PUBLIC ACCOUNTS.

ALL Persons having claims on the Colonial Treasury are requested to furnish their Accounts through the proper channel before the end of the year, or as soon thereafter as practicable.

The several Collectors, and Officers in the receipt of Public Monies will pay over to the Colonial Treasurer, on or before the 31st of the present month, the amount of all collections remaining in their hands, respectively, up to that date,

so that the entire Revenue collected by each may be credited in the accounts of the year within which it was received.

The Heads of Departments and other Officers who have received advances to enable them to defray expenses incurred under their superintendence are requested to furnish to the Audit Office, as far as practicable, and with all convenient despatch, the accounts of the expenditure thereof, and on or before the last day of the current month to pay into the Colonial Treasury the unexpended balance of such advances, that the adjustment of the same may appear in the accounts to the 31st instant.

They will also, as soon as practicable after the close of the year, bring forward all accounts of expenses incurred within the same, which do not admit of being previously settled, so that, if possible, all the expenses incurred in the present year may be finally adjusted and liquidated within one month after its termination.

The Colonial Treasurer is requested to use his endeavours to give effect to these directions, and to report, through the proper channel, for the information of his Excellency the Governor, any instance of neglect in complying therewith, on the part of the Public Officers concerned.

*Colonial Secretary's Office,
Sydney, 12th December, 1838.*

ASSIGNED SERVANTS.

IN consequence of recent Despatches from the Right Honorable the SECRETARY OF STATE for the Colonies, His Excellency the GOVERNOR has been pleased to direct, that the particular attention of the Colonists be drawn to the Government Notice of the 18th November, 1837, intimating the intention of Her Majesty's Government to discontinue at the earliest possible period the Assignment of Convicts to Private Service, in the Australian Colonies, and pointing out the consequent necessity of Settlers looking rather to Immigration than to Assignment for the requisite supply of labor. His Excellency is again assured of the early intention of Her Majesty's Government to carry the measure into effect, and is therefore, very desirous of impressing upon the Colonists the expediency and importance of their availing themselves as soon as possible of the advantages held out by the Regulations of 25th September, 1837, in obtaining an adequate supply of free labor.

His Excellency takes this opportunity of also making known the instruction which has been given to discourage as much as possible the Assignment of Convicts in the Port Phillip Districts, in order to prevent disappointment to Settlers who may in future become purchasers of land in that part of the Colony.

*By His Excellency's Command,
E. DEAS THOMSON.*
