TITLE DEEDS OF OLD GRANTS.

HIS Excellency the GOVERNOR directs it to be notified, with reference to the Government Notice of the 1st October, 1838, relative to the preparation of Deeds of Grant for Lands and Town Allotments promised by former Governors, under the Regulations in force previous to the introduction of the system of sale by Auction under Lord Ripon's Instructions, that, as Deeds of Grant for nearly all such Lands and Allotments have now been prepared, and the object had in view in promulgating that Notice has thus been accomplished, the mode of bringing forward Lands and Town Allotments for Deeds therein prescribed has been rescinded, and the Notice of 1st October, 1838, cancelled.

2. It is not the object of the present Notice to cancel claims which may have their origin in transactions prior to the introduction of the system of selling Land, under Lord Ripon's Regulations, in 1831; but persons having such claims must themselves bring them forward; and in the event of its being necessary to refer any of them to the Commissioners appointed under the Act of the Colonial Legislature, 5th William IV, No. 21, as amended by the Act 6th Victoria, No. 11, the whole expense of the reference must be borne by the parties interested.

3. In bringing forward such claims, full particulars respecting them must be stated to the Colonial Secretary; and it must be clearly understood that the longer they are kept back, the more rigorously will they be enquired into.

*By His Excellency's Command,
E. DEAS THOMSON.*

*Colonial Secretary's Office,
Sydney, 29th March, 1843.*

ASSIGNED SERVANTS.

IT having been brought under notice, that the Government has, in several instances, been put to the expense of conveying to Sydney, certain Convicts who have been returned by their Assignees into the custody of the Police at distant stations, His Excellency the GOVERNOR directs it to be notified, that Assignees returning their Convict Servants to the service of Government, will be required to pay into the hands of the Police Magistrate or Bench of Magistrates of the District in which the men are given up, the expense of their conveyance to Sydney; and that failing to defray such expense, the party returning the Servant will be considered ineligible as an Assignee, and have any other prisoners that may be assigned to him, withdrawn from his service.
