Local Government Act 1989
ORDER TO PROVIDE TRANSITIONAL
RATING ARRANGEMENTS FOR THE
MOUNT ALEXANDER SHIRE COUNCIL
IN THE 1996-1997 FINANCIAL YEAR

The Governor in Council acting under
Section 220R of the Local Government Act
1989 Orders that—

Definitions

1. In this Order—

“charge” means any charge under Part 8 of the Local Government Act 1989, but does not include a special charge.

“Council” means the Mount Alexander Shire Council.

“rate” means any rate under Part 8 of the Local Government Act 1989, but does not include a special rate.

“rateable property” means any land or portion of any land which is rateable within the meaning of the Local Government Act 1989 and for which there is a separate valuation.

“specified percentage” means a percentage to be determined in a resolution of the Council which specifies the maximum percentage reduction allowed in the sum of the rates and charges levied in respect of a rateable property in the 1996-1997 financial year compared with the sum of the rates and charges levied in respect of that rateable property in the 1995-1996 financial year.

“supplementary valuation” means a supplementary valuation under Section 13DF of the Valuation of Land Act 1960.

Commencement

2. This Order comes into operation on the day it is published in the Government Gazette.

Rates and Charges Payable in the 1996-1997 Financial Year

3. If the sum of the rates and charges which would, but for this Order be levied in respect of a rateable property in the 1996-1997 financial year exceed the sum of the rates and charges levied on that property in the 1995-1996 financial year, the Council may grant a rebate in relation to those rates and charges of an amount which is calculated in the manner specified in the Council's declaration of rates and charges for that particular year.

4. If the sum of the rates and charges levied in respect of a rateable property in the 1996-1997 financial year would, by reason of the declaration of rates and charges for that financial year, be less than the sum of the rates and charges levied on that property in the 1995-1996 financial year, and that lesser sum would but for this Order exceed the specified percentage, the Council may, in relation to any such property and notwithstanding anything contained in its

declaration of rates and charges for the particular year, levy such rates and charges as ensure that the specified percentage is not exceeded.

Supplementary Valuations

5. This Order shall not apply to a rateable property—

- (a) which was not a rateable property or the same rateable property as at 1 July 1995; or
- (b) in respect of which a supplementary valuation was made or could have been made during the 1995-1996 financial year.

6. If a supplementary valuation has been made or is made after 1 July 1996, this Order does not authorise—
