PASTURAGE LICENSES.

HIS Excellency the GOVERNOR directs it to be notified, that in order to insure greater regularity in future in taking out Licenses to Depasture Stock beyond the boundaries of location, the following modifications have been made to the Government Notice of the 21st May, 1839:—

Parties desirous of renewing their Licenses, will be permitted to do so, on paying to the Colonial Treasurer, in Sydney, or Sub-Treasurer, at Melbourne, if for the Western-Port or Portland Bay districts, the established fee of Ten Pounds, at any time between the 1st day of July and 30th day of September in each year, and without any fresh application being made to the Commissioners. Failing such renewal within the prescribed period, if the party continue in

The Commissioner of each district will make a return to the Colonial Treasurer, at Sydney, or Sub-Treasurer, at Melbourne, in the month of June in each year, of all licensed persons occupying stations in his district; and immediately after the 30th September, the Treasurer and Sub-Treasurer will apprise the Commissioners of the names of the parties who may have failed or neglected to take out their licenses, in order that they may be prosecuted accordingly.

The Treasurer and Sub-Treasurer will not, after the 30th September, allow any such party to renew his license, until apprised by the Commissioner, that he has been duly prosecuted under the Act referred to, for such failure or neglect, and that no objection exists to the renewal of the license in his favor.

If the Commissioner shall be of opinion that the license of any person in his district ought not to be renewed, he will make a full report of the case to the Colonial Secretary, for the Governor's information, with the grounds of his objection, in order that His Excellency may decide upon the same, and the party and the Colonial Treasurer be apprised accordingly.

These Districts are described in the Notice from this Office, dated 12th August 1840, and inserted in the Government Gazette of the 26th August 1840, No. 52; and further particulars respecting them may be obtained from the Police Magistrate.

CONDITIONS.

All the articles required by this Notice are to be of the best quality of their several kinds.

The Flour and Bread must be the produce of clean sound Colonial wheat, from which, on the Ration of Emigrants, Surveying and Mounted Police Parties, Superintendent and Crew of the Floating Light, Men at the Light-house, Boatmen, and the Orphan Schools, 20 per cent., and on the Ration to Prisoners of the Crown 10 per cent. has been extracted in Bran and Waste.

Beef and Mutton to be issued in such proportions as may be required for the Ration to Emigrants, and, when the quantity admits of it, this, as well as the Convict Ration of Beef, to be deliverable in fore and hind quarters alternately.

Beef to be issued to the Orphan Schools on five days, and Mutton on two days of the week.

The Maize Meal to be similar in quality to the Wheat Meal, and to be twice ground,

When it may be necessary to substitute one article for another, the following proportions are to be observed, viz.—1 lb. wheat flour or 1 lb. biscuit, equal $1\frac{1}{4}$ of bread; 1 lb. salt-beef or 1 lb. mutton, or 10oz. salt pork, equal to 1 lb. of fresh beef.

These substitutions are not to be made except on the requisition of the officer authorised to draw the several Rations.

Hospital Bread is to be supplied to the Children of the Female Orphan School, when required by the Surgeon, in lieu of the ordinary Ration.

Vegetables to be supplied in reasonable proportions of potatoes, greens, pumpkins, onions, &c. &c.

The supplies for Road and other Parties are to be delivered at the nearest fixed Stations to the places where the party may be employed, on the requisition of the Officer in charge; and in case the whole Ration of Forage be not required or delivered, each of the species to be reckoned as the portion of the Ration undermentioned:—The maize or barley 4-12, the hay 5-12, the bran 2-12, the straw 1-12.

The Supplies (not specified in the preceding paragraph) are to be delivered direct to the Parties or Establishments entitled thereto, on the written order of the person duly authorised for the purpose.

Separate Tenders will be required for the Forage in the District of Sydney; but the other supplies for that district are to be tendered for together.

The supplies for each of the other Districts, with the exception of those for the Orphan Schools and the Lunatic Asylum, are intended to be included in one Contract; and therefore no Tenders can be received unless for supplying the whole that may be required in the entire of a District, and to each District there must be a separate Tender.

Separate Tenders to be made for each of the Orphan Schools, and for the Lunatic Asylum.

