It will be optional with parties to offer for one or more of the above lines of stages, and to propose the mode of conveyance; but on all roads where wheel vehicles can travel, a preference will be given to carriage conveyance; and the contractors will be held strictly bound to use the conveyance they propose, and to travel at the rate agreed upon. All fines and penalties incurred under the agreement, are to be deducted by the Postmaster-General from the next quarterly instalment falling due to the Contractor, and to be considered as over and above any penalties provided by any Act of Council.

Each party Tendering, or an agent for him, must attend at this Office on the day appointed for opening the Tenders; and each Tender must bear the signatures of two respectable and solvent persons, willing to enter into a Bond with the Contractor for the safety of the Mails, and the due performance of the Contract.

The hours of starting from each Post Office, and other particulars, may be ascertained at the General Post Office, where parties proposing to Tender are invited to seek information.

CONDITIONS.

All the articles required by this Notice are to be of the best quality of their several kinds.

The Flour and Bread must be the produce of clean sound Colonial wheat, from which, on the Ration of Emigrants, Surveying and Mounted Police Parties, Superintendent and Crew of the Floating Light, Men at the Light-house, Boatmen, and the Orphan Schools, 20 per cent., and on the Ration to Prisoners of the Crown 10 per cent. has been extracted in Bran and Waste.

Beef and Mutton to be issued in such proportions as may be required for the Ration to Emigrants, and, when the quantity admits of it, this, as well as the Convict Ration of Beef, to be deliverable in fore and hind quarters alternately.

Beef to be issued to the Orphan Schools on five days, and Mutton on two days of the week.

The Maize Meal to be similar in quality to the Wheat Meal, and to be twice ground.

When it may be necessary to substitute one article for another, the following proportions are to be observed, viz.—1 lb. wheat flour or 1 lb. biscuit, equal $1\frac{1}{4}$ of bread; 1 lb. salt beef or 1 lb. mutton, or 10oz. salt pork, equal to 1 lb. of fresh beef.

These substitutions are not to be made except on the requisition of the officer authorised to draw the several Rations.

Hospital Bread is to be supplied to the Children of the Female Orphan School, when required by the Surgeon, in lieu of the ordinary Ration.

Vegetables to be supplied in reasonable proportions of potatoes, greens, pumpkins, onions, &c. &c.

The supplies for Road and other Parties are to be delivered at the nearest fixed Stations to the places where the party may be employed, on the requisition of the Officer in charge; and in case the whole Ration of Forage be not required or delivered, each of the species to be reckoned as the portion of the Ration undermentioned:—The maize or barley 4-12, the hay 5-12, the bran 2-12, the straw 1-12.

The Supplies (not specified in the preceding paragraph) are to be delivered direct to the Parties or Establishments entitled thereto, on the written order of the person duly authorised for the purpose.

Separate Tenders will be required for the Forage in the District of Sydney; but the other supplies for that district are to be tendered for together.

The supplies for each of the other Districts, with the exception of those for the Orphan Schools and the Lunatic Asylum, are intended to be included in one Contract; and therefore no Tenders can be received unless for supplying the whole that may be required in the entire of a District, and to each District there must be a separate Tender.

Separate Tenders to be made for each of the Orphan Schools, and for the Lunatic Asylum.

Provisions and Forage being required by Rations, according to the scales under their respective heads, the Tenders are required to express the price per ration only.

The Tenders for Forage are not required to state the price of the Ration for Oxen, as when the latter is required, one half of the allowance fixed for Horses will be drawn, and one half the price allowed to the Contractor, whose engagement is to provide for both Horses and Oxen.

In the event of a difference of opinion between the Contractor and the party receiving the supplies, as to the quality, the same is to be decided, in cases where the article is not of a perishable nature, by a Board of Survey, according to the practice of the service. But in country districts where a Board of Survey cannot be conveniently assembled, the party objecting will name one person as arbitrator, the Contractor or his agent another, and these two will (previously to any other proceeding on their part) concur in naming a third as umpire, who in the event of the arbitrators not agreeing in opinion will be called upon for his decision, which shall be final.

If the board, arbitrators, or umpire, shall decide

that the article is not of proper quality, it must be immediately replaced by the Contractor, failing of which it will be procured by the Department requiring it, and the expense charged to the Contractor.

In the event of any unnecessary delay or failure of the Contractor to supply the articles when required, they will be otherwise procured in like manner.

In cases where the article is of a perishable nature, or from some other cause injury would be sustained either by the parties to whom the Rations are due, or to the Contractor, by waiting for a Board of Survey, the head of the department, or officer in charge of the party or parties for whom the Rations are to be received, shall have power to reject such article or articles as are obviously of inferior quality; it being distinctly understood that he will be responsible to the Government for so doing; and that the Contractor will have a right to appeal to the Governor, although, in the mean time, he must take back the rejected article and supply good in its stead.

A repetition of irregularity in the quality or quantity of the supplies, or of any delay in delivering or replacing them when required, will subject the Contractor, upon the report of the officer in charge of the parties or establishment, to such mulct, not exceeding one-fourth the amount of his monthly account, as the Governor may direct. It will also be in the power of the Governor, upon such repetition, to terminate the contract.

It will be in the power of either party to limit the duration of the contract, by giving in writing a notice of three full calendar months to the opposite party, and to end the contract at the expiration of that period.

