COURT OF CLAIMS.

NOTICE is hereby given, that the following Claims for DEEDS of GRANT of LANDS and TOWN ALLOTMENTS will be ready for examination by the Commissioners appointed for that purpose, under the Act of Council, 5th William IV., No. 21, at the expiration of two months from this date, before which day any Caveat or Counter Claim must be entered at this Office. Due notice will be given of the days appointed for the hearings.

Case No. 925.—John Onge, of Mount Wingen, representatives or assigns of.

Six hundred and forty acres, County of Brisbane, parish unnamed, at Page's River, near Mount Wingen; commencing at the south-east corner, and bounded on the east by a line north 170 chains, commencing on Page's River; on the north by a line west 40 chains; on the west by a line south 119 chains south, to Page's River; and on the south by that river to the south-east corner aforesaid.

This land was located on an order of Governor Darling, dated 18th August, 1830, in favour of John Onge, who has left the Colony. His representatives or assigns are to shew to whom a deed of grant should issue. The description was inserted in the Gazette notice of 25th May, 1839, page 629, in the name of the promisee.

Case No. 926.—Ann Bunker, representatives of.

One hundred and twenty-four acres, in the County of Cumberland, parish of Melville; commencing at the north-east corner of William Minchin's 1000 acres grant, called Minchinburv; bounded on the west by a line bearing south 75 chains; on the south by a line east 25 chains 50 links to a road; on the east by that road bearing north 32 chains 15 links; on the north by William Brown's farm, being a line west 15 chains 50 links; again, on the east by William Brown's farm, being a line north to the western road; and again, on the north by that road to the commencing corner, being in lieu of 200 acres, part of 800 acres.

This land formed the subject of the case No. 17. The recommendation of the Commissioners was, that a deed of grant should issue to Mrs. Ann Bunker, upon the trusts of the will of William Minchin; but as no deed has issued, and Mrs. Bunker is since deceased, her representatives are to shew for whom a deed of grant should now be made out.

Case No. 927.—George Shaw Rutherford, of Hunter's River, representatives of.

Two thousand five hundred and sixty acres, County of Northumberland, parish of Gosforth; commencing at the north-west corner of H. D. Owen's 1100 acres farm, and bounded on part of the east and north by the west and south boundaries of that farm, to the west boundary of the Crown reserve of Maitland; on the east by 70 chains of that boundary, bearing south by compass; on part of the south by a west line by compass of 80 chains; on the residue of the east by a south line by compass of 90 chains to the north-east corner of Radford's farm; on the residue of the south by a west line by compass of 80 chains; and on the west by a north line by compass of 307 chains to the River Hunter; and on the residue of the north by that river to the north-west corner of Owen's farm as aforesaid.

This land was located on an order of Sir Ralph Darling's, dated 24th June, 1837, in favour of George Shaw Rutherford, who has left the Colony, and is supposed to be deceased. His representatives are to shew to whom a deed of grant should now issue. The description was inserted in the Gazette Notice of 19th January, 1839, in the name of the promisee.

Case No. 928.—James Reid, of Newcastle, by his

Attornies, Messrs. Chambers and Thurlow.

Thirty-six perches, County of Northumberland,

parish of Newcastle, Town of Newcastle, allotment No. 10; bounded on the west by one chain of the east side of Watt-street, bearing north, 7 degrees east; on the north by the south boundary line of allotment No. 8, bearing east 7 degrees, south 225 links; on the east by the west boundary line of allotment No. 9, bearing south 7 degrees, west 1 chain; and on the south by the north boundary line of Thomas Horton James' allotment No. 12, bearing west 7 degrees, north 225 links, to Watt-street.

This description was inserted in the Gazette Notice of 17th December, 1838, page 1126, in the name of the claimant. The title commences with the permissive occupancies granted when Newcastle was a penal settlement. In June, 1815, it was registered for Bridget Moore, who sold to Samuel Levey, who sold to James Connolly, who had the allotment re-registered in his own name, against whom the Sheriff sold to Hilker, from whom it passed to Phelps and Kemp, and so to claimant. Mr. Francis Mitchell claims an allotment purchased from the Sheriff against Connolly; it may be that this is it. The allotment was once located to Francis Blower Gibbs.

Case No. 929.—Charles Dowdell, representatives of, in opposition to James Shelcot, of —, and Daniel Cooper, of London.

