3. The Ration of Forage.

4. The Ration of Fuel and Light.

10. Contractors supplying Road Parties on the Bathurst or other roads similarly situated, shall have at all times on the spot a supply for fourteen

days in reserve, in the care of a competent Agent, to whom reference may be had in the Contractor's absence.

11. In the event of a difference of opinion between the Contractor and the party receiving the supplies, as to the quality, the same is to be decided by a Board of Survey, according to the practice of the Service. But in Country Districts, where a Board of Survey cannot be conveniently assembled, the Party objecting will name one person as Arbitrator, the Contractor or his Agent another, and these two will (previously to any other proceeding on their part,) concur in naming a third as umpire, who in event of the Arbitrators not agreeing in opinion, will be called upon for his decision, which shall be final.

If the Board, Arbitrators, or Umpire, shall decide that the article is not according to the Conditions of the Contract, it must be immediately replaced by the Contractor, failing of which it will be procured, and the expense charged to his account.

12. It shall be in the power of either party to limit the duration of the Contract, by giving, in writing, a notice of three calendar months to the opposite Party, and to end the Contract at the expiration of that period, it being understood that such notice can be given only from the first day of a month, and within the period for which the Contract is made, or agreed to be made; and not later than the 1st of August.

13. The Contractor shall prepare his own account monthly, according to the prescribed form; and on the production thereof, with the requisite vouchers in a complete state, shall receive payment either in British silver coin, or by a Bill on Her Majesty's Treasury, at the established rate of the period, at the option of the Senior Commissariat Officer.

14. The value of all packages shall be included in the price demanded.

15. Persons wishing to Tender are requested to apply either at this Office or to the Commissariat Officers in charge at the several Stations, who will furnish them with printed Forms for the purpose, and communicate further particulars; and as adequate security will be required for the due fulfilment of the Contracts, each Tender must be accompanied by a letter from the Parties proposed as such, stating that they are willing to become bound as securities for the Contractor accordingly; and no payment will be made upon any Contracts until the bonds have been executed.