The Contractor will be required to prepare his own account, monthly or quarterly, in the prescribed form; and on the production thereof, with the requisite vouchers, in a complete state, to the officer receiving the supplies, the same will be forwarded by the latter to the Auditor-General, in order that a warrant may be prepared, and payment made from the Colonial Treasury.

The value of all packages to be included in the prices demanded.

Printed Forms of Tender may be obtained at this Office, and from the Police Magistrates of the several Districts; and as adequate security will be required for the due fulfilment of the Contract, no Tender can be attended to unless accompanied by a certificate from the parties proposed as such, stating that they are willing to become bound as securities for the Contractor accordingly, and the bonds must be executed within ten days from the day of acceptance of the Tender being notified, failing of which the Contracts will be again advertised, or another Tender accepted.

The Tenders to contain the names of the Tenderers and their Sureties, and places of residence, at length.

All Tenders to be enclosed in a separate envelope, and marked "*Tender for Provisions, &c.*"

Further particulars and information may be obtained on application at this office.

The Parties tendering, or an Agent for them, are requested to attend at this Office, at the time appointed for receiving the Tenders.

By His Excellency's Command,

E. DEAS THOMSON.

PRINTING.

PERSONS desirous of executing such Printing as may be required for the Colonial Departments of the Government, during the year from the 1st of January, 1841, are invited to transmit Tenders to this Office, at 12 o'clock, on Monday, the 23rd of November next, each sealed and endorsed *Tender for Printing*.

Each Tender must specify separately the price of 250 Copies, and of every 250 beyond that number of each form without the paper; and it is necessary that each shall embrace the whole (with the exception of that for the Council); otherwise it cannot be received.

Copies of the several forms may be inspected on application at the Colonial Storekeeper's Office, as well as the conditions to be inserted in the Bond to be taken for the due performance of the Contract.

Separate Tenders are required for the Printing for the Council, and the Contractor for this work will be excluded from the Contract for the general Printing.

Security by two responsible parties in the sum of £500 for the due performance of each Contract will be required; as also that each Tender for the general Printing be made according to the form to be seen at the Colonial Storekeeper's Office.

The Parties Tendering, or their Agents, are requested to attend this Office at the time appointed for securing the Tenders.

For information respecting the Printing for the Council, application to be made to the Clerk of the Councils, at the Council Chamber.

By His Excellency's Command,

E. DEAS THOMSON.

COURT OF CLAIMS.

NOTICE is hereby given, that the following CLAIMS to DEEDS of GRANTS of LANDS and TOWN ALLOTMENTS, will be for examination by the Commissioners appointed for that purpose under the Act of Council 5th William IV., No. 21, at the expiration of two months from this date, before which day Caveat or Counter Claim must be entered at this Office. Due notice will be given of the days appointed for the hearing.

Case No. 764.—Richard Blackwell, of Woodburn, Stonequarry.

Two roods, County of Cumberland, parish of St. John, Town of Parramatta; bounded on the south by Early-street, bearing west 4 chains 42 links, commencing at the Sydney-road; on the west by a line north 1 chain 19 links; on the north by a line east 4 chains 13 links to the Sydney-road; and on the north-east by the Sydney-road, bearing south 15 degrees, east 1 chain, 24 links to Early-street.

This allotment was located on an order of Sir Richard Bourke, dated 23rd December, 1834, in favour of Thomas Horton James, as the assign of one Mrs. Mary Early, as compensation for another allotment on the Windsor-road, which had been selected by Mrs. Early, but was confirmed to one Richard Edwards. Thomas Horton James, it is

alleged, sold to Richard Blackwell and W. H. Blackwell; the latter died insolvent leaving Richard Blackwell responsible.

Case No. 765.—John Terry Hughes, and John Hosking, of Sydney, Merchants, and Richard Lang, of

Messrs. Hughes and Hosking allege that they have purchased a portion off John Eales, who purchased off Lang. The nomination of a common Trustee will be necessary.

Case No. 766.—Elizabeth Thomas, of Gloucester-street, opposed by William George Thomas.

Eight perches, County of Cumberland, Town of Sydney, parish of St. Philip, allotment No. 6 of section No. 69; bounded on the east by the line of Harrington-street, bearing north 86½ links; on the north by the street and by allotment No. 7, bearing west 9 degrees, north 56 links; on the west by allotment No. 5, bearing south 22 degrees, west 61½ links; and on the south by allotment No. 4, bearing east 30 degrees, south 91½ links.

The above description was inserted in the Gazette notice of 16th March, 1839, page 325, preparatory to the making out of a Deed of Grant in favour of William George Thomas, who was found in possession. It is alleged, however, that it is the property of his wife. It is alleged that it was leased to Joyce by Sir Thomas Brisbane as No. 52, Kent-street; but it is the adjoining allotment No. 22 of the section that was No. 52, Kent-street. This did not, however, disturb the occupancy. Ryan claims as a purchaser from Joyce.

This did not, however, disturb the occupancy. Ryan claims as a purchaser from Joyce.

It was then referred to the former Commission, as intimated in the notice of 24th December, 1833; but, as no memorial was filed, nothing was done.

His representatives are to shew to whom a Deed of Grant should now issue.
