IMMIGRATION.

THE GOVERNOR directs it to be notified that, by desire of His Majesty's Government, as intimated to His Excellency in a recent Despatch from the Secretary of State, the Bounty granted under the Government Notices of the 28th of October, 1835, and 25th of September, 1837, is not, in future, to be considered as extending to Emigrants from Foreign Countries.

E. DEAS THOMSON.*

RETIRED OFFICERS.

HIS Excellency the GOVERNOR has directed it to be notified that His Majesty's Government has been pleased to extend to the Retired Officers of the East India Company's Navy a participation in the advantages accorded to Officers having served in the British Army and Navy, in regard to the purchase of Land in the Australian Colonies, as laid down in the Notice issued from the Office of the Secretary of State on the 15th August, 1834, which is republished hereunder.

The Officers of the East India Company's Navy will be allowed the indulgence in question on producing to this Government the necessary certificates of their rank and length of service, signed by competent authorities.

*By His Excellency's Command,
E. DEAS THOMSON.*

(COPY.)

Information for the use of Military and Naval Officers, proposing to Settle in the British Colonies.

*COLONIAL OFFICE,
15th August, 1834.*

1. Annexed is a statement of the Regulations, according to which, with such modifications as local circumstances may render necessary, Lands belonging to the Crown are disposed of in the

several British Colonies in North America, as well as a statement of the Regulations in force in the Australian Colonies.

2. Under these Regulations, Military and Naval Officers cannot receive Free Grants of Land; but, in buying Land, they are allowed a remission of the Purchase-money, according to the undermentioned scale:—

Field Officers of twenty-five years' service and upwards, in the whole, £300.

Field Officers of twenty years' service and upwards, in the whole, £250.

Field Officers of fifteen or less years' service, in the whole, £200.

Captains of twenty years' service and upwards, in the whole, £200.

Captains of fifteen years' service or less, in the whole, £150.

Subalterns of twenty years' service and upwards, in the whole, £150.

Subalterns of seven years' service, or less, in the whole, £100.

Regimental Staff Officers, and Medical Officers of the Army and Navy will be deemed to come within the benefit of this Rule.

3. Officers of the Army and Navy who propose to proceed to the Colonies, in order to take advantage of this indulgence, should provide themselves with Certificates from the Office of the General Commanding-in-Chief, or of the Lords Commissioners of the Admiralty, shewing that their Emigration has been sanctioned, and stating exactly their rank and length of Service. No document from the Office of the Secretary of State is necessary.

4. Officers on Half-pay, residing in the Colony where they propose to settle, may be admitted to the privileges of Military and Naval Settlers, without referring to this Country for Testimonials, provided they can satisfy the Governor that there is no objection to their being allowed the indulgence, and that their return of rank and length of service is accurate; and provided, if they belong to the Navy, that they produce their letter of leave of absence from the Admiralty.

5. Military Chaplains, Commissariat Officers, and Officers of any of the Civil Departments, connected with the Army, cannot be allowed any privileges on the subject of Land. Pursers, Chaplains, Midshipmen, Warrant Officers of every description, and Officers of the Civil Departments connected with the Navy, must also be considered as not qualified for those privileges.

Although numbers of these classes may have been admitted formerly, and under a different state of circumstances, they must now be excluded.

6. Gentlemen who have ceased to belong to His Majesty's Service, cannot be allowed the advantages to which they were entitled, while in the Army or Navy. It is not, however, proposed to affect by this rule Officers who desire to quit the service for the express purpose of settling in the Colonies: it is only required, that when they resign their commissions, they should apply for a certificate from the General Commanding-in-Chief, or from the Lords Commissioners of the Admiralty, that they do so with a view of emigrating; and such certificate, if produced to the Governor of any Colony, within one year from its date, *but not otherwise*, will be a sufficient warrant for allowing the bearer the same advantages as Officers still in His Majesty's Service.

Officers who have sold out within the last twelve months, preceding the date of this memorandum, will be allowed the usual privileges, notwithstanding their want of the certificate required by these Regulations, if they present themselves to the Governor of the Colony within a year from the present date; and all Officers who have already been recommended by the General Commanding-in-Chief will be entitled to their privileges, without regard to any obstruction which might otherwise be offered by the Regulations now established.

7. Officers cannot be allowed advantages in the acquisition of Land in any Colony, unless it be their intention to fix their residence in that Colony. In order to insure the observance of this rule, it has been determined that the Titles to Lands, obtained by Officers who take advantage of the peculiar Regulations existing in their favor, shall be withheld for a period sufficient to prove that they have not repaired to the Colony for the mere purpose of gaining possession of a portion of land and then departing.

Two years is the period for which it has been decided that the Titles shall be kept back: this delay will be sufficient for the salutary object in view, and will not constitute any serious inconvenience to the *bonâ fide* Settler.

8. By the annexed Regulations for the disposal of Crown Lands, it will be observed that the General Sales will take place periodically; but in order to prevent inconvenience to Officers who may arrive in the intervals between those Sales, and be desirous at once to obtain an allotment, the Governors of the Colonies are authorised to allow Officers to acquire, at any time, on payment of the upset price, Lands which have previously been offered for sale at some General Sale and not been bought.