Provisions and Forage being required by Rations, according to the scales under their respective heads, the Tenders are required to express the price per ration only.

The Tenders for Forage are not required to state the price of the Ration for Oxen, as when the latter is required, one half of the allowance fixed for Horses will be drawn, and one half the price allowed to the Contractor, whose engagement is to provide for both Horses and Oxen.

In the event of a difference of opinion between the Contractor and the party receiving the supplies, as to the quality, the same is to be decided, in cases where the article is not of a perishable nature, by a Board of Survey, according to the practice of the service. But in country districts where a Board of Survey cannot be conveniently assembled, the party objecting will name one person as arbitrator, the Contractor or his agent another, and these two will (previously to any other proceeding on their part) concur in naming a third as umpire, who in the event of the arbitrators not agreeing in opinion will be called upon for his decision, which shall be final.

If the board, arbitrators, or umpire, shall decide

that the article is not of proper quality, it must be immediately replaced by the Contractor, failing of which it will be procured by the Department requiring it, and the expense charged to the Contractor.

In the event of any unnecessary delay or failure of the Contractor to supply the articles when required, they will be otherwise procured in like manner.

In cases where the article is of a perishable nature, or from some other cause injury would be sustained either by the parties to whom the Rations are due, or to the Contractor, by waiting for a Board of Survey, the head of the department, or officer in charge of the party or parties for whom the Rations are to be received, shall have power to reject such article or articles as are obviously of inferior quality; it being distinctly understood that he will be responsible to the Government for so doing; and that the Contractor will have a right to appeal to the Governor, although, in the mean time, he must take back the rejected article and supply good in its stead.

A repetition of irregularity in the quality or quantity of the supplies, or of any delay in delivering or replacing them when required, will subject the Contractor, upon the report of the officer in charge of the parties or establishment, to such mulct, not exceeding one-fourth the amount of his monthly account, as the Governor may direct. It will also be in the power of the Governor, upon such repetition, to terminate the contract.

It will be in the power of either party to limit the duration of the contract, by giving in writing a notice of three full calendar months to the opposite party, and to end the contract at the expiration of that period.

The Contractor will be required to prepare his own account, monthly or quarterly, in the prescribed form; and on the production thereof, with the requisite vouchers, in a complete state, to the officer receiving the supplies, the same will be forwarded by the latter to the Auditor-General, in order that a warrant may be prepared, and payment made from the Colonial Treasury.

The value of all packages to be included in the prices demanded.

Printed Forms of Tender may be obtained at this Office, and from the Police Magistrates of the several Districts; and as adequate security will be required for the due fulfilment of the Contract, no Tender can be attended to unless accompanied by a certificate from the parties proposed as such, stating that they are willing to become bound as securities for the Contractor accordingly, and the bonds must be executed within ten days from the day of acceptance of the Tender being notified, failing of which the Contracts will be again advertised, or another Tender accepted.

The Tenders to contain the names of the Tenderers and their Sureties, and places of residence, at length.

All Tenders to be enclosed in a separate envelope, and marked "*Tender for Provisions, &c.*" Further particulars and information may be obtained on application at this office.

The Parties tendering, or an Agent for them, are requested to attend at this Office, at the time appointed for receiving the Tenders.

By His Excellency's Command,
E. DEAS THOMSON.

COURT OF CLAIMS.

NOTICE is hereby given, that the following CLAIMS to DEEDS of GRANTS of LANDS and TOWN ALLOTMENTS, will be for examination by the Commissioners appointed for that purpose under the Act of Council 5th William IV., No. 21, at the expiration of two months from this date, before which day Caveat or Counter Claim must be entered at this Office. Due notice will be given of the days appointed for the hearing.

Case No. 764.—Richard Blackwell, of Woodburn, Stonequarry.

Two roods, County of Cumberland, parish of St. John, Town of Parramatta; bounded on the south by Early-street, bearing west 4 chains 42 links, commencing at the Sydney-road; on the west by a line north 1 chain 19 links; on the north by a line east 4 chains 13 links to the Sydney-road; and on the north-east by the Sydney-road, bearing south 15 degrees, east 1 chain, 24 links to Early-street.

