The Magistrates will take particular care to point out to Applicants any informality in their Forms of Application, in order that the same may be corrected before transmission to the Commissioner, and to remind them, where necessary, to require their Overseers to send in the Returns in Form B, to the Sessions of the District in which they reside. The Magistrates are also requested to see that all the particulars required in terms of

the Regulations are duly filled up in the several Forms, to avoid the inconvenience and delay of returning them for correction.

Several inaccuracies in the mode of filling up the Returns, and omissions in the necessary particulars were overlooked last year, in consideration of the recent introduction of the system, but as it should now be fully understood, the greatest accuracy will be required on the part of the Applicants, as the best means of avoiding confusion and inconvenience in the public service.

Applications for domestic servants and convicts of the same trade as the parties applying, do not require to be renewed at these Sessions.

Those Magistrates who were authorised to employ Assessors last year for taking into consideration applications for servants, will be allowed, if still necessary, to retain the same parties on the present occasion; but where the employment of other parties in lieu should be requisite, the Magistrates will immediately report the names to this Office.

WHEREAS, for the advancement of the Christian Religion and the promotion Preamble. of good morals in the Colony of New South Wales, it is expedient to encourage the observance of Public Worship, and for this purpose to authorise the issue from the Revenue

of the said Colony of sums to be applied in aid of the building of Churches and Chapels, and of the maintenance of Ministers of Religion; Be it therefore enacted, by His Excellency the Governor of New South Wales, with the advice of the Legislative Council thereof, That whenever a sum not less than Three Hundred Pounds shall have been raised by private contribution, and applied towards the building of a Church or Chapel and a dwelling where the same may be deemed necessary for the officiating Minister thereof, in any part of the said Colony, it shall be lawful for the Governor, with the advice of the Executive Council, by warrant under his hand, and subject to such Regulations for the due appropriation and application thereof, as shall from time to time be made by the said Governor, to issue from the Colonial Treasury in aid of the undertaking, any sum of Money not exceeding the amount of the said private contribution; Provided always, that the whole amount so to be issued from the Colonial Treasury in aid of any Church or Chapel and Minister's dwelling, shall not exceed One Thousand Pounds, and that no sum shall be so issued in aid of any private contribution, unless such contribution shall be paid up and expended within Three Years from the date of the first issue from the Colonial Treasury on behalf of the said undertaking; Provided further, that nothing herein contained shall prevent, or be construed to prevent the appropriation for the purposes aforesaid, of any sum exceeding One Thousand Pounds by the Governor, with the advice and consent of the Legislative Council.

(Minister's Stipends.)

II. And be it enacted, that it shall be lawful for the said Governor, with the advice of the Executive Council, by Warrant under his Hand as aforesaid, to authorise from time to time the issue from the Colonial Treasury of Stipends towards the support of the Ministers of Religion, duly appointed to officiate in any Churches or Chapels to be erected in manner aforesaid, or in any Churches or Chapels already erected, and of which Trustees shall be appointed for the maintenance thereof as hereinafter mentioned, by virtue of this Act; such Stipends being issued at the several rates hereinafter mentioned; that is to say, in case it shall be shown to the satisfaction of the said Governor and Executive Council, that there is resident within a reasonable distance of the proposed Church or Chapel, a population of One Hundred adult Persons, and such Persons shall subscribe a Declaration setting forth their desire to attend such Church or Chapel, it shall be lawful to issue to the Minister thereof from the Colonial Treasury in manner aforesaid, One Hundred Pounds a-year; and in case there should appear to the said Governor and Executive Council, to be resident as aforesaid Two Hundred adults who shall subscribe such Declaration, then One Hundred and Fifty Pounds a-year; and in case there shall

appear to the said Governor and Executive Council to be so resident Five Hundred adults who shall subscribe such declaration, then Two Hundred Pounds a-year; which shall be the highest stipend to be issued from the Colonial Treasury under the provisions of this Act towards the support of any one officiating Minister of Religion; Provided always, that in estimating the number of adult attendants for the purpose aforesaid, there may be included the Convict servants of any Master residing within a reasonable distance, who shall furnish a certificate setting forth the names of such Servants, and that they are of the religious denomination for the use of which the said Church or Chapel is intended.

(Ministers' stipends in cases where there are not one hundred adults.)

(As to the increase of stipends.)

IV. And be it enacted, That whenever it shall be made to appear to the Governor and Executive Council that the number of persons of the religious denomination for whom an issue of money shall have been made from the Colonial Treasury, in aid of the erection of a Church or Chapel and Minister's Dwelling as aforesaid in any District of the Colony, shall have increased therein, then, and in such case, upon a declaration subscribed by so many adult Persons as would authorise under the provisions of this Act, the issue of a larger stipend to the Minister officiating at such Church or Chapel, being presented to the Governor and Executive Council, it shall and may be lawful for the Governor with the advice of the Executive Council to direct the issue of the stipend proportioned to such increased numbers, as is by this Act directed.

