COUNCIL.

That the Vice President, or any four of the other Trustees attending any meeting, may frame rules and regulations for the management of the said Bank; and may revoke, alter, or modify the same; and make new or other regulations as occasion may require: Provided that no such regulations shall be deemed valid, or be acted upon, until the same shall have been confirmed by the Governor.

That the Vice President and any four of the other Trustees may appoint any fit person to be the Accountant of the said Bank, subject to the approbation of the said Governor; and that the Accountant of the said Bank shall give security, by bond, with two or more sufficient Sureties for the due discharge of his office.

That it shall be lawful for any one or more of the said Trustees, together with the Accountant, or in the event of his absence, for any two or more Trustees, at such time or place as shall be fixed by regulations, to receive from any person or persons, in the way of deposit, any sum of money, not being of value less than One Shilling nor more than One Hundred Pounds; and they shall then and there cause the money so received to be entered in a Book to the credit of the party making such deposit; and the amount of such deposit, and all other monies received at the Bank, shall, with all convenient speed, be paid into such one of the Colonial Banks in Sydney as shall be approved of by the Vice President and any four of the said other Trustees; and the same shall be

Sydney, 29th July, 1839.*

VACCINATION.

IN order to avert the calamities which must necessarily follow if the Small Pox be introduced into the Colony, and to keep up a constant supply of Vaccine Lymph, His Excellency the GOVERNOR directs it to be notified, that Children will receive Vaccination gratis if taken to any of the Public Hospitals, or Colonial Surgeons, throughout the Colony, every Tuesday, at eleven o'clock in the forenoon. But as the operation itself, without any proof of its having taken effect would be insufficient security to the public mind, His Excellency has been pleased to direct, that a charge of one shilling shall be deposited for every Child vaccinated, which sum will be returned on the presentation of the Child on the next Vaccination day.

His Excellency very strongly recommends to Parents and Guardians to avail themselves as early as possible of the means thus afforded to them of taking this necessary and proper precaution, with respect to all Children not already Vaccinated.
