

# NEW SOUTH WALES GOVERNMENT GAZETTE,

Published by Authority.

FRIDAY, FEBRUARY 2, 1844.

*Colonial Treasury, Sydney,  
29th January, 1844.*

**NOTICE** is hereby given, that Tenders will be received at this Office, at any time on or before 12 o'clock on Thursday, the 15th day of February next, for the purchase of Debentures to be issued by this Government, on account of the expenses of the Immigration now in progress, under the direction of Her Majesty's Government.

The Debentures will be issued in even sums of £100 each, bearing interest at 6 per cent. per annum, the interest, payable half yearly, to be paid off at the end of three years; the Government reserving to itself the option of paying the whole, or any number of them off, at any time, on giving three months' notice of its intention of so doing.

The Debentures will be secured on the whole Territorial or Crown Revenue of the Colony, and will be taken in payment for land purchased from the Crown.

The Tenders will state the number of Debentures which each person tendering is willing to take, and the premium which he will give for them.

The sum at present required will not exceed

£40,000, or four hundred Debentures at £100 each; but it is probable that an equal sum may be required before the end of the present year.

The Tenders will be opened precisely at 12 o'clock on Thursday, the 15th day of February next, but the Government does not pledge itself to accept any tender unless the terms of it be approved.

The sum of £25, on each Debenture, is to be paid by the person tendering for it, within forty-eight hours after he receives notice that his Tender is accepted; and the remainder, or £75, must be paid within thirty days, reckoned from the day whereon the first payment is made.

Each Debenture will be dated from the day on which the last payment is made.

In the event of any payment not being completed within the specified period of thirty days, the amount paid up will be converted into a stock bearing interest at 5 per cent.

C. D. RIDDELL.
