No. 14. FEBRUARY 10, 1843.—2

## GENERAL CONDITIONS.

9. Parties tendering may do so by either of the three following modes, at their option, viz. :---

1. The whole of the Supplies of every description, in each District, may be included in one Tender, as at present.

2. Or the Supplies may be tendered in sub-divisions, as below, by a separate Tender for each sub-division, viz.---

1. The Military Ration

2. The several Rations for Convicts are described from 2 to 8 inclusive

3. The Ration of Forage

4. The Ration of Fuel and Light

5. The Supplies for Hospitals

6. The Supplies for the Penal Settlements, (Sydney).

3. Or the various articles comprising the several Rations referred to, as well as all those required for Hospitals and other purposes, may be tendered separately or singly, by weight and measure. The undersigned reserving to himself the power of accepting Tenders for supplying by any of these modes which he may find most expedient.

10. Contractors supplying Road Parties on the Bathurst or other roads similarly situated, shall have at all times on the spot a supply for fourteen days in reserve, in the care of a competent Agent, to whom reference may be had in the Contractor's absence.

11. In the event of a difference of opinion between the Contractor and the party receiving the supplies, as to the quality, the same is to be decided, in cases where the article is of a perishable nature by a Board of Survey, according to the practice of the Service. But in Country Districts, where a Board of Survey cannot be conveniently assembled, the Party objecting will name one person as Arbitrator, the Contractor or his Agent another, and these two will previously to any other proceeding on their part concur in naming a third as umpire, who in event of the Arbitrators not agreeing in opinion, will be called upon for his decision, which shall be final.

If the Board, Arbitrators, or Umpire, shall decide that the article is not according to the Conditions of the Contract, it must be immediately replaced by the Contractor, failing of which it will be procured, and the expense charged to his account. In cases where the article is of a perishable nature, or from some other cause injury would be sustained, either by the parties to whom the Rations are due, or to the Contractor, by waiting for a Board of Survey, the Head of the Department, or Officer in charge of the party or parties for whom the rations are to be received, shall have power to reject such article or articles, as are obviously of inferior quality or in improper condition, it being distinctly understood, that he will be responsible to the Government for so doing; and that the Contractor will have a right to appeal, although, in the mean time, he must take back the rejected article, and supply good in its stead, failing of which it will be obtained by the Officer or party requiring it, and the expense charged to the Contractor.

12. It shall be in the power of either party to limit the duration of the Contract, by giving, in

writing, a notice of three calendar months to the opposite party, and to end the Contract at the expiration of that period, it being understood that such notice can be given only from the first day of a month, and within the period for which the Contract is made, or agreed to be made; and not later than the 1st of August.

13. The Contractor shall prepare his own account according to the prescribed form; and on the production thereof, with the requisite vouchers in a complete state, shall receive payment monthly.

14. The value of all packages shall be included in the prices demanded.

15. Persons wishing to tender are requested to apply either at this Office, or to the Commissariat Officers in charge at the several Stations, who will furnish them with printed forms for the purpose, and communicate further particulars; and as adequate security will be required for the due fulfilment of the Contracts, each Tender must be accompanied by a letter from the parties proposed as such, stating that they are willing to become bound as securities for the Contractor accordingly; and no payment will be made upon any contracts until the bonds have been executed.

16. The amounts of the Bonds required in the several Districts are as follow:—if contracted for collectively, viz.:—Sydney, £5,000; Parramatta, £1,000; Liverpool and Campbelltown, £500; Illawarra, £500; Goulburn, £500; Penrith, £500; Hartley, £500; Bathurst, £500; Newcastle, £1000; Maitland, £500; Port Macquarie, £500.

18. Flour in place of bread to be given for the Military Ration, when required, in the proportion of 14 2-7th ozs. of the former, for 16 ozs. of the latter.

19. The Contractor for the District of Sydney will also be required to furnish the Government Vessels, or casual purposes, any of the supplies under the head of Hospitals.

