GOVERNMENT GAZETTE,

CROWN LANDS OCCUPATION.

1. With reference to the Notice respecting Licenses to pasture sheep and cattle on Crown Lands, which was issued from this Office, on the 2nd April, 1844, and to the Despatches of which copies were published in the *Government Gazette* Extraordinary, of the 28th of June last, His Excellency the Governor, with the advice of the Executive Council, has directed this additional Notice to be published.

2. The quantities of land actually in the occupation of individuals, being, as yet, in many cases, imperfectly known to the Government, the Rules laid down in the Notice of the 2nd April, 1844, cannot be fully applied in the issue of Licenses for the current year: Licenses therefore, for the occupation of Crown Lands beyond the boundaries of location, during the year which commenced on the 1st instant, and will end on the 30th June, 1846, will be issued on the following terms:—

- (1.) A separate License must be taken out for each Station or Run, which is returned as a separate station in the last half-yearly Return of the Commissioner of the District.
- (2.) The price of the License will be Ten Pounds; but the additional charge of £2. 10s. will be made for every thousand sheep, above four thousand, which, according to the last Return of the Commissioner of the District, may appear to be depastured on the Run: Provided however, that no extra charge be made for any number of sheep less than a complete thousand, (or their equivalent in cattle): Provided also, that the charge of £2. 10s. per thousand, for the excess above four thousand, be reduced to £1, on the produc-

tion of a Certificate from the Commissioner, that the whole of the sheep or cattle are kept upon a Run, not exceeding twenty-five square miles, or sixteen thousand acres.

- (3.) For the purposes of this Notice, six hundred and forty head of cattle will be considered equal to four thousand sheep, and in cases in which the stock upon a Run may consist of both sheep and cattle, the amount of the mixed stock, horses being reckoned as cattle, will be calculated on the principle of reckoning six hundred and forty cattle equal to four thousand sheep; instead of five hundred to four thousand, which is the proportion stated in the Notice of the 2nd April, 1844.

3. The Governor, with the advice of the Executive Council, has further directed the following explanatory Remarks to be published, in order to guard against misapprehensions which might otherwise arise as to the future intentions of Government from the publication of this Notice.

4. Although the quantity of Land mentioned in the third paragraph of the Notice of the 2nd of April, 1844, is by the present Notice extended from twelve thousand eight hundred to sixteen thousand acres, the Government will still consider the quantity of Land to be held in ordinary cases under a single License to be that which is in ordinary seasons sufficient for four thousand sheep or six hundred and forty cattle. On this principle, a station or run although consisting of twenty-five square miles, may nevertheless, if insufficient to feed four thousand sheep, or their equivalent in cattle, be enlarged to the extent requisite for that purpose. Existing runs will not be reduced below sixteen thousand acres or twenty-five square miles, because they are sufficient for more than four thousand sheep (or six hundred and forty

cattle;) neither on the other hand, will existing runs be enlarged because they may not contain sixteen thousand acres, unless they be insufficient to pasture four thousand sheep, or their equivalent; nor in any case can a Run be enlarged (even though not capable of feeding four thousand sheep) unless there be adjoining Land at the disposal of the Government. The present holders of large Blocks of Land, will be allowed to retain out of each Block as many Runs as they choose to pay for at the rate of £10 per annum for each Run, provided that each Run do not exceed sixteen thousand acres, unless more be required for four thousand sheep, or their equivalent, and that the Runs taken out of the same Block, be taken contiguously, and in such manner as to form of themselves a compact Block of Land, natural boundaries being observed as far as practicable.

5. It is clearly to be understood, that this Notice is issued solely on account of the necessity which exists for making known without delay the terms on which Licenses will be granted for the current year; and that Regulations more in detail, for the occupation of Runs, but not departing in principle from the Notice of this day, will be issued as soon as possible; as also will Regulations for the purchase of Homesteads.

6. It is also to be understood, that the terms of payment hereby established for the issue of Licenses will be liable to revision, in the event of the discontinuance or reduction, at any time, of the assessment on stock, levied for the purposes of maintaining a Police force, under the provisions of the Act of the Governor and Council, 2 Victoria, No. 27.

COURT OF CLAIMS.

NOTICE is hereby given, that the following Claims for Deeds of Grant of Town Allotments and Land, will be ready for the examination of the Commissioners appointed for that purpose, under the Act of Council, 5 William IV., No. 21, at the expiration of two months from this date, before which day any caveat or counter claim must be entered at this Office. Due notice will be given of the day appointed for the hearing.

Case No. 1242.—James Holt, by his attorneys Daniel Cooper, Jun. and Thomas Cooper, Jun., both of Sydney, merchants, and Daniel Cooper, Jun., aforesaid, Trustees of the Estate of the late firm of Cooper and Levey.

One hundred and three perches, in the county of Cumberland, parish of St. John, town of Parramatta, allotment No.—on the south side of Campbell-street, in section No. 2; bounded on the north by Campbell-street, north 84 degrees west 276 links, commencing at the corner of Larkins' allotment; on the west by Marsden-street 253 links to the corner of Druitt's allotment; on the south by Druitt's allotment south 85 degrees east 236 links, and by part of allotment No. 9, 25 links to the corner of Larkin's allotment; and on the east by Larkins' allotment north 9 degrees east 251 links to Larkin's corner as aforesaid.

This allotment was given to Captain Piper, by Governor Macquarie, and possession was formally authorised by Governor Darling, on the 1st December, 1831, but on the 8th March, 1836, Captain Piper had sold to Messrs. Cooper and Levey, and the Trustees of the Estate claim a Deed of Grant in their names, Levey being deceased, or in the name of the surviving partner Daniel Cooper, of London, merchant.

Case No. 1243.—Sarah Schooler or Scowler, (formerly Murphy,) of Parramatta, widow, by her attorneys Holden, Chambers, and McCarthy, Eighty-one perches, in the county of Cumberland,

parish of St. John, town of Parramatta, allotment No. 2, on the east side of Pitt-row, in section No. 5; bounded on the north by a line 2 chains 93 links; on the east by a line 1 chain 71 links; on the south by a line to Pitt-row 3 chains 25 links; and on the west by Pitt-row 1 chain 66 links.

This allotment was leased by Sir Thomas Brisbane, for 21 years, by a lease dated 30th June, 1823, in favor of Sarah Murphy, (now Schooler or Scowler,) who claims a Deed of Grant on condition of the payment of a fine equal to 21 years of the Quit-Rent, as provided for by a clause in the lease.

Case No. 1244.—Archibald Clunes Innes, Esquire, of Port Macquarie, by his attorneys Carr, Rogers, and Owen.

Eight hundred and forty-three acres, in the county of Macquarie, parish unnamed, near Wal-lighbee; bounded on the north by the River Hastings; on the east by a line south 94 chains, dividing it from a measured portion of 704 acres, applied for by J. B. Thorpe; on the south by a line west 80 chains; and on the west by a line north 159 chains to the River Hastings.

This land was sold by the Crown, on the 8th June, 1836, to Charles Henry Jenkins, and a Deed of Grant thereof, dated 10th December, 1836, was prepared in his name, but not registered until 22nd March, 1837, when Jenkins had deceased, on the 14th July, 1836, Jenkins it is alleged sold to Charles Robertson Hyndman, who has sold to claimant, who requests a fresh Deed of Grant on the plea that the Crown can only convey by matter of record and that the Deed in Jenkins' name is therefore void, by reason of its registration after his decease, viz., on the 8th of February, 1837.

By the direction of the Commissioners,

JOHN THOMPSON,
Secretary.
