### Notice of Estate and Trust Administration Fees Perpetual Trustees Victoria Limited ACN 004 027 258 ("the Company")

Pursuant to the Trustee Companies Act, 1984, as amended, ("the Act") the Company gives notice that it proposes to alter its scale of charges which shall apply to all estates and trusts committed to the administration or management of the Company as from 1 July 1997.

#### Estate Administration:

The Company will charge the following fees for acting as Executor or Administrator of an Estate:-

- Capital commission of 1.5% on the first \$1 million only of gross asset value of the assets of the estate. The capital commission will not apply to the deceased's principal place of residence if it is to be transferred to the deceased's spouse or child.
- and
- An hourly fee at the rate of \$225 for all administrative activities in respect of the administration of the estate conducted by the Company in the capacity of executor or administrator and in the preparation and lodgement of returns for the purpose of or in connection with assessments of any duties or taxes (other than probate, death, succession or estate duties).

Gross asset value of the estate means the gross realised or distributable value of the assets belonging to the estate.

Where the Company is appointed Administrator as a result of an Executor to the Will renouncing Probate, or if the Company is acting as Agent or Attorney of an Executor or Administrator, the Company will only charge the hourly fee stated above and not the capital fee.

Where any Will contains a charging clause which permits an hourly rate to be charged, the hourly rate will be \$225 per hour.

#### Trust Administration and Management:

The Company will charge the following fees for acting as Trustee.

- A quarterly (three monthly) management fee of 0.25% for any trust created for charitable purposes (subject to a minimum of \$500) and 0.3125% for any other type of private trust (subject to a minimum of \$625); and
- An hourly fee at the rate of \$225 for any professional or specialised services performed by it where Perpetual would have been at liberty to engage an external professional or specialist to perform those services, such as the preparation and lodgement of returns for the purpose of or in connection with assessments of any duties or taxes.

The management fee will be calculated on the gross value of the assets of the trust from time to time.

For estates, trusts, and where acting as Agent or Attorney for an Executor, Administrator or Trustee, a fee of \$4.00 for each debit and credit transaction will apply.

Where Perpetual Trustees Australia Limited (ACN 000 431 827) is acting in any capacity described above, the scale of charges applying in the State in which the estate or trust is being administered will be charged.

#### Power of Attorney

Subject to any written agreement between the Company and the client, where the Company is committed to the administration or management of an estate under a Power of Attorney, agreement with a client, or order by a Court or other government body, it will charge the following maximum fees.

- An establishment fee of 1% on lodging investments;
- An annual fee of:-
  - (a) 1.75% per annum on the first \$300,000 of managed investments, and
  - (c) 0.75% per annum on the remaining managed investments,
  - (b) 1.25% per annum on the next \$700,000 of managed investments, and
  - subject to a minimum fee of \$1,750.

Where investments are not nominated in the name of the Company (or another company within the Perpetual Group), a fee of 0.20% per annum on the investments not nominated will apply.

For the payment of bills, the first 20 outgoing transactions (excluding the payment of medical bills) are free. All additional outgoing transactions (excluding the payment of medical bills) will be charged at \$4 per transaction.

Time spent in attention to medical bills and Medicare and health insurance refunds will be charged at a maximum of \$225 per hour.

Any other additional services will be charged at a maximum of \$225 per hour.

Clients who exit this service in their first year will be charged the first year's remaining annual fee.

Subject to the Act, without being liable to account to an estate or trust for any profit made the Company may employ at the expense of any trust or estate (committed to the administration or management of the Company as Executor, Administrator, Attorney or in any other capacity) any subsidiary, associated or parent company that is:-

- a licensed Real Estate and/or Business Agent or
- a dealer licensed under the Corporations Law or
- a manager or trustee of a Unit Trust

to conduct or transact any business or for any purpose for which a trustee is entitled to employ agents and will be entitled to retain the customary share of brokerage or other commissions applying.

Wherever a Will, Trust Deed or other document signed by the testator, settlor, principal, or other person does not contain a provision permitting commissions and fees to be calculated and charged in a manner other than that stated in the Act, the total amount of those commissions and fees will not amount to more than the maximum allowed in the Act unless all beneficiaries to the estate are legally competent and agree otherwise.

To further the work done to date, a scoping study will be carried out which will provide a framework for the development of an overall floodplain management plan for the wider Shepparton-Mooroopna area and a proper basis for future Government funding bids. The scoping study will be undertaken as a matter of priority by Council in close consultation with the Goulburn-Broken

Catchment Management Authority. It will be jointly funded by Council and the Department of Natural Resources and Environment and will address a wide range of flood related issues.

It is envisaged that once the findings and recommendations of the scoping study are available, a new community committee will be appointed to reflect the interests of the wider Shepparton-Mooroopna area in the development of an appropriate floodplain management plan.