(Ministers' stipends where there is no Church or Chapel.)

V. And be it enacted, That whenever any sum not less than Fifty Pounds for any one year, shall be raised by private contributions towards the maintenance of a Minister of Religion in any part of the said Colony, in which there shall be no Church or Chapel, at which persons of the creed of such Minister can be reasonably expected to attend, and there shall also appear reasonable cause for delaying the erection of a permanent Church or Chapel, for the use of such Persons under the foregoing provisions, it shall be lawful for the said Governor with the advice of the Executive Council, to cause to be issued from the Colonial Treasury towards the maintenance of such Minister, any sum not exceeding One Hundred

Pounds, which shall be equivalent to the sum raised by private contribution as aforesaid.

(Before stipend to be issued proof to be adduced of due performance of duties.)

VI. Provided always, and be it enacted, That once at least in every year for which the stipend of any Minister shall be issued as aforesaid, such proof shall be produced to the said Governor and Executive Council as they shall require, of the sufficient and regular performance of the duties in respect of which such stipends shall be respectively issued, and if it shall appear to the said Governor and Council, that the said duties have been culpably or wilfully neglected, it shall be lawful for the said Governor and Council to withdraw the said stipend for such time as to them shall seem proper.

(Appointment of Trustees.)

VII. And be it enacted, That before any sum of money shall be issued from the Colonial Treasury towards the building of any Church or Chapel and Minister's Dwelling in the manner aforesaid, Trustees not less than three nor more than five in number, shall be nominated by the Persons contributing towards the building of the same, for the approval of the Governor and Executive Council, and that the real Estate in the site of such Church, Chapel, or Minister's Dwelling, and of any Lands and Hereditaments thereunto belonging, shall be conveyed to the said Trustees when approved, and to the Heirs of the Survivor of such Trustees, upon trust for the erection, maintenance, and repair of such Church or Chapel and Minister's Dwelling, and for the provision out of the Revenues belonging to, or arising from the use of the said Church or Chapel, in such manner as shall be lawfully appointed, of all things necessary for the celebration of Divine Worship therein, and to whom shall be issued under such regulations for the due appropriation and application thereof, as hereinbefore mentioned, all such sums of money as by the provisions of this Act are authorised to be issued in aid of the erection of any Church or Chapel and Minister's Dwelling.

(Trustees may accept Land, &c.)

VIII. And be it enacted, That it shall be lawful for any Trustees, appointed by virtue of this Act, to accept and take from any Person willing to give the same, any Lands or Hereditaments adapted for the site of a Church, or Chapel, or Minister's Dwelling, with a Garden and other appurtenances thereunto, or any Lands or Hereditaments adapted for the purposes of a Burial Ground.

(As to "Free Seats.")

IX. And be it further enacted, That as soon as conveniently may be after the completion of any Church or Chapel under the provisions of this Act, pews, sittings, or benches in every such Church or Chapel, to be marked with the words "free seats," amounting to not less than one-sixth part of the whole of the sittings in every such Church or Chapel, shall also be

appropriated and set apart for the use of poor persons resorting thereto, upon which pews, sittings, or benches, so to be appropriated, no rent whatever shall at any time be charged or imposed.

(Appointment of Trustees for Churches already built.)

X. And whereas it is expedient that Trustees be appointed for those Churches or Chapels already built, which are now repaired and maintained at the public expense, or for the Ministers whereof stipends are issued from the Colonial Revenue: Be it enacted That it shall be lawful for the Governor with the advice of the Executive Council, within six months after the passing of this Act, to nominate not less than three nor more than five of the Pew-holders of the said Church or Chapel, belonging to the religious denomination for whose use the said Church or Chapel is maintained, to be Trustees thereof, and to whom and the heirs of the survivors of such Trustees shall be conveyed as soon as conveniently may be, the real estate in the said Church, or Chapel, and Minister's Dwelling, upon trust for the maintenance and repair of such Church and Minister's Dwelling, and for the provision out of the Revenues belonging to, or raising from the use of the said Church or Chapel, in such manner as shall be lawfully appointed of all things necessary for the celebration of Divine Worship therein.

(Not to affect the stipends of Ministers already appointed.)

ANNO SEPTIMO

GULIELMI QUARTI REGIS.

No. 4.

By His Excellency Major-General Sir Richard Bourke, K. C. B., Captain General and Governor-in-Chief of the Territory of New South Wales and its Dependencies, and Vice-Admiral of the same, with the Advice of the Legislative Council.

An Act to restrain the unauthorised occupation of Crown Lands.