This allotment was located on an order of Sir Richard Bourke, dated 23rd December, 1834, in favour of Thomas Horton James, as the assign of one Mrs. Mary Early, as compensation for another

allotment on the Windsor-road, which had been selected by Mrs. Early, but was confirmed to one Richard Edwards. Thomas Horton James, it is alleged, sold to Richard Blackwell and W. H. Blackwell; the latter died insolvent leaving Richard Blackwell responsible.

Case No. 765.—John Terry Hughes, and John Hosking, of Sydney, Merchants, and Richard Lang, of

One rood, ten perches, County of Cumberland, Town of Sydney, parish of St. Philip, allotment No. 2 of section No. 87; bounded on the west by Cumberland-street, bearing south 18 degrees, west 173 links; on the south by allotment No. 3, bearing east 16 degrees 30 minutes, south 177 links; on the east by Gloucester-street, bearing north 18 degrees, east 173 links; and on the north by allotment No. 1, bearing west 16 degrees 30 minutes, north 183 links.

The above description was inserted in the Gazette notice of the 13th April, 1839, page 447, and previously in the Gazette notice of 18th August, 1835, page 579, preparatory to the making out of a Deed of Grant in the name of Richard Lang, who was found in possession. Messrs. Hughes and Hosking allege that they have purchased a portion off John Fales, who purchased off Lang. The nomination of a common Trustee will be necessary.

Case No. 766.—Elizabeth Thomas, of Gloucester-street, opposed by William George Thomas.

Eight perches, County of Cumberland, Town of Sydney, parish of St. Philip, allotment No. 6 of section No. 69; bounded on the east by the line of Harrington-street, bearing north 86½ links; on the north by the street and by allotment No. 7, bearing west 9 degrees, north 56 links; on the west by allotment No. 5, bearing south 22 degrees, west 61½ links; and on the south by allotment No. 4, bearing east 30 degrees, south 91½ links.

The above description was inserted in the Gazette notice of 16th March, 1839, page 325, preparatory to the making out of a Deed of Grant in favour of William George Thomas, who was found in possession. It is alleged, however, that it is the property of his wife. In 1807 Bridget Nowland purchased off Samuel Thowley, and obtained a lease from Governor Macquarie; and Mrs. Thomas is her heiress-at-law and devisee.

Case No. 767.—Thomas Ryan, of Sydney, opposed by Thomas Joyce, of Sydney.

Six perches, County of Cumberland, Town of Sydney, parish of St. Andrew, allotment No. 21 of section No. 23; bounded on the east by allotment No. 4, bearing north 14 degrees 30 minutes, west 36 links; on the north by allotment No. 20, bearing west 15 degrees 30 minutes, south 108 links; on the west by Kent-street, bearing south 15 degrees, east 37½ links; and on the south by allotment No. 22, bearing east 16 degrees 20 minutes, north 108 links.

The above description was inserted in the Gazette notice of 3rd June, 1834, page 349, in blank, preparatory to the making out of a Deed of Grant for whomsoever might claim the allotment. It is alleged that it was leased to Joyce by Sir Thomas Brisbane as No. 52, Kent-street; but it is the adjoining allotment No. 22 of the section that was No. 52, Kent-street. This did not, however, disturb the occupancy. Ryan claims as a purchaser from Joyce.

Case No. 768.—Thomas Ryan, of Sydney, opposed by Michael Joyce of Sydney.

Ten perches, County of Cumberland, Town of Sydney, parish of St. Andrew, allotment No. 19 of section No. 23; bounded on the east by allotments Nos. 6 and 7, bearing north 10 degrees, east 59 links; on the north by allotment No. 18, bearing west 15 degrees 15 minutes, south 111 links; on the west by Kent-street, bearing south 15 degrees, east 59½ links; and on the south by allotment No. 20, bearing east 15 degrees 15 minutes, north 105 links.