20. The Rations and articles particularised under the head of Provisions, Nos. 1 to 12, may be required not only for the purposes specified, but also for any other purpose of the Military, Naval, and Convict services, should there be occasion for it.

In the Supreme Court

VICTORIA, by the Grace of God of the United  
Kingdom of Great Britain and Ireland, Queen,  
Defender of the Faith, &c., &c., &c.

To the Sheriff of New South Wales, or his Lawful  
Deputy, Greeting:

**W**HEREAS upon the Petition to the Honor-  
able the Judges of our Supreme Court of  
New South Wales of Lesslie Duguid, Managing  
Director of the Commercial Banking Company of  
Sydney, against William Sherwin, formerly of  
Sydney aforesaid, Chemist and Druggist, but now  
or late of Mittagong, in the Territory of New South  
Wales, settler, bearing date the 4th day of February  
instant, it appears to us that the said William  
Sherwin is justly and truly indebted to the said  
Lesslie Duguid, as such Managing Director as afore-  
said, in the sum of One thousand three hundred and  
forty-two pounds sixteen shillings and nine-pence of  
lawful money, upon and by virtue of a judgment of  
the said Court as of the third term, One thousand  
eight hundred and forty-two, whereby the said  
Lesslie Duguid, as such Managing Director as afore-  
said, for and on behalf of the said Banking Company,  
recovered against the said William Sherwin, the  
sum aforesaid for his damages, costs, and charges,  
and also in the further sum of One pound fourteen  
shillings and six-pence, for the costs of a writ of  
Fieri facias thereupon issued, and that on the day of  
the date of the said petition the said William Sherwin  
had been for some time past and then was absenting  
himself from his Creditors with intent to defeat or delay  
the said Lesslie Duguid as such Managing Director  
as aforesaid, and others, his Creditors, in obtaining  
payment of their just debts to them due and owing, and  
did thereby commit an act of Insolvency, whereupon  
the said Lesslie Duguid, prayed that the Estate of  
the said William Sherwin might be sequestrated for  
the benefit of his Creditors; and whereas it further  
appears to us in our said Court that the Honorable  
William Westbrook Burton, one of the Judges of the  
said Court did, by order under his hand, bearing date  
the 4th day of February instant, place the estate

of the said William Sherwin under Sequestration in  
the hands of the Chief Commissioner of Insolvent  
Estates at Sydney, until the same should be there-  
after adjudged to be sequestrated or the said Petition  
should be discharged, now therefore we command  
you that you summon the said William Sherwin,  
that he be before our Justices of our Supreme Court  
aforesaid, on Wednesday, the 1st day of March  
next, at Ten o'clock in the Forenoon, to shew  
cause, if he have any, why his Estate should not by  
sentence of the said Court be adjudged to be seques-  
trated for the benefit of his Creditors, and return you  
then and there this writ with whatever you have  
done thereupon.

Witness the Honorable Sir James Dowling,  
Knight, our Chief Justice of our said Court,  
this 6th day of February, in the 6th year of  
our Reign.

(L. S.)

This land was located on an order of Sir Thomas Brisbane, dated 8th October, 1823, in favour of James Strachan, who, it is alleged, sold to Henry Flemming, who sold to James Dargin, who sold to John Croft, who sold to claimant; but Croft disputes his claim.

Case No. 1191.—William Henry Burgin, of Parramatta.

Forty-four perches, county of Cumberland, parish of the Field of Mars, town of Parramatta, allotment No. 14, on the west side of the Windsor road, in section No. 8; bounded on the north by Dillon's (now News') allotment 150 links; on the west by a line 164 links; on the south by Harvey's allotment 180 links to the Windsor Road; and on the east by that road 171 links.

This allotment is part of an original location of Rose or Mary Kennedy, who, it appears, sold to claimant, who alleges that the lease was intended for him, although in his father's name of William instead of William Henry.

The lease was issued by Sir Thomas Brisbane and is for 21 years from 30th June, 1823. The deeds of Grant is prayed for on the conditions of having erected buildings of the value of £1000 as provided by the lease.

By direction of the Commissioners.
