TO THE  
**BENEVOLENT**

**And Charitably Disposed**

It is earnestly hoped that the following statement, the authenticity of which is vouched for, will be deemed worthy of serious consideration.

Bridget Shannon, a poor and industrious woman, who has lately lost her husband by falling from a dray, finds herself and her numerous young family reduced to a distressing state of destitution in consequence thereof. Under this circumstance considering the misery of want, in her present situation, the case of Bridget Shannon is submitted to the notice of such charitable persons as are able to afford relief.

The smallest donation will be received with grateful thanks; because, however trifling, it will assist in procuring for the petitioner and her numerous offspring the means of subsistence during her present delicate and incapacitated situation.

I CERTIFY that the above statement is correct and that the poor woman is also in a very advanced state of pregnancy. She and her young family are indeed great objects of commiseration!