Officers will thus be relieved from delay at the time of establishing themselves in the Colony. They will also be enabled, by this arrangement, which will permit them to obtain their Land at a fixed price, to choose such a quantity as shall be exactly equivalent to the amount of the remission

to which they are entitled, instead of being liable to be called upon to pay a balance, which must be the case if they bid for Lands at a Sale by Auction.

9. There being little or no Crown Land available in Prince Edward's Island, Officers cannot be offered any privileges in the acquisition of Land in that Colony. In Cape Breton, an Island in which the natural inducements for settlement of Officers are not very considerable, it is necessary, from local circumstances, that there should not be a remission of purchase money as in other Colonies; to such Officers as may wish to settle in this Island, Allotments of Land will be granted on the same Scale and Conditions as before the general introduction of the system of selling the Crown Lands, viz:—

To a Lieutenant Colonel -	-	1200 acres
— Major -	-	1000 ditto
— Captain -	-	800 ditto
— Subaltern -	-	500 ditto

The Tenders for Forage are not required to state the price of the Ration for Oxen, as when the latter is required one-half of the allowance fixed for Horses will be drawn, and one-half the price allowed to the Contractor, whose engagement is to provide for both Horses and Oxen.

In the event of a difference of opinion between the Contractor and the Party receiving the supplies, as to the quality, the same is to be decided by a Board of Survey, according to the practice of the Service. But in Country Districts where a Board of Survey cannot be conveniently assembled, the Party objecting will name one Person as Arbitrator, the Contractor or his Agent another, and these two will (previously to any other proceeding on their part) concur in naming a third as Umpire, who, in the event of the Arbitrators not agreeing in opinion, will be called upon for his decision, which shall be final.

If the Board, Arbitrators, or Umpire, shall decide that the article is not of proper quality, it must be immediately replaced by the Contractor, failing of which it will be procured by the Department requiring it, and the expense charged to the Contractor.

In the event of any unnecessary delay or failure of the Contractor to supply the articles when required, they will be otherwise procured in like manner.

A repetition of irregularity in the quality or quantity of the supplies, or of any delay in delivering or replacing them when required, will subject the Contractor, upon the report of the Officer in charge of the Parties or Establishment, to such mulct, not exceeding one-fourth the amount of his monthly account, as the Governor may direct. It will also be in the power of the Governor, upon such repetition, to terminate the Contract.

It will be in the power of either party to limit the duration of the Contract, by giving in writing a notice of three full calendar months to the opposite party, and to end the Contract at the expiration of that period.

The Contractor will be required to prepare his own account, monthly or quarterly, in the prescribed form; and on the production thereof, with the requisite vouchers, in a complete state, to the officer receiving the supplies, the same will be forwarded by the latter to the Auditor-General, in order that a Warrant may be prepared, and payment made from the Colonial Treasury.

The value of all packages to be included in the prices demanded.

Printed Forms of Tender may be obtained at this Office, and from the Police Magistrates of the several Districts, and as adequate security will be required for the due fulfilment of the Contract, no Tender can be attended to unless accompanied by a certificate from the parties proposed as such, stating that they are willing to become bound as securities for the Contractor accordingly, and the bonds must be executed within

the day of the acceptance of the Tender being notified, failing of which the Contracts will be again advertised, or another Tender accepted.

The Tenders to contain the names of the Tenderers and their Sureties, and places of residence, at length.

All Tenders to be enclosed in a separate envelope, and marked "Tender for Provisions, &c."

By Command of His Excellency the Governor,
E. DEAS THOMSON.

Case No. 146—H. H. M'ARTHUR, Esq., M. C.

Nine thousand three hundred and sixty acres, in the County of Argyle, parish of Eden Forest, and parish unnamed, at Eden Forest, commencing at a road at the west corner of H. H. M'Arthur's 3140 acres, and near the south-west corner of his 1000 acres; and bounded on part of the east by the 3140 acres, being a line south 77 chains; again by a line east 25 chains to the Wollondilly River; on the east and south by that river to a sapling and box tree marked opposite Peter's north-west corner; on the west by a line north 658 chains; on the north by a line east 220 chains to the Wollondilly River; on the east by that river to a creek; again on the east by that creek to a box tree; on the east by H. M'Arthur's 1000 acres, being a line south 20 degrees east 53 chains to a road; and on the south by that road to the west corner of H. H. M'Arthur's 3140 acres aforesaid.

On the 26th February, 1829, Governor Darling authorised the late Mr. Charles M'Arthur to purchase 9360 acres of land, which was selected as above described.

Case No. 147—MARY BEDFORD, of Parramatta.

