- to provide a mechanism for addressing alleviation of fees where enforcement of payment would otherwise impose unreasonable hardship;
- to provide for the peace, order and good government of the municipal district; and

- to provide for the administration of the Council's powers and functions.

Local Law No. 3—Animals and Birds

This Local Law is aimed at ensuring that residents who keep animals and birds do so in a hygienic manner and do not cause detriment to neighbours. It requires animal and bird owners to obtain a permit to keep more than the number of species designated under the Law. It also proposes that "on leash" areas for dogs be identified so that all other areas of open space will be available for dogs to be "off leash" at all times provided they are under the effective control of their owner.

This Local Law imposes limitations on a range of activities and requires authorisation by Council e.g. Storage of Machinery or second hand goods on premises, penalties for Audible Intruder alarms (car and house), use of recreational vehicles, the requirement that temporary sanitary facilities be provided on building sites, placing of recycling bins, unsightly or dilapidated buildings, the siting of caravans, circuses and festivals.

Local Law No. 5—Keilor Golf Course

This Local Law provides for the use and management of the Golf Course. The Law essentially prohibits activities other than the use of the Golf Course for playing golf. It allows the managers of the Golf Course to enforce this Local Law.

Local Law No. 6—Municipal Places

This Local Law identifies certain behaviour and conduct that is unlawful so as to enable members of the public to use and enjoy public places under Council control. Behaviour that is harmful or interrupts the quiet enjoyment of municipal places can attract a penalty notice.

Local Law No. 7—Library

This Local Law provides for the use of Libraries in the municipality and gives power to Library staff to impose penalties for conduct that is contrary to the intended use of the Library and its facilities.

Local Law No. 8—Roads and Streets

This Local Law establishes a system for the use and management of roads in the municipality. It places a number of restrictions on the use of roads, for street or road side trading, advertising, busking, horse riding, eating. The Local Law requires people who wish to use the roads for activities other than the use of the roads for driving, to obtain a permit from the Council.
