Each Contractor will be bound under a penalty of £5 for each and every offence, over and above the penalties provided by the Act of Council, for the receipt or conveyance of any letter or packet by himself, or by any of his servants or passengers, to the prejudice of the Post Office Revenue.

It will be optional with the parties offering, whether for one or more of the above line of stages, to propose the mode of conveyance; but on all roads where mail carriages can travel, a preference will be given to that mode of conveyance, and the Contractors will be held strictly bound to use the

conveyance they propose, and to provide secure lockers, and dry covering for the mail bags. All fines and penalties incurred under the agreement, to be deducted by the Postmaster-General from the next quarterly payment, falling due to the Contractor.

It is desirable that each party tendering, or an agent for him, may attend at this office on the appointed day for opening the tenders; and that each tender may specify the names of two respectable and solvent persons, willing to enter into a bond with the Contractor, for the safety of the mails, and the due performance of the contract.

The hours of starting from each Post Office, and other particulars, may be ascertained at the General Post Office, where parties proposing to tender are invited to apply.

Printed forms of tender may be had on application at the General and all other Post Offices throughout the Colony.

N. B. Tenders for a three year's contract for conveyance of the mails daily, (Sunday's excepted) from and to Sydney and Windsor, Parramatta and Penrith, and Sydney and Campbelltown, will be entertained, if submitted, should parties consider it advisable thus to lengthen the term of their engagement, to ensure a more complete establishment of carriages and horses.