WHEREAS, the unauthorised occupation of the unalienated Crown Lands of New South Wales is derogatory to the Preamble rights of His Majesty and His Successors, and conducive to many illegal and dishonest prac-

tices; and whereas the Laws now in force are insufficient for the speedy and effectual removal of intruders upon such Lands: Be it therefore enacted by His Excellency the Governor of New South Wales, with the advice of the Legislative Council thereof, That from and after the First day of January next, any Person who shall be found occupying any Crown Lands lying waste in New South Wales, within the limits allotted for Location by the Government Order of the fourteenth Day of October, One thousand eight hundred and twenty-nine, either by residing or by erecting any Tent, Hut, or Building thereon, or by clearing, enclosing, or cultivating any part thereof, shall, on conviction thereof, forfeit and pay the following Penalties; that is to say, for the first offence any sum not exceeding Ten Pounds, at the discretion of the Justice or Justices before whom the complaint shall be heard; for the second offence, Twenty Pounds; and for the third, and any subsequent offence, Fifty Pounds, to be recovered in a summary way before any one or more Justice or Justices of the Peace, upon the information and complaint on oath of any Commissioner of Crown Lands; Provided always, that no subsequent information shall lie for any second or subsequent offence, until one month after a conviction for the former offence.

(Penalty for occupying Crown Lands beyond the limits of location without a license.)

II. And be it declared and enacted, That from and after the said First day of January next ensuing, it shall not be lawful for any Person to occupy any Crown Lands in New South Wales beyond the limits allotted as aforesaid, without having first obtained a License for such purpose in conformity with the Government Regulations in such case made and provided, and that any Person who shall be found occupying as aforesaid any Crown Land in New South Wales beyond the limits allotted as aforesaid, and shall not hold a valid License from the Government of New South Wales for depasturing Cattle and other Animals beyond the limits as aforesaid, every such Person, on conviction thereof, shall forfeit and pay the Penalties hereinbefore imposed, in the case of Persons unlawfully occupying Waste Lands of the Crown within the said limits of Location.

(Penalty for forging any Lease or License to occupy Crown Lands.)

III. And be it enacted, That if any person shall forge, counterfeit, or alter, or shall utter, or make use of, knowing the same to be forged, counterfeited, or altered, any Lease, License, or other Document purporting to be an authority from the Government of New South Wales, to occupy any Crown Lands within the same, with intent to evade any of the provisions of this Act, such Person shall, if free, be guilty of a misdemeanor, and being convicted thereof shall be liable to be transported for any term not exceeding Seven Years, or to be imprisoned for any term not exceeding Four Years, at the discretion of the Court; and if such Offender be a Convict under sentence of transportation, he shall be liable to be transported for any term

not exceeding Seven Years, or to be worked in irons on the Roads or Public Works of the said Colony for any term not exceeding Four Years.

(Proceedings not to affect Titles to Land.)

IV. And be it enacted, That no proceeding had, or conviction obtained under this Act, shall be held to determine the title to any lands or tenements.

(For protecting persons acting in the execution of this Act.)

V. And for the protection of persons acting in the execution of this Act, be it enacted, That all actions and prosecutions under this Act shall be commenced within three calendar months after the fact was committed, and not otherwise, and notice in writing of such action, and the cause thereof, shall be given to the defendant one calendar month at the least, before the commencement of the action; and in any such action, the defendant may plead the general issue, and give this Act and the special matter in evidence at any trial to be had thereupon; and no plaintiff shall recover in any such action, if tender of sufficient amends shall have been made before such action brought; or if a sufficient sum of money shall have been paid into Court after such action brought by or on behalf of the defendant, together with costs incurred up to that time; and if a verdict shall pass for the defendant, or the plaintiff become nonsuit or discontinue any such action after issue joined, or if upon demurrer or otherwise, judgment shall be given against the plaintiff, the defendant shall recover his full costs as between attorney and client, and have the like remedy for the same as any defendant hath by law in other cases; and though a verdict shall be given for the plaintiff in any such action, such plaintiff shall not have costs against the defendant, unless the Judge before whom the trial shall be, shall certify his approbation of the action and of the verdict obtained thereupon.

(Appropriation of Fines.)

VI. And be it enacted, That all fines recovered under this Act shall be levied in the manner provided by an Act of the said Governor and Council, passed in the fifth year of His present Majesty's reign, intituled, "An Act to regulate summary proceedings before Justices of the Peace," and shall be paid to the use of His Majesty, His Heirs, and Successors, for the public uses of said Colony, and in support of the Government thereof.

(Commencement and duration of Act.)

VII. And be it further enacted, That this Law or Ordinance shall commence and take effect from the said first day of January next ensuing, and shall be and continue in force until the thirty-first day of December, in the year one thousand eight hundred and thirty-eight.
