# CHARITABLE INSTITUTIONS.

**H**IS Excellency the GOVERNOR directs it to be notified, that applications for pecuniary aid from the Colonial Treasury for the support of Dispensaries, Schools, or other Charitable Institutions established by societies or Individuals, and unconnected with the Local Government, are to be addressed to the Colonial Secretary, and delivered at his Office in Sydney, on or before the 31st of May next.

2. All such applications are to be made by the Trustees, Committee, Treasurer, or other person or persons managing the affairs of the Institution, and are to contain a brief account of the objects for which it has been established, and of the service it has rendered to the public in the past year, with the names of the persons forming the Society. The application is to be accompanied by a statement of the funds of the Institution, shewing the amount received in the last year by private contributions, or from public bodies, the amount and general particulars of expenditure during the same period, and the balance actually in hand, on the 1st day of January of the present year, together with a statement of any debts then chargeable against the Institution.

3. The statement of accounts is to be verified by a declaration from the Treasurer or Manager of the funds of the Institution in the following form:—

*I do hereby declare and certify to the best of my knowledge and belief, the foregoing account is a true and bonâ fide statement of the whole funds, receipts, and expenditure of the during the year 1839, and of the balance in hand, and the debts of the Institution, upon the 1st of January, 1840. In witness whereof, I have hereunto set my hand, this day of*

Declared and subscribed before me }*

*at in New South*

*Wales, this day of*

*(Signature of Magistrate.)*

4. If any assistance be required towards the erection of buildings, the application must be made in the annexed form Z, specifying the object, amount of contributions collected, and other particulars therein mentioned; nominating Trustees for the approval of the Governor and Executive Council; enclosing a plan and specification of the intended Building; and describing the nature of the Title to the site, without satisfactory proof of the validity of which, no aid whatever can be granted towards the purpose stated.

5. If the objects of the Institution, and the manner of conducting it, are such as in the opinion of the Governor to render it deserving of support from the public funds, application will be made to the Legislative Council for such aid as it may be deemed proper to grant, in no case exceeding the amount of private contributions and donations from public bodies.

6. If the Council shall think fit to appropriate a sum towards the general support of the Institution, a warrant for issuing the amount will be prepared immediately after, upon application being made to the Auditor-General, accompanied by

7. If any sum shall be appropriated towards the erection of buildings, the Trustees will be required to transmit to the Colonial Secretary, before any issue can be made, an account of the sums actually expended thereon, accompanied by the usual vouchers. Such account will then be referred to some competent Architect appointed on behalf of the Government, who will be required to examine the building, and certify that the workmanship and materials are good and sufficient, and conformable to the plan and elevation laid before the Governor and Council, and that he believes the specified sum to have been actually laid out. One half of the amount of any sums so expended and certified, will be issued to the Trustees from time to time; but it is to be understood that the number of examinations and issues is not on account of any one building to exceed two intermediate, and one final, or three in the whole.

8. No expenditure can be sanctioned unless the estimate be sent in, and the amount voted by the Legislative Council as above mentioned.
