which it is the local authority, the powers given in the following sections of Parts II, III and IV of the **Port of Melbourne Authority Act 1958** as in force on 1 January 1995:

Parliamentary Committees Act 1968
REFERRAL OF MATTERS TO THE
ENVIRONMENT AND NATURAL
RESOURCES COMMITTEE

The Governor in Council under Section 4F of the Parliamentary Committees Act 1968 refers the following matters to the Environment and Natural Resources Committee for inquiry, consideration and report to the Parliament—

1. Ballast water in Victoria, including the sources, movement and management of ballast water.

2. The recorded and potential environmental impacts of Victorian ballast water practices on coastal waters, including linkages with—

(a) the nature and distribution of exotic organisms;

(b) the impacts on fishing, aquaculture, recreation and others uses of the marine environment;

(c) information gaps and research needs resulting from the above.

3. Adequacy of Victorian and Commonwealth legislation to minimise the environmental impact of ballast water management.

4. The efficiency and effectiveness of State based measures to minimise environmental impact of ballast waters without adversely impacting on Victoria's international competitiveness.

5. How Victoria can most effectively influence international and national efforts to address ballast water issues and means by which this State can most effectively work with other governments on these issues.

6. The means by which different interests, including private or public Victorian shipping ports, shipping companies and bodies with responsibility for coastal management, quarantine, fisheries and the environment, can cooperate effectively to develop an integrated approach to economically and environmentally sustainable management of ballast water.

The Committee is required to make a final report to the Parliament on these matters before 30 June 1997.

**Parliamentary Committees Act 1968
TERMS OF REFERENCE FOR AN
INQUIRY INTO REGULATORY
EFFICIENCY LEGISLATION**

The Governor in Council acting under section 4F (1) (a) (ii) of the **Parliamentary Committees Act 1968** by this Order requires the Law Reform Committee to inquire into, consider and report to the Parliament on the most appropriate manner in which to frame Regulatory Efficiency Legislation as a means to reduce the burden of regulatory compliance on business, while ensuring the key regulatory objectives continue to be met and that regulatory standards are not comprised.

In particular the committee is requested to examine:

- 1. the nature and effectiveness of the similar legislation or legislative proposals in other relevant jurisdictions;

2. available options within the broad model of Regulatory Efficiency Legislation and advise on their merits and appropriateness in application to the Victorian regulatory environment;

3. appropriate processes and responsibilities for alternative compliance mechanisms under Regulatory Efficiency Legislation;

4. the costs for both business and government of the development and application of alternative compliance mechanisms under Regulatory Efficiency Legislation; and

5. the application of similar models under specific regulatory regimes, e.g. the alternative scheme envisaged to operate within the compliance and enforcement module of the National Road Transport Law.

The Committee is requested to make a final report to Parliament on the above terms of reference by 30 April 1997.
