It is to be understood that the Mail is invariably to start on days as above, or hereafter to be fixed, and the contractor to carry all bags or letters which may be delivered to him under the authority of the Postmaster-General, or any of the Postmasters.

Each Contractor will be bound under a penalty of £5 for each and every offence, over and above the penalties provided by the Act of Council, for the receipt or conveyance of any letter or packet by himself, or by any of his servants or passengers, to the prejudice of the Post Office Revenue.

It will be optional with the parties offering, whether for one or more of the above line of stages, to propose the mode of conveyance; but on all roads where mail carriages can travel, a preference will be given to that mode of conveyance, and the Contractors will be held strictly bound to use the conveyance they propose, and to provide secure lockers, and dry covering for the mail bags. Mail carts drawn only by one horse, must not carry more than one passenger; by two horses not more than three passengers; and by three or more horses, not more than six passengers, exclusive of the drivers; under a penalty for each offence of not less than £1, nor more than £5.

All vehicles and horses employed in the conveyance of mails, to be at all times subject to the inspection and approval, or rejection of the Postmaster-General, or person appointed for that purpose. The drivers and postmen to be free men, and of certified good character.

The Contractor will be liable to a fine of five shillings for every five minutes delay, after the specified time of starting.

The rate of travelling will not be less than seven miles per hour in the County of Cumberland, and six miles per hour on all other roads, including all stoppages, under a penalty of five shillings for every ten minutes delay after the specified time of arrival.

All fines and penalties incurred under the agreement, to be deducted by the Postmaster-General from the next quarterly payment falling due to the Contractor.

It is desirable that each party tendering, or an agent for him, may attend at this office on the appointed day for opening the tenders; and that each tender may specify the names of two respectable and solvent persons, willing to enter into a bond with the Contractor, for the safety of the mails, and the due performance of the contract.

The hours of starting from each Post Office, and other particulars, may be ascertained at the General Post Office, where parties proposing to tender are invited to apply.

Printed forms of tender may be had on application at the General and all other Post Offices throughout the Colony.

N. B. Tenders for a three year's contract for conveyance of the mails daily, (Sunday's excepted) from and to Sydney and Windsor, Parramatta and Penrith, and Sydney and Campbelltown, will be entertained, if submitted, should parties consider it advisable thus to lengthen the term of their engagement, to ensure a more complete establishment of carriages and horses.

By His Excellency's Command.

E. DEAS THOMSON.

Colonial Secretary's Office,

Sydney, 23rd October, 1838.

The Lamps will be provided by Government, but the Contractor will be required to provide Oil and Wicks, and to give security by two Sureties to the amount of four hundred pounds for preserving the Lamps in good condition, and for keeping them lighted from half an hour after sunset until sunrise, under the penalty of forfeiting One Shilling for every light that may fail.

Town of Newcastle, allotment No. 9.

In 1830 Henry Rae applied to the Crown for a gift of this allotment, but was refused on account of an allotment having been given to him at Maitland: nevertheless he has sold, it is alleged, to Mr. Reid, whose Claim for a Deed of Grant is referred for the investigation of the Commissioners as a special case.

Case No. 318.—JAMES REID, of Newcastle.

One rood in the county of Northumberland, parish of Newcastle, town of Newcastle, allotment No. 8; bounded on the west by 1 chain of the east side of Watt-street, bearing north 7 degrees east; on the north by the south boundary line of allotment No. 6, bearing east 7 degrees south 2 chains and 25 links; on the east by the west boundary line of allotment No. 7, bearing south 7 degrees west 1 chain; and on the south by the north boundary line of allotment No. 10, bearing west 7 degrees north 2 chains and 25 links to Watt-street.

This allotment was located on an order of Sir Thomas Brisbane's, dated the 12th July, 1823, in favor of James Phillip Webber, now absent from the Colony, who, it is alleged, sold to claimant.

Case No. 319.—Representatives of the late George Howell, of Parramatta.

Thirty-seven perches, in the county of Cumberland, parish of the Field of Mars, town of Parramatta, allotment No. 2, in section No. 20; bounded on the south by Thomas Bowden's allotment east 182 links; on the east by an allotment north 134 links; on the north by William Carter's allotment west 165 links to Villier's-street; and on the west by Villier's-street south 6 degrees west 135 links.

On the 12th January, 1832, the above description of this land was advertised in the Gazette with the view to the preparation of a Deed of Grant in the name of John Ward, who subsequently requested the preparation of the Deed in the name of George Howell, as announced in the Gazette notice of the 6th November, 1837, and a Deed was prepared; but as it was executed after Howell's death another is required. Ward, it is alleged, purchased of F. Atkinson, who purchased from Roberts, who purchased from S. Dyson, who purchased from Ann Flintoff, the original locatee.

Case No. 320.—Representatives of the late George Howell, of Parramatta.

Forty perches, in the county of Cumberland, parish of St. John, town of Parramatta, allotment No. 49 in section No. 18; bounded on the west by a line 2 chains 55 links; on the south by a line 91 links; on the east by a line to George-street 2 chains 55 links; and on the north by that street 91 links.

This allotment formed the subject of the case No. 127, and is now referred to the Commissioners in consequence of the death of Mr. Howell.
