Conveyance of Mails.

CONVEYANCE being required for the post office mails as undermentioned, for one year, from the 1st January 1845. Persons disposed to contract for providing the same, are invited to transmit their offers in writing, to this office, by twelve o'clock on Tuesday, the 8th day of October next, endorsed "*Tender for conveyance of Mails,*" viz.:-

From and to Melbourne and Portland, by way of Ballan, Mount Emu, Fiery Creek, and the Grange, once a week.

From and to Port Fairy and Fiery Creek; once a week; by way of the Woolshed Inn, or by Mr. Sprot's station, as the Government shall determine.

From and to Geelong and the Lake Inn, near Mr. Lloyd's station, beyond the Wardy Yallog river, and lake Korangamite, once a week.

From and to Melbourne and Mount Macedon, once a week.

From the Post Office in Melbourne to vessels in Hobson's Bay, twice a day; and from vessels in Hobson's Bay to the Post Office in Melbourne, as often as mails may arrive; always by the Eastern Beach.

Tenders are to mention distinctly the time proposed to be occupied on any line of road, — but offers for the *Portland line*, are to state particularly whether as intended for performance of the journey, to Portland and back to Melbourne, within a week or fortnight; and as expedition is so desirable a point in post office communication, the tender proposing the quickest rate of travelling, if combining cheapness, will of course receive a preference.

It will be optional with parties to offer for one or more of the above lines of stages, and to propose the mode of conveyance; but on all roads where wheel-vehicles can travel, a preference will be given to carriage conveyance. The contractors will be held strictly bound to use the conveyance they propose, and to travel at the rate agreed upon. The rate of travelling is not to be less than six miles per hour, including all stoppages.

Contractors will be liable to a fine of five shillings for every five minutes delay after the specified time of starting; and to a like penalty for every ten minutes delay after the specified time of arrival, except for the first five and ten minutes respectively.

A mail cart or carriage, drawn only by one horse, must not carry more than one passenger; by two horses, not more than three passengers; and by three or more horses, not more than six passengers—exclusive of the driver; under a penalty of £3 for each offence.

All vehicles and horses employed in the conveyance of mails, are to be at all times subject to the inspection and approval, or rejection of the Postmaster at Melbourne, or person appointed by him for that purpose. The drivers and postmen are to be men of certified good character, subject also to rejection by the Postmaster at Melbourne.

Contractors are to provide secure lockers for the mails in carriages, and dry coverings for the mails on horseback, under penalty of £10, for damage sustained, by any mail; unless where the damage may arise from unavoidable accident.

Contractors are to carry all post office bags, mails and letters which may be delivered to them under authority of the Postmaster at Melbourne, or any of the Postmasters. And they

will be bound to prevent the conveyance of any letter or packet, by any of their servants or passengers, or otherwise to the prejudice of the Post Office Revenue, under a penalty of £5 for each offence. They may, however, deliver letters on the direct line of road, clear of any collection of postages, when required by any Postmaster; and may receive letters from parties on the direct line of road, to be given up to the Postmaster immediately on arrival at the nearest Post Office.

All fines and penalties incurred under the agreement are to be deducted by the Postmaster at Melbourne from the next quarterly instalment falling due to the contractor, and are to be considered as over and above any penalties forfeited under any Act of Council.

Each party tendering, or an agent for him, must attend at this office on the day appointed for opening the tenders; and each tender must bear the signatures of two respectable and solvent persons; willing to enter into a bond with the contractor for the safety of the mails, and the due performance of the contract.

It being intended hereafter to close all Melbourne inland mails at 4 o'clock p.m., the one uniform time of half-past 4 p.m. will thus be established for departure of inland mail conveyances from the Post Office at Melbourne; but it is to be understood that the days and hours for dispatch and arrival of all inland and branch mails, are to be fixed and determined by the Postmaster at Melbourne, and are to be subject to his revision, should the convenience of the public so require.

Parties proposing to tender are invited to seek information at the Post Office at Melbourne, where printed forms of tender may be had upon application. Forms may be also obtained from any of the Post Offices in the districts.

C. J. LA TROBE,
Superintendent.

Superintendent's Office,

New Post Office.

NOTICE is hereby given, that under sanction of His Excellency the Governor, a Post Office has been established as follows, viz.:-

On the Portland Road,

AT FIERY CREEK, 26 miles westward of Mount Emu; Peter Walsh to be Postmaster. The delivery from this office will embrace, besides the neighbourhood of Fiery Creek and Lake Boloko, the district immediately westward of the Pyrenees and the whole of the upper Hopkins river.

This mail will reach Melbourne every Friday, and be dispatched thence every Saturday, with the Portland Mail.

Parties wishing to receive their letters and newspapers through this post office, should particularly caution their correspondents to address communications thereto *distinctly by its name*; because private localities, in their relative position to the different post offices, cannot be sufficiently known at distant stations to give to the post office department a correct guide for ensuring direct transmission.