Fourteen and three quarter perches, county of Cumberland, parish of St. James, Town of Sydney, allotment No. 14 and part of 29, in section No. 31; bounded on the east by Pitt-street, being a line north 7 degrees 30 minutes 54½ links; on the north by allotment No. 29 (a), being a line west 8 degrees south, 176 links; on the west by allotment No. 11, being a line south 9 degrees 30 minutes east 51½ links; and on the south by allotment No. 13, being a line east 6 degrees, north 173½ links.

Six and three-quarter perches of this land formed the allotment No. 14, a description of which was inserted in the Gazette Notice of 10th June, 1834, page 403, preparatory to the making out of a deed of grant in the name of James Shelcot, who was reported as the holder. The remainder 8 perches is part of allotment No. 29, which was advertised in the name of Daniel Cooper, who sold the better part to Clewitt. Cooper, it is concluded, has still a claim on the portion not sold to Clewitt.

Case No. 930.—George Mackenzie, representatives of.

Eighty-seven acres, County of Durham, parish of Middlehope; commencing at the north-west corner at the easternmost part of a particular bend in the River Hunter, opposite the land set apart by Government for small allotments, and bounded on the north by a line dividing it from Macdougall's land, bearing east by compass 19 chains to the River Hunter; and on all other sides by the River Hunter.

This land was located on an order of Governor Darling, dated 3rd November, 1830, in favour of George M'Kenzie and John M'Lean; the latter, it is alleged, parted with all his interest to the former, who is now deceased. His representatives are to shew to whom a deed of grant should issue.

Case No. 931.—Mathew Dysert Hunter, by his Attorney, James Morton, Esq.

One thousand and sixty acres, in the County of Cumberland, parish of Cook; bounded on the west and south-west by Hosking and Shelley's farms,

bearing south and west to the creek, and by the creek to Riley's Raby farm; on the south-east side by Raby farm, bearing north 30 degrees east to the Bringelly road; and on the north by that road.

This land was granted by deed under the seal to H.H. M^r Arthur, who has executed a surrender to the Queen, he having received land at Werombi in lieu. This land at Werombi was located on an order of Sir Thomas Brisbane, in favour of Peter Cavenagh, dated 26th August, 1824. Cavenagh took the land, a deed of grant of which is now sought in exchange for his order, and he sold to John Dickson, now absent from the Colony, who sold to claimant.

Case No. 932.—Michael Woolloghan, of Campbelltown, representatives of.

Fifty acres, County of Cumberland, parish of St. Peter; bounded on the east by a creek; on the south-west by the farms of Purceval and Drake, being lines north 45 degrees, west 10 chains, north 45 degrees east 4 chains and; north 45 degrees, west 24 chains; on the north-west side by part of Neale's farm, being a line bearing north 45 degrees, east 17 chains, commencing from Drake's north corner; and on the north-east by Dwyer's farm, being a line bearing south 45 degrees, east 26 chains to the creek.

This land appears to have been located under the authority of the late Surveyor General Oxley; but no record of an order in favour of Woolloghan, can be traced. His representatives are to shew to whom a deed of grant should now issue. The description was inserted in the Gazette Notice of 14th October, 1831, in the name of the locatee.

Case No. 933.—W. L. M. Redfern, of — by his Attornies, Messrs Chambers and Holden.

This land was located on an order of Sir Thomas Brisbane, dated 10th November, 1825, in favor of William Charles Wentworth, who sold to Dr. William Redfern, now deceased, through whom claimant derives.

Case No. 934.—George Harper, of Stonequarry, representatives of; solicitors, Messrs. Carr and Rogers.

One thousand six hundred and thirty acres, County of Camden, parish unnamed, in the District of Hill, at Stonequarry; bounded on the south by George Harper's grant of 400 acres, being a line bearing west 1 degree 15 minutes, south 98 chains, commencing at a stake on Crawford's Creek; then a line bearing south 1 degree 15 minutes, east 31 chains to Stonequarry Creek; and then by that creek to a marked gum tree, being the south-east corner of Elyard's 1000 acres; on the west by Elyard's grant and Church land,

He, it appears, sold it to Mr. Robert Cooper, who sold to William Morgan, now deceased, and claimant is his eldest son and heir at law.
