WEDNESDAY, APRIL 12, 1837.

THE following Address was presented to His Excellency the GOVERNOR, by the Settlers of the Western District of the new Colony at Port Phillip, on 13th March last:—

We, the undersigned Settlers in the Western District of the new Colony at Port Phillip, beg to present to your Excellency our sincere congratulations on your arrival in this remote Dependency of your province; and to assure your Excellency of our esteem and respect for your person and government.

We beg to offer to you our loyal and united support in the execution of whatever measures you may adopt for the improvement and advancement of our infant Colony.

That your Excellency and family may enjoy every blessing of life, and that you, Sir, may have the happiness to witness the beneficial results of your honorable and arduous endeavours for the welfare of the Colony over which you preside, is the sincere prayer of

Your Excellency's most obedient
 humble servants.

[Here follow the signatures.]

His Excellency's reply.

GENTLEMEN,—I receive with much satisfaction this loyal and dutiful address, and I thank you heartily for the kindness of your reception. I have availed myself of the first opportunity that the performance of other duties would permit, to visit this portion of the important Colony placed by His Majesty under my charge. The principal object of this visit is to accelerate the means by which those who have transferred, or are about to transfer capital and stock to this district, may be enabled to convert without further delay, an uncertain and insecure occupation into a legal possession. The means at my disposal are, as is usual in many undertakings in newly settled countries, hardly adequate to the end. But it is my anxious desire to hasten the survey and consequent disposal of the Crown Lands which His Majesty has directed to be alienated in this Dis-

trict, and by every other measure which is in my power, and in conformity to the laws, to contribute to the security and happiness of those who select this part of the Territory of New South Wales as the field of their industrious and useful efforts. I anticipated your support in these measures, but am not therefore the less gratified by receiving the assurance conveyed in this Address. It is by the cheerful co-operation of the people with the Government, that the peace and prosperity of the Settlement will be best maintained.

By Command of His Excellency the Governor,
E. DEAS THOMSON.

Colonial Secretary's Office,
Sydney, 8th April, 1837.

QUARANTINE.

HIS Excellency the GOVERNOR has been pleased to direct that the two following reports received from the Medical Board, appointed to ascertain the present state of the health of the Emigrants in Quarantine at Spring Cove, and to report their opinion as to the propriety of releasing them, be published for general information.

By His Excellency's Command,
E. DEAS THOMSON.

Sydney, April, 4, 1837.

Proceedings of a Board of Medical Officers, on the ship "Lady Macnaghten," now in Quarantine; held by order of the Honorable Lieutenant-Colonel Snodgrass, commanding at Spring-Cove, Port Jackson.

The Board having met and conferred with the Medical Officers in charge, on the various points referred to in the letter of the Honorable the Colonial Secretary, beg leave to report as follows, viz:—

1. With regard to the first point—"the present state of the health of the Emigrants;" that there are this day, only seven cases of sickness amongst the children, inclusive of one girl, and all of them unconnected with fever; that yesterday one child died of Marasmus, from long-continued Diarrhoea.

With regard to the second point; it appears that the last case of Fever occurred on the 8th March, and was sent to the Hospital next day, since which time no new cases have appeared.

With regard to the third point, the Board have come to the unanimous decision, that as soon as the precautions indicated beneath are carried into effect, the sooner the Emigrants are released from Quarantine the better.

The Board recommend that every thing capable of being washed, should be again submitted to that operation; all other clothing, either new or little used, should be subjected to airing and fumigation, under the directions of some responsible person; and all old or suspicious clothing, together with the whole of the bedding, should be destroyed by fire.

(Signed)

J. V. THOMPSON, D.I.G., President.
JOHN LEWIS, Surgeon, 4th, or King's Own Regt.
W. PARRY, Assistant-Surgeon, 4th, or King's Own Regt.
J. ECKFORD, M. D., Assistant-Surgeon Civil Hospitals.

Sydney, April, 7, 1837.

The Medical Board which assembled on the Emigrants per *Lady Macnaghten* on the 4th instant, having re-assembled agreeably to the directions of the Honorable Lieutenant-Colonel Snodgrass, C. B., Commanding, beg leave to add to their former Report.

That it is their decided opinion, that the sooner the Emigrants now in Quarantine under the charge of Dr. Inches are released the better, as by remaining much longer in their present exposed situation, diseases not connected with the late fever, but of an equally serious nature, will be apt to develop themselves among them; and that no case of fever having occurred since the 9th ultimo, they consider that this may be done with perfect safety to the public, after the precautions indicated in their former Report are carried into effect under the superintendence of Dr. Inches and Mr. Bolton.

With respect to the children and others now in Dr. Inches' sick Report, they are of opinion that they may be brought away with their parents or protectors with perfect safety to the public.

With reference to the report of the death of a child on the 6th instant, this will not invalidate their former opinion, as to the release of the Emigrants; as it does not appear, by the Surgeon's report, to have been at all connected with the prevailing fever.

(Signed)

J. V. THOMPSON, D.I.G., President.
JOHN LEWIS, Surgeon, 4th or King's Own Regt.
WILLIAM PARRY, Assistant-Surgeon, 4th King's Own Regt.