One rood and nine perches, County of Cumberland, parish of St. John, Town of Parramatta, parts of allotments Nos. 5 and 7 of section No. 10, commencing at the south-east corner; and bounded on part of the south by a line west 1 chain and 42 links; on part of the west by a line north 5 degrees east 49 links; again on the south by a line west 5 degrees north 1 chain and 47 links; again on the west by a line north 6 degrees east 1 chain and 66 links; on the north by a line east 5 degrees south 2 chains and 83 links; and on the east by O'Connell-street, bearing south 5 degrees west 1 chain and 88 links.

This land comprises portions of two allotments, Nos. 5 and 7 in section No. 10, leased by Sir Thomas Brisbane for 21 years from the 30th June, 1823, respectively, to William Wicks and John Ready. The premises, it is alleged, were some 20 years ago in the possession of William Tuckwell, who sold to Patrick Kirk, who sold to Owen Martin, who sold to William Wicks, who left to his wife Ann Wicks, now deceased, who devised to Executors, who sold to Bryan or Benjamin Bedford, deceased, who claimed a Grant under the old Com-

mission by Memorial No. 114, but which was not prepared. *Mary Bedford claims as his only child and heiress at law.*

Case No. 148—BARKER and HALLEN, on behalf of Thomas Barker, Esq., Trustees for Mrs. Elizabeth Woodhouse and her children.

Three hundred and twenty acres, in the County of Georgiana, parish unnamed, at Gunningdelbella, commencing at about a mile east of the confluence of the Gunningdelbella Creek with the Lachlan River; bounded on the north by Gunningdelbella Creek; on the east by a line south 78 chains; on the south by a line west 40 chains; and on the west by a line north 90 chains.

The order on which this land was located is in favour of George Marriott Woodhouse. It was issued by Sir Thomas Brisbane, and is dated 15th July, 1824. It is alleged that it has been made over in trust for the benefit of Mrs. Woodhouse and her children.

Case No. 149—SAMUEL STOW, of Parramatta.

Fifty-two perches, in the County of Cumberland, parish of the Field of Mars, Town of Parramatta, allotment No. 11 in section No. 16; bounded on the north by a line 2 chains 25 links; on the east by a line 1 chain 61 links; on the south by a line to the Windsor Road 2 chains 25 links; and on the west by that road 1 chain 66 links.

This land is leased by Sir Thomas Brisbane for 21 years from the 30th June, 1823, to Patrick Goggins, who, it is alleged, sold to Mary Marfield; and John Marfield and Mary his wife sold to claimant.

Case No. 150—GEORGE THOMAS PALMER, Esq., of Parramatta, Gentleman.

One thousand two hundred acres, in the County of Northumberland, parish unnamed, near Ellalong Lagoon; bounded on the south by a line forming part of the north boundary of William Thurlow's grant, 100 chains to the north-east corner of the said grant, and by a line from the said north-east corner bearing east 60 chains; on the east by a line bearing north 80 chains; on the north by a line bearing west 160 chains; and on the west by a line bearing south 80 chains.

This land was located in pursuance of an order by Sir Thomas Brisbane, dated the 29th June, 1825, in favour of William Parker. It is alleged that it was sold by the Sheriff to James Norton, Esq., who sold to R. A. Wiseman, who sold to claimant.

Case No. 151.—J. B. BETTINGTON, Esq. Gent., of Upper Hunter.

Six hundred and forty acres, in the County of Brisbane, parish unnamed, at Gummum Plains; bounded on the south by the northern boundary of W. C. Wentworth's 640 acres purchase, being a line west 88 chains, commencing on Smith's rivulet, at the north-east corner of Wentworth's purchase; on the west by a line north 80 chains; on the north by a line east 58 chains to Smith's rivulet; and on the east by that rivulet to the north-east corner of Wentworth's purchase aforesaid.

This land was located in pursuance of an order by Sir Richard Bourke, K. C. B., dated 30th November, 1833, in favor of Robert Scott, who sold, it is alleged, to claimant. Scott is absent from the Colony.

Case No. 152—HARRIET WALSH, Widow, on behalf of Thomas Weedon, of the Parramatta Road, Licensed Victualler.

Five perches in the County of Cumberland, Town of Sydney, parish of St. Phillip, allotment No. 1, of Section No. 80; bounded on the west by Cambridge-street, bearing south 1 degree 30 minutes east 52½ links; on the south by allotment No. 2, bearing east 6 degrees, south 60 links; on the east by Harrington street bearing north 5 degrees 30 minutes east 54½ links; and on the north by a lane bearing west 4 degrees north 66 links.

This allotment was claimed under the Old Commission in Memorial, No. 835, by Mrs. Walsh on behalf of Weedon, to whom it was sold by the Sheriff, and in whose name it was subsequently advertised for Deeds. See Gazette of 7th June, 1835, page 418. The land, it is alleged, was originally leased by the Crown to Patrick Cullen, who sold to William Walsh, the elder; and William Walsh, the younger, (claimant's late husband) obtained it, as heir at law. The Commissioners do not report: there being an erroneous description in the Memorial, which led to a supposition of its being for other land. There is moreover an heir at law, and it is also supposed, that there is a trust deed, empowering one Chapman to act.

Secretary.
