Subordinate Legislation Act 1994
DEPARTMENT OF JUSTICE VICTORIA
Regulatory Impact Statement
Supreme Court (Sheriff's Fees) Regulations

A Regulatory Impact Statement has been prepared in relation to the proposed Supreme Court (Sheriff's Fees) Regulations 1996.

The major objective of the proposed regulations is to ensure that litigants using the services of the Supreme Court Sheriff to enforce civil judgments make an equitable contribution to the costs of provision of the service.

The existing Order which establishes Sheriff's fees in the Supreme Court is due to sunset later this year. The impact statement examines the level at which fees for identifiable services should be fixed.

The regulations do not propose an increase to the amount of the fee payable for warrants. The regulations establish fees that are identical with those for executing similar types of warrants from other Court jurisdictions, thus providing a level of consistency that reduces costs of administration and compliance.

Public comments and submissions on the Regulatory Impact Statement are invited. Copies of the Regulatory Impact Statement may be obtained by telephoning Mr Glenn Hay on (03) 9603 2528. The Regulatory Impact Statement may also be found on the internet at <http://www.lawnet.com.au/~ctlink/feeris.html>.

Written submissions on the Regulatory Impact Statement and the accompanying draft regulations will be received up to 28 days

from the date of publication of this notice. All submissions will be treated as public documents.

Submissions should be addressed to Mr Glenn Hay, Courts and Tribunals Services Division, Department of Justice, Level 11/167 Queen Street, Melbourne 3000.
