WHITTLESEA PLANNING SCHEME
 Notice of Amendment to a Planning Scheme
 Amendment L146

The City of Whittlesea has prepared Amendment L146 to the Whittlesea Planning Scheme.

The amendment proposes to introduce new heritage overlay controls into the Planning Scheme to conserve and protect places of natural and cultural heritage significance within the City of Whittlesea and also to include a number of significant heritage

places on the heritage overlay schedule to which the new controls will apply. The proposed controls are based upon the new State Heritage Overlay Controls of the Victorian Planning Provisions which were developed as part of the State Government Planning Reform program.

The inclusion of the heritage places on the schedule has been based upon the outcomes of the City of Whittlesea Heritage Study (1991) which recommended these particular heritage places for Planning Scheme protection due to their high level of heritage significance.

These controls are designed to ensure that any use or development proposed on heritage places listed in the schedule is sympathetic to the character, appearance and heritage significance of the heritage place.

This amendment represents the first step in the implementation of the recommendations of the City of Whittlesea Heritage Study (1991) and the implementation of the new State Heritage Overlay Controls.

The amendment can be inspected at City of Whittlesea, Municipal Offices, Ferres Boulevard, South Morang and The Department of Infrastructure, Ground Floor, 477 Collins Street, Melbourne.

Submissions about the amendment must be sent to the City of Whittlesea, Locked Bag 1, Bundoora MDC 3083, by Friday, 6 June 1997.