The above description was inserted in the Gazette notice of 3rd June, 1834, page 349, preparatory to the making out of a Deed of Grant for Thomas Ryan. It is alleged that it was leased by Sir Thomas Brisbane to Michael Joyce, as No. 54, Kent-street; but it is the adjoining allotment, No. 20 of the section claimed by the Benevolent Asylum, as case No. 755, that was 54, Kent-street. This did not, however, disturb the occupancy. Ryan claims as a purchaser from Joyce.

Case No. 769.—Michael Byrne, of Campbelltown, by his Attornies, Messrs. Rogers and Young.

Thirty acres, County of Cumberland, parish of St. Peter's; bounded on the east by a creek; on the south-west side by Dwyers and Neale's farm, being lines north 45 degrees, west 20 chains; west 45 degrees, south 2 chains and 18 links; and north 45 degrees, west 16 chains and 60 links; on the north-west by a line bearing north 45 degrees, east 10 chains, commencing from Neale's north corner; and on the north-east by a line bearing south 45 degrees, east 33 chains to the creek.

This land was located on an order of Governor Macquarie, dated 10th September, 1818, in favour of John Bryan, who, it is alleged, sold to John Leary, who sold to Claimants. The description was inserted in the notice of 16th October, 1831, as No. 3, St. Peter, and again on 10th November, 1831. It was then referred to the former Commission, as intimated in the notice of 24th December, 1833; but, as no memorial was filed, nothing was done.

Case No. 770.—Joseph Thomson of Liverpool, Representative of

The above description was inserted under the head of "Claimant Unknown," in the Gazette Notice of 19th January, 1839, page 89, preparatory to the making out of a Deed of Grant, but no one came forward to claim it. It has now been ascertained that it was devised to Claimant by the late—Wright.

Case No. 753.—Joseph Settree, of Sydney, in opposition to Frederick William Reece, of Sixty acres, County of Northumberland, parish

named, at *Brisbane Water*; bounded on the east by a line commencing on *Brisbane Water*, north 20 chains; on the north by *Brisbane Water*; on the west by a line south 28 chains; and on the south by *Brisbane Water*.

This land was located on an order of Governor Darling, which was confirmed by Sir Richard Bourke, on 6th February, 1832, in favour of Joseph Settree, who claims the Deed of Grant, and denies that Reece, who has also claimed it, has any right so to do. The description was inserted in the Gazette Notice of 30th November, 1839, page 1357, in the name of the promisee.

Case No. 754.—Joseph Nobbs, of York-street, Sydney.

Sixty acres, County of Cumberland, parish of *St. George*; bounded on the north, east, and west by *Cook's River*; on the west by a line south 8 chains, commencing at a Gully; and on the south side by a line east 30 chains to a Mangrove Island in *Cook's River*.

This land was located on an order of Governor Macquarie, dated 4th July, 1814, in favour of George Tyrrell, now deceased, who, it is alleged, sold to Claimant. The description was inserted in the Gazette Notice of 14th October, 1831, as No. 1, parish of St. George; and it was referred to the first Commissioner, on 24th December, 1833, but as no memorial was filed, nothing was done.

The above description was inserted in the Gazette Notice of 3rd June, 1834, page 349, preparatory to the making out of a Deed of Grant for the Benevolent Asylum. By memorial No. 655 preferred to the former Commission, it was claimed by George Brown, of Wollongong, as having originally belonged to one Michael Ryan or Joyce, but the memorial was withdrawn.

By memorial No. 791, preferred to the former commission, Thomas Rose claimed a Deed of Grant of this allotment, and the Commissioners decided upon his being entitled thereto. Subsequently however, in consequence of Rose holding under an unexpired lease of Sir Thomas Brisbane's, for 21 years from 30th June, 1823, he declined

pressing for the grant. He is now deceased, and his Representatives are to shew to whom a Deed of Grant should issue.

Case No. 757.—Thomas Bray and Edward M'Roberts, both of Sydney, and John Roby Hatfield, of the Surry Hills.

The above description was inserted in the Gazette Notice of 10th of June, 1834, page 374, preparatory to the making out of a Deed of Grant in the name of Augustus Cæsar, who was found in possession. It appears, however, that the allotment has been conveyed to Henry Ashly, as a trustee to the uses of a certain Indenture, giving Mrs. Cæsar a life interest in the allotment.
