## CONDITIONAL PARDONS.

HIS Excellency the Governor directs it to be notified, that it has been decided by Her Majesty's Government to qualify, in the Pardons granted to Convicts in Australia, that condition which confined the effect of the Pardon to the Australian Colonies, and to give to the Convict, either Colonial or British, the power of removing to any place which he may desire, provided he should not return to the Country or Colony from which he had been transported. Conditional Pardons granted hereafter will, therefore, be available every where save in the Country or Colony from which the parties to whom they may be issued may have been transported.

It is further notified, that this arrangement is to have a retrospective effect, and that all persons who now hold Exceptive Absolute Pardons, available every where except in Europe, or Conditional Pardons, available either in the Australian Colonies, or in New South Wales only, will have extended to them the benefit of this Regulation, provided they have not disqualified themselves for receiving this indulgence by any colonial offence subsequent to the issue of their former Pardons.

Those persons who are desirous of obtaining new Pardons will apply, in writing, to the Principal Superintendent of Convicts, enclosing, at the same time, the Pardons they now hold.

*By His Excellency's Command,*  
E. DEAS THOMSON,

*Colonial Secretary's Office,  
Sydney, 19th November, 1846.*

The heads of Departments and other officers who have received advances to enable them to defray expenses incurred under their superintendence, are requested to furnish to the Audit Office, as far as practicable, and with all convenient despatch, the accounts of the expenditure thereof; and on or before the last day of December, to pay into the Colonial Treasury the unexpended balance of such advances, that the adjustment of the same may appear in the accounts to the 31st proximo.

They will also, as soon as practicable, after the close of the year, bring forward all accounts of expenses incurred within the same, which do not admit of being previously settled, so that, if possible, all the expenses incurred in the present year may be finally adjusted and liquidated within one month after its termination.
